National Geographics Braving Alaska:

Braving It James Campbell, 2017-05-09 The powerful and affirming story of a father's journey with his teenage daughter to the far reaches of Alaska Alaska's Arctic National Wildlife Refuge home to only a handful of people is a harsh and lonely place So when James Campbell's cousin Heimo Korth asked him to spend a summer building a cabin in the rugged Interior Campbell hesitated about inviting his fifteen year old daughter Aidan to join him Would she be able to withstand clouds of mosquitoes the threat of grizzlies bathing in an ice cold river and hours of grueling labor peeling and hauling logs But once there Aidan embraced the wild She even agreed to return a few months later to help the Korths work their traplines and hunt for caribou and moose Despite windchills of 50 degrees below zero father and daughter ventured out daily to track hunt and trap Under the supervision of Edna Heimo's Yupik Eskimo wife Aidan grew more confident in the woods Campbell knew that in traditional Eskimo cultures some daughters earned a rite of passage usually reserved for young men So he decided to take Aidan back to Alaska one final time before she left home It would be their third and most ambitious trip backpacking over Alaska's Brooks Range to the headwaters of the mighty Hulahula River where they would assemble a folding canoe and paddle to the Arctic Ocean The journey would test them and their relationship in one of the planet's most remote places a land of wolves musk oxen Dall sheep golden eagles and polar bears At turns poignant and humorous *Braving It* is an ode to America's disappearing wilderness and a profound meditation on what it means for a child to grow up and a parent to finally fully let go **National Geographic**, 1994 **Braving Alaska**, 1992 You'll enter the lives of four families who have turned their backs on civilization to fulfill their dreams of living off the land Join these pioneers as they face the daily challenges of survival hunting for food staying warm and fending off grizzlies **Variety TV REV 1991-92 17** Prouty, 1994-03 First published in 1994 Routledge is an imprint of Taylor Francis an informal company *The Final Frontiersman* James Campbell, 2007-11-01 The inspiration for *The Last Alaskans* the hit documentary series now on the Discovery James Campbell's inimitable insider account of a family's nomadic life in the unshaped Arctic wilderness is an icily gripping intimate profile that stands up well beside Krakauer's classic *Into the Wild* and it stands too as a kind of testament to the rough beauty of improbably wild dreams Men's Journal Hundreds of hardy people have tried to carve a living in the Alaskan bush but few have succeeded as consistently as Heimo Korth Originally from Wisconsin Heimo traveled to the Arctic wilderness in his twenties Now more than three decades later Heimo lives with his wife and two daughters approximately 200 miles from civilization a sustainable nomadic life bounded by the migrating caribou the dangers of swollen rivers and by the very exigencies of daily existence In *The Final Frontiersman* Heimo's cousin James Campbell chronicles the Korth family's amazing experience their adventures and the tragedy that continues to shape their lives With a deft voice and in spectacular at times unimaginable detail Campbell invites us into Heimo's heartland and home The Korths wait patiently for a small plane to deliver their provisions listen to distant chatter on the radio and go sledding at 44 degrees below zero all the while

cultivating the hard learned survival skills that stand between them and a terrible fate Awe inspiring and memorable The Final Frontiersman reads like a rustic version of the American Dream and reveals for the first time a life undreamed by most of us amid encroaching environmental pressures apart from the herd and alone in a stunning wilderness that for now at least remains the final frontier **The National Geographic Magazine** ,1992 *New York Magazine* ,1992-07-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Bowker's Complete Video Directory*, 1999 ,1999 **National Geographic Treasures** , *New York Magazine* ,1992-05-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Video Source Book** Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction Statewide Audiovisual Service ...
