The Soviet Union and National Liberation Movements in the Third World Galia Golan, 2022-12-28 The Soviet Union and National Liberation Movements in the Third World 1988 is a systematic comparison of Soviet theory about and actual behaviour toward movements for national liberation in the Third World In this definitive study Professor Golan demonstrates that Soviet behaviour toward such movements is consistent with Soviet theory as stated in the writings and speeches of high level influential within the Party military and academic communities In so doing she advances our understanding of the rules of thumb that Soviet leaders appeared to follow in deciding whether and how to assist the varied types of anti imperialist and separatist movements in the developing world The first part of the book provides a detailed analysis of the various schools of thought among Soviet writers concerning different aspects of national liberation movements and the second part analyses actual Soviet behaviour toward numerous movements around the world

States and Social Movements Hank Johnston, 2011 States and Social Movements cuts to the core of how social movements interact with all types of state system to produce variable outcomes such as democracy policy reform repression insurrection and revolution

Radical Ethnic Movements in Contemporary Europe Stefan Troebst, Farimah Daftary, 2004-11-01 Nation states and minorities resort more and more to violence when safeguarding their political interests Although the violence in the Middle East has been dominating world politics for some time now European governments have had their share of ethnic violence to contend with as this volume demonstrates And as the case studies show ranging as they do from the Basque Country to Chechnya from Northern Ireland to Bosnia Herzegovina this applies to western Europe as much as to eastern Europe However in contrast to other parts of the world instances where political struggles for power and social inclusion between minorities and majorities lead to full fledged inter ethnic warfare are still the exception in the majority of cases conflicts are successfully de escalated and even resolved In a comprehensive conclusion the volume offers a theoretical framework for the development of strategies to deal with violent ethnic conflict

State, Nation and Ethnicity in Contemporary South Asia Ishtiaq Ahmed, 1998-01-01 Preface

The Global Dynamics of Racial and Ethnic Mobilization Susan Olzak, 2006-05-24 This book tests a new approach to understanding ethnic mobilization and considers the interplay of global forces national level variation in inequality and repression and political mobilization of ethnicity It advances the claim that economic and political integration among the world s states increases the influence of ethnic identity in political movements Drawing on a 100 country dataset analyzing ethnic events and rebellions from 1965 to 1998 Olzak shows that to the degree in which a country participates in international social movement organizations ethnic identities in that country become more salient International organizations spread principles of human rights anti discrimination sovereignty and self determination At the local level poverty and restrictions on political rights then channel group demands into ethnic mobilization This study will be of great importance to scholars and policy makers seeking new and powerful explanations for

understanding why some conflicts turn violent while others do not *Nation Building in Turkey and Morocco* Senem Aslan, 2015 This book compares the relatively peaceful relationship between the Berbers and the Moroccan state with the violent relationship between the Kurds and the Turkish state **The Fall of an Empire, the Birth of a Nation** Chris Chulos, Timo Piirainen, 2017-12-01 This title was first published in 2000 A collection of articles by Russian and Western experts on nationalism The objective of the work is to give an overview of the new Russian identity building and of the historical continuities that lie behind this ongoing process The main theme is the shift from empire and imperial consciousness characteristic both of the imperial Russia and the Soviet Union towards a new identity as a nation state Ultra nationalism and the threat posed by ultra right extremists groups is also among the most important themes in the book The rising nationalist extremism is one of the several major projects that seek to redefine the Russian nationhood The ultra nationalist challenge is examined in several articles the anatomy of extreme Russian nationalism is also examined through a case study of a small militant group of extremists The Blackwell Companion to Social Movements David A. Snow, Sarah A. Soule, Hanspeter Kriesi, 2008-04-15 The Blackwell Companion to Social Movements is a compilation of original state of the art essays by internationally recognized scholars on an array of topics in the field of social movement studies Contains original state of the art essays by internationally recognized scholars Covers a wide array of topics in the field of social movement studies Features a valuable introduction by the editors which maps the field and helps situate the study of social movements within other disciplines Includes coverage of historical political and cultural contexts leadership organizational dynamics social networks and participation consequences and outcomes and case studies of major social movements Offers the most comprehensive discussion of social movements available *Game of Mirrors: Centre-Periphery National Conflicts* Francisco Letamendia, 2019-07-30 This title was first published in 2000 Nationalism and the national question have represented a problem since the early years of the 19th century Understanding these phenomena represents a challenge for political science because the nation is not a natural phenomenon rather it is the consequence of nationalism Attempts to reduce nationalism to one or several factors have been unsuccessful it has multiple factors that are variable in space and time Nationalism is a problem of beliefs and conscience linked to the historical action of nationalist groups A second difficulty derives from the distinction between nationalism of the dominant and nationalism of the oppressed The majority of political theorists now believe that these centre and periphery nationalisms are different and therefore adversaries Using first hand experience of Basque separatism as a starting point the author adds to it with the main manifestations of this phenomenon around the world **Citizenship and the Nation-state in Greece and Turkey** Thalia Dragonas, Faruk Birtek, 2005 In this text Greek and Turkish social scientists bring their respective countries experiences to bear upon a debate which has occupied a central place in the concerns of social scientists and historians internationally *Exploring Social Movements* Biswajit Ghosh, 2024-06-18 This book introduces the readers to the dynamics of various kinds of social movements It

examines how social movements have become an instrument of social change including assertion of identity and protest against marginalisation This book describes three major domains conceptual experiential and the impact of globalisation on social movements The volume begins by locating social movements within broad and contemporary social processes and explores the intrinsic and complex patterns of dynamics among state market and social movements from a critical sociological perspective It explains the meaning basic features origins and types leadership and ideology and perspectives of social movements and probes into major experiences of eight social movements in India namely peasant and farmers tribal Naxalite and Maoist Dalit working class women ethnic and environmental movements This book also analyses the role of information technology media and civil society in the spread and continuation of such movements The experiences of queer new religious anti systemic and anti displacement movements would also help readers understand how globalisation has offered new avenues of protest to diverse sections of the population Lessons of anti globalisation movements across the world provide a futuristic perspective in assessing the strength of social movements in a global society This book will be useful to the students researchers and faculty working in the field of political science sociology gender studies and post colonial contemporary Indian politics in particular It will also be an invaluable and interesting reading for those interested in South Asian studies

Eco-nationalism Jane I. Dawson, 1996 Examines the rise of the anti nuclear power movement in the former Soviet Union during the early perestroika period its unexpected successes in the late 1980s and its decline after 1991 This book argues that anti nuclear activism was a surrogate for nationalism and a means of demanding greater local self determination under the Soviet system

Encyclopaedia of Nationalism Athena S. Leoussi, With over one hundred entries the Encyclopaedia of Nationalism offers a complete and concise set of tools for the study of nationalism in a single volume The focus throughout is theoretical and for this reason particular nationalist movements and individual leaders are treated only as illustrative historical contemporary cases in numerous entries The Encyclopaedia is organized in an alphabetical sequence of entries each of which includes a short bibliography for further reading The reader will find in depth discussions of the work of modern theoreticians of nationalism

BOOK JACKET Pakistan at Seventy-Five Andrea Fleschenberg, Sarah Holz, Arslan Waheed, 2023-04-01 Pakistan at Seventy Five investigates the countrys multi layered issues in the context of a post colonial polity marked by diversity heterogeneity stratification and volatility This wide ranging discourse engages with diverse formal and informal actors as markers of identity historical events and social conditions as well as global geo political and neo colonial centreperiphery relations that shape narratives about the nation and the constructions of a sense of belonging The editors and contributors utilise multi faceted and multi layered approaches focusing on 1 identities and questions of diversity and pluralism 2 horizontal and vertical technologies and geographies of power related to questions of trust legitimacy participation and governance and 3 the distribution deprivation and vulnerability of sociocultural political and human resources Studying Pakistan has been subject to different approaches

including decolonial indigenous and feminist perspectives This volume draws out alternative epistemological and methodological viewpoints the insideroutsider conundrum centreperiphery asymmetries hegemonic discourses and practices within Pakistans national international academy The chapter contributions are the outcome of a unique interdisciplinary research cooperation at Quaid i Azam University focussing on early career researchers Presenting a multiplicity of voices and trajectories Pakistan at Seventy Five provides new input to existing debates and directions for future scholarly endeavour Contributors Aftab Nasir Andrea Fleschenberg Arslan Waheed Salman Rafi Sheikh Sanaa Alimia Sarah Holz Sohaib Bodla Wajeeha Tahir *Global Health Governance and the Fight Against HIV/AIDS* W. Hein,S. Bartsch,L. Kohlmorgen,2007-08-09 The devastating effects of HIV AIDS have propelled a multiplicity of activities at global national and local level This book is based on in depth studies of the major global institutions in health the role of pharmaceutical corporations the functions of NGOs and national responses to HIV AIDS in two key case studies Brazil and South Africa Forging the Nation SiuSue Mark,2023 On February 1 2021 Myanmar was thrown into a state of crisis by a military coup abruptly ending a decade of civilian rule The junta imprisoned the political opposition and deployed lethal force to quell dissent thinking that most people would meekly acquiesce However they underestimated the tenacity of the nascent democracy that had taken root in the last decade Instead a civil disobedience movement quickly emerged with people going on strike across the country to prevent the junta from exerting control which was soon followed by armed struggle among urban youth Forging the Nation Land Struggles in Myanmar s Transition Period examines how democratic institutions were fought over and built from 2011 to 2020 through the lens of land politics This book explains how the differences in outcomes in the contest over land are situated in the specific historic and political contexts of Myanmar s states and regions despite them being subject to the same national dynamics As Myanmar is an agriculture based economy involving two thirds of the population land remains a coveted asset in the era of the global land rush referring to the intensification of capital s pursuit of land since the food price surges in 2008 2009 Thus land is also the ideal lens through which to understand the dynamics of a country that underwent a three part transition towards democracy towards peace with a national ceasefire and towards open markets after the lifting of sanctions by the West Against a fraught democratization process that unfolded from 2011 to 2020 Forging the Nation looks at how state and societal actors in Myanmar s multiethnic society recovering from over seven decades of civil war negotiated land politics to shape democratic land institutions By exploring the interaction of the democratic transition ethnic politics and global capital pressures on land across national regional and local scales this book provides an overarching frame that pulls together these three facets that are usually treated separately in the literature Finally by emphasizing the co constituent relationship between democratization and land politics this book makes a unique contribution to understanding the role of land in political economic transitions
