National Security And Democracy In Israel

Dr. Dan Mou

National Security And Democracy In Israel:

National Security and Democracy in Israel Avner Yaniv, 1993 Contents **Security and Defensive Democracy in Israel** Sharon Weinblum, 2015-01-30 This book scrutinises how political actors in the Israeli parliament the Knesset have articulated the security democracy nexus in their discourses Security crises expose political leaders to an uncomfortable dilemma guaranteeing the safety of citizens while at the same time preserving democratic principles basic rights and liberties In this respect Israel represents an archetypical case Defining itself as a democracy the state of Israel has been in quasi constant conflict with its neighbouring countries while facing terror attacks repeatedly This situation has resulted in the upholding of the state of emergency since the establishment of the state in 1948 and in the enactment of security measures that are often in conflict with democratic values The tension between security and democracy is not a new question it has been at the centre of political thought from Rousseau and Locke to Lasswell and Dahl and stood at the core of political debates after 9 11 and the 2005 terror attacks in London Many studies have questioned how political actors manage this tension or how they could properly balance security and democracy Yet in spite of the abundant literature on the issue the manner in which political actors conceptualise and frame this tension has been rarely explored Even less has been said on the effects of this conceptualisation on the democratic regime Drawing on discourse theory and on an innovative narrative analysis the book examines 40 debates held in the Knesset on security oriented laws enacted in two different contexts the period of relative calm preceding the first Palestinian intifada 1987 and the period following the eruption of the second intifada 2000 More specifically three types of laws and discussions are examined laws establishing a relation between freedom of expression and security laws linking the category of the enemy to democracy and finally those connecting the right to family unification and residence of Palestinians with terrorism Through a comparative analysis of the political actors discourses in 1985 and between 2000 and 2011 the study demonstrates that two main narratives have constantly competed on the one hand a marginal narrative anchored in basic rights and on the other a defensive democracy narrative which has become dominant The latter has legitimised the restriction of freedom of expression freedom to participate in elections freedom of movement or the right to citizenship The book shows how the increasing dominance of the defensive democracy narrative has had a fundamental impact in reshaping the polity and the identity of Israel s democratic regime The analysis ultimately opens the possibility to rethink the conventional approach of the security democracy dilemma and to reflect on processes in other states such as the United Kingdom or the United States during different security crises This book will be of much interest to students of critical security studies Israeli politics democracy studies political theory and IR in general

Israeli National Security Charles D. Freilich, 2018-03-08 National security has been at the forefront of the Israeli experience for seven decades with threats ranging from terrorism to vast rocket and missile arsenals and even existential nuclear dangers Yet despite its overwhelming preoccupation with foreign and defense affairs Israel does not have a formal

national security strategy In Israeli National Security Chuck Freilich presents an authoritative analysis of the military diplomatic demographic and societal challenges Israel faces today to propose a comprehensive and long term Israeli national security strategy The heart of the new strategy places greater emphasis on restraint defense and diplomacy as means of addressing the challenges Israel faces along with the military capacity to deter and if necessary defeat Israel s adversaries while also maintaining the resolve of its society By bringing Israel s most critical debates about the Palestinians demography Iran Hezbollah Hamas US relations and nuclear strategy into sharp focus the strategy Freilich proposes addresses the primary challenges Israel must address in order to chart its national course The most comprehensive study of Israel s national security to date this book presents the first public proposal for a comprehensive Israeli national security strategy and prescribes an actionable course forward **Democracy, Law, and National Security in Israel** Menaḥem

Hofnung,1996 This work deals with the different ways in which the law and national security considerations intersect with democracy in the state of Israel Particular factors covered include emergency arrangements civil and political rights secret agencies and the matter of the occupied territories *Israel: National Security and Securitization* Ori Wertman,Christian Kaunert,2023-04-17 This book is the first comprehensive book length analysis of Israel and securitization processes It develops an original analytical framework to ameliorate the theoretical understanding of the audience component during the securitization process drawing upon insights from both securitization theory political psychology and IR theory This gives us significant new insights into why some audiences are essential to be persuaded for securitization to occur while others are not This book also examines the role of the United States in defining what matters in Israeli National Security In essence since the United States is Israel s most significant ally it is essential for the Israeli leadership to gain the American government s support or its lack of resistance for almost any securitization acts The book analyses a highly original set of interviews with prominent figures in Israel who were at the top level of the Israeli decision making process including members of the political and military echelons Through unparalleled access to Israel s political and security echelons *Israel National Security and Securitization* provides a unique overview of Israel s decision maker s political perception over the years Ehud Olmert Prime Minister of Israel 2006 2009 *Israel National Security and Securitization* provides a powerful analysis of how the State of Israel confronted security threats and what was the American involvement in the Israeli decision making process Amos Yadlin IDF Military Intelligence Directorate Chief 2006 2010 This book makes us understand securitization in a novel and enlightening way thus making a substantial contribution to our understanding of national security in general and Israeli security in particular Gabriel Ben Dor University of Haifa Wertman and Kaunert s book makes an important and unique contribution to the existing and developing literature on securitization Kobi Michael Institute for National Security Studies *Israel's National Security Law* Amichai Cohen,Stuart Cohen,2012-08-06 Terror attacks on western civilian targets have stimulated interest in the dilemmas faced by liberal societies when combating threats to

national security Combining the perspectives of political science and law this book addresses that discourse asking how democracies seek to harmonize the protection of individual liberties with the defence of state interests The book focuses on the experience of Israel a country whose commitment to democratic values has continuously been challenged by multiple threats to national survival It examines the legal legislative and institutional methods employed to resolve the dilemmas generated by that situation and thus provides a unique interpretation of Israeli national security behaviour Policy making and policy implementation in this sphere it shows have reflected not just external constraints but also shifts in the domestic balance of power between the executive the legislature and the judiciary The book concludes with an agenda of the measures that each branch of government needs to implement in order to repair the flaws that have developed in this system over time Based on a close reading of legislative and court readings the book proposes a new taxonomy for the analysis of national security legal frameworks both in Israel and elsewhere in the democratic world As such it will be of great interest to students and scholars of political science national security law Israeli history and civil military relations

Israel's National Security Towards the 21st Century Uri Bar-Joseph, 2014-09-19 This volume discusses three principal issues the Israeli army and the Revolution of Military Affairs RMA Israel's present and future answers to the threats of weapons of mass destruction WMD and the impact of societal political and technological changes on Israel's future war objectives

National Security Donald M. Snow, 2016-07-15 This text analyzes the history evolution and processes of national security policies It examines national security from two fundamental fault lines the end of the Cold War and the evolution of contemporary terrorism dating from the 9/11 terrorist attacks and tracing their path up to the Islamic State ISIS and beyond The book considers how the resulting era of globalization and geopolitics guides policy Placing these trends in conceptual and historical context and following them through military semi military and non military concerns National Security treats its subject as a nuanced and subtle phenomenon that encompasses everything from the global to the individual with the nation at its core New to the Sixth Edition Fully updated with expanded coverage of ISIS the new cool war with Russia cybersecurity challenges natural resource wars and development negotiations with Iran border threats and much more Includes a completely new chapter on lethal landscapes such as developing world international conflicts in Africa Asia and the Middle East the siren song of the Islamic State and the dilemmas of guns butter and boots on the ground Shifts the focus from globalization to a more widely ranging look at security from the individual level to the regional to the global

RETHINKING ISRAELI JOURNALISM Sagi Elbaz, 2015-07-14 What is the role of the media in society How has the Israeli media performed its role in a society in turmoil In this provocative book Sagi Elbaz posits that the media has remained faithful to Israel's core values and furthermore that its coverage over the years has supported those unchanging values One could expect to see a change in the media's coverage patterns of key socio political issues in light of contemporary events in Israel such as the change in the State's elites and the media revolution The expectation for change is based on the long held

assumption that mass media in a democratic society has a responsibility to express changes in the political system. Moreover, one would expect the coverage in the media to reflect those changes. However, *Rethinking Israeli Journalism* reveals wide gaps between the objective realities of issues that touch on core values and how these realities are presented in media discourse. According to Elbaz, the Israeli media's coverage of political, military, and economic issues has evolved over time, while its attitude towards national core issues remains largely unchanged. Elbaz develops a model asserting the existence of three power groups: political, military, and economic elites that use the media to garner public support to maintain the status quo and to justify their continued dominance. Among other things, these Israeli elites are responsible for shaping a core of ideological consensus whose main tenets are: a Jewish nationalism, b a security culture, c economic liberalism. Attitudes and policy regarding each of these core issues is produced, replicated, and disseminated to the public at large via the communications media, which is the apparatus of ideological consensus, subject to the control of the elites. The author's attempt to distinguish between core values and temporary values of the coverage should be appreciated. It is important to discuss Elbaz's instructive study questions of his book. Prof. Arie Naor, Department Chair of Politics and Communication, Hadassah Academic College, Sagi Elbaz's book is based on multidisciplinary research that provides many innovative, convincing, and interesting insights. Prof. Eli Avraham, the Department of Communication, University of Haifa, *Rethinking Israeli Journalism* is based on the author's Ph.D. dissertation that was awarded for the best dissertation in Political Science in 2013 by the Israeli Political Science Association.

Handbook of Israel: Major Debates, Eliezer Ben-Rafael, Julius H. Schoeps, Yitzhak Sternberg, Olaf Glöckner, Anne Weberling, 2016-10-24. The *Handbook of Israel: Major Debates* serves as an academic compendium for people interested in major discussions and controversies over Israel. It provides innovative, updated, and informative knowledge on a range of acute debates. Among other topics, the handbook discusses post-Zionism, militarism, democracy, and religion, equality, colonialism, today's criticism of Israel, Israel-Diaspora relations, and peace programs. Outstanding scholars face each other with unadulterated, divergent analyses. These historical, political, and sociological texts from Israel and elsewhere make up a major reference book within academia and outside academia. About seventy contributions, grouped in thirteen thematic sections, present controversial and provocative approaches reflecting from different angles on the present-day challenges of the State of Israel.

Other Major Works by the Editors: Eliezer Ben-Rafael, *Is Israel One Religion? Nationalism and Ethnicity*, Confounded, Brill, 2005. *Ethnicity, Religion, and Class in Israel*, Cambridge University Press, paperback, 2007. Julius H. Schoeps, *Begegnungen: Menschen, die meinen Lebensweg kreuzten*, Suhrkamp, 2016. *Pioneers of Zionism*, Hess, Pinsker, R. If, *Messianism, Settlement Policy, and the Israeli-Palestinian Conflict*, De Gruyter, 2013. Yitzhak Sternberg, *World Religions and Multiculturalism: A Relational Dialectic*, Brill, 2010. *Transnationalism*, Brill, 2009. Olaf Glöckner, *Being Jewish in 21st Century Germany*, De Gruyter, 2015, with Haim Fireberg, *Deutschland, die Juden und der Staat Israel*, Olms, 2016, with Julius H. Schoeps.

National Security And Public Opinion In Israel, Asher

Arian,2019-04-10 National Security and Public Opinion in Israel undertakes to depict the patterns of public opinion in Israel regarding national security policy It analyzes some of the issues involved in the relationship between public opinion and the decisionmakers on national security issues National Security and Foreign Policy Priorities in the Fiscal Year 2014
International Affairs Budget United States. Congress. Senate. Committee on Foreign Relations,2014 *National Security, Democracy, and Good Governance in Postmilitary-Rule Nigeria, Volume Two* Dr. Dan Mou,2017-01-12 This book shows that the security economic political and social problems challenging national security democracy and good governance currently in Nigeria would get better or worse depending on what happens to the 71 percent of Nigerias population still living below the poverty line This is in spite of the billions of petrodollars that Nigeria garnered as revenue over the past few decades It reveals that one does not need to be a political prophet to predict that if these challenges are not successfully addressed through good governance and inclusive growth this country will witness worse civil disobedience violence revolts militancy breakdown of law and order more kidnappings and more of the citizens trying to check out of the country to other parts of the world in the future It concludes however that under such intense pressures the Government of Nigeria even if it is simply for its self preservation will be forced by the objective conditions to move against the interests of the dominant groups and classes in Nigeria These are the ones who have for long captured and hijacked state power and the resources of the country for their exclusive use There is this perception that Nigerians dont write and read This perception is deep seated even among intellectuals who see our authors as shallow researchers But Dr Dan Mou has debunked that myth and shown that Nigerians can write well researched and detailed books It is quite prophetic in its assessment of the Nigerian State Agbo Agbo deputy editor The Nation Dr Dan Mou has proven himself a world class scholar and an intellectual colossus His reputation as an internationally renowned public policy expert has continued to soar I congratulate him for these remarkable achievements Professor Justice Abdul Fatai Kuti first justice of Abuja High Court and former dean faculty of law University of Ado Ekiti Ekiti State of Nigeria Dr Mou is certainly one of the best scholars we have on the African continent As an educationist myself before I became a traditional ruler I agree totally with his analysis and conclusions I share the optimism Dr Mou has expressed that once the recommendations therein are adopted and meticulously implemented with proper monitoring and evaluation of such resultant policies and programmes Nigeria and indeed Africa would be able to solve most of these challenges HRH Alh Dr Sheban Audu Nizazo III Etsu Kwali Etsu Kwalis Palace Abuja Nigeria **National Security, Democracy, & Good Governance in Post-Military Rule Nigeria, Volume One** Dr. Dan Mou,2016-12-30 This book shows that the security economic political and social problems challenging national security democracy and good governance currently in Nigeria would get better or worse depending on what happens to the seventy one percent 71% of Nigerias population still living below poverty line This is in spite of the billions of petrodollars that Nigeria garnered as revenue over the past few decades It reveals that one does not need to be a political prophet to predict that if these challenges are not

successfully addressed through good governance and inclusive growth this country will witness the worst civil disobedience violence revolts militancy breakdown of law and order more kidnappings and more of the citizens trying to check out of the country to other parts of the world in future It concludes however that under such intense pressures the Government of Nigeria even if it is simply for its self preservation will be forced by the objective conditions to move against the interests of the dominant groups and classes in Nigeria These are the ones who have for long captured and hijacked state power and the resources of the country for their exclusive use

Israel's National Security, the Arab Position, and Its Complicated Relations with the United States Ehud Eilam, 2022-02-28 This book analyzes major national security issues in the Middle East focusing on those regarding Israel which could have negative implications on the United States Currently Israel is concerned with Iran's nuclear program its regional ambitions and Hezbollah's arsenal Other major concerns facing Israel are the chemical weapons in Syria and the Golan Heights and Egypt's internal problems which might undermine its peace with Israel In the Gaza Strip the growing conflict between Israel and Hamas could lead to another war

The Evolution of Israel's National Security Doctrine Ratnadeep Chakraborty, 2024-08-17 The Transformation of Israel's National Security Doctrine From Ben Gurion to Netanyahu explores the evolution of Israel's security strategies from its founding to the present It traces the principles of David Ben Gurion and examines how different leaders adapted these ideas to meet changing regional threats With insights from security documents and expert perspectives the book highlights the interplay of military might strategic planning and political credibility making it an essential resource for those interested in Middle Eastern dynamics Featuring thorough examinations of key security documents and perspectives from specialists this publication reveals the lasting and adaptive approaches that characterize Israel's national security framework By illuminating the delicate interplay between military strength strategic foresight and political credibility this work offers a thorough understanding of the various elements influencing Israel's security doctrine It serves as a critical resource for academics decision makers and anyone keen on understanding the dynamics of the Middle East

National Security for a New Era Donald M. Snow, 2015-08-27 Analyzes the history evolution and processes of national security policies This text examines national security from two fundamental fault lines the end of the Cold War and the 9/11 terrorist attacks and considers how the resulting era of globalization and geopolitics guides policy Placing this trend in conceptual and historical context and following it through military semi military and non military concerns National Security for a New Era treats its subject as a nuanced and subtle phenomenon that encompasses everything from the nation to the individual

Israel Sammy Smooha, 1978-01-01

Javnost, 1999

Soft Threats to National Security Dana Barnett, Efraim Karsh, 2021-11-29 This book explores the Boycott Divestment and Sanctions BDS phenomenon its impact and implications for Israel and the Palestinian Israeli conflict as well as the inextricable linkage between its anti Israeli anti Zionist propaganda and antisemitism unraveled from yet unknown perspectives The edited volume offers groundbreaking research While Israeli

public diplomacy focused on security Palestinian diplomacy focused on a fabricated history The book analyzes the old Russian anti Zionist propaganda and its application by the BDS The public space of BDS activity projects a humane facade yet the covert part harbors antisemitic and violent supporters including terror groups and Iran Western universities turned into incubators of pro Palestinian groups that portray Israel as the source of evil The academic boycott of Israel worked to isolate and stigmatize Jewish scholars in America because of a presumed Jewish occupation of the American academy Western liberals wish to build bridges with the Muslim world unable to overcome differences on democracy secularism women's rights etc they focus on what they agree animosity towards Israel So has the UN the ICC Bedouin advocacy and Human Rights Watch The chapters in this book were originally published as a special issue of the journal Israel Affairs

National Security And Democracy In Israel Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free National Security And Democracy In Israel PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free National Security And Democracy In Israel PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free

downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of National Security And Democracy In Israel free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About National Security And Democracy In Israel Books

What is a National Security And Democracy In Israel PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a National Security And Democracy In Israel PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a National Security And Democracy In Israel PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a National Security And Democracy In Israel PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a National Security And Democracy In Israel PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share

and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
