National Self Images And Regional Identities In Russia:

National Self-images and Regional Identities in Russia Bo Petersson, 2018-02-06 This title was first published in 2001 This text looks at what being Russian means to a Russian politician the country they live in and what they think it ought to be It is a study of self images in Russia pertaining to the Russian state policy and the cognitive and affective strands regarding Russia s past its friends and foes externally and internally and Russia s role in the international arena as well as key issues related to internal developments This book attempts to assess to what extent a new sense of identity emerged in Russia during the decade after the dissolution of the Soviet Union In this book Petersson argues that the development of a civic national identity centered around belonging to the state and not an ethnic community is the only viable option to prevent further disintegration and bring about stability and cohesion for the country

Russia's Identity in International Relations Raymond Taras, 2012-10-02 Bringing together leading scholars from Russia and outside experts on Russia this book looks at the difference between the image Russia has of itself and the way it is viewed in the West It discusses the historical cultural and political foundations that these images are built upon and goes on to analyse how contested these images are and their impact on Russian identity The book questions whether differing images explain fractiousness in Western Russian relations in the new century or whether distinct imaginary solitudes offer a better platform from which to negotiate differences Providing an innovative comparative study of contemporary images of the country and their impact the book is a significant contribution to studies of globalisation and international relations

Russia's Regional Identities Edith Clowes, Gisela Erbslöh, Ani Kokobobo, 2018-01-17 Contemporary Russia is often viewed as a centralised regime based in Moscow with dependent provinces made subservient by Putin s policies limiting regional autonomy This book however demonstrates that beyond this largely political view by looking at Russia s regions more in cultural and social terms a quite different picture emerges of a Russia rich in variety with different regional identities cultures traditions and memories The book explores how identities are formed and rethought in contemporary Russia and outlines the nature of particular regional identities from Siberia and the Urals to southern Russia from the Russian heartland to the non Russian republics

Legitimacy Beyond the State? Eva Erman, Anders Uhlin, 2010-08-04 Combining case studies with normative theory this book analyzes the democratic credentials of transnational actors participating in global governance ranging from corporations and philanthropic foundations to NGOs and social movements This leads to innovative interpretations of democratic legitimacy in a transnational context

Exploring Russia's Exceptionalism in International Politics Raymond Taras, 2023-12-19 This book explores Russia s sense of its own uniqueness and the impact this has had on Russia s conduct of international relations Examining concepts such as Russia s special civilising mission its difference from the West its proneness to conduct violent warfare and more and discussing these concepts in relation to Russia s history and its present behaviour and also in relation to other countries views of themselves as exceptional the book highlights Russia s sense of its own identity as a key factor

shaping current international events **Crisis and Migration** Pieter Bevelander, Bo Petersson, 2014-06-06 The ongoing Eurozone crisis frequently makes front page news but aspects of its deeper implications are more rarely discussed in media In *Crisis and Migration* the authors analyse the current situation and its effects on politics and migration In case studies they show how the economic downturn affects daily life on a local national and European level The authors reflect on the crisis from mutually rewarding micro to macro perspectives Their focus is geared away from the crisis as an acute phenomenon instead they investigate it as a potential symptom of a chronic decline of the EU in relation to other regions It is imperative to address the long term consequences of the development and that scholars engage in that critical discussion Alongside its senior authors *Crisis and Migration* features contributors of a new generation of scholars who are likely to be prominent in the field in years to come The book is vital reading for researchers in migration and European studies policymakers and journalists Contributors Timothy Hatton University of Essex UK Katrina Hirvonen Gothenburg University Sweden Hortense Jongen Maastricht University the Netherlands Linus Kullving Malm University Sweden David Sausdal Stockholm University Sweden Sarah Scuzzarello University of Surrey UK Eleni Tampakoglou Malm University Sweden Post-Soviet Civil Society Anders Uhlin, 2006-03-20 The development of civil society has varied greatly across the former Soviet Union The Baltic states have achieved a high level of integration with the West and European Union membership while some regions in Russia lag far behind Now for the first time there is a comparative study of civil society and democratization across post Soviet national borders Acknowledging the enormous variation throughout the region the book offers unique data on developments in Russia Estonia Latvia and Lithuania Applying an innovative analytical framework derived from theories of democratization civil society social movements and transnational relations the researchers have formulated broader comparisons and generalisations without neglecting the specific post Soviet context The book provides a systematic comparison across sectors as well as nations and includes chapters on NGOs the state and conflict and transnationalisation Quantitative survey data is combined with qualitative interviews and case study research to both confirm previous findings about the weakness of post communist civil society and to qualify previous research Russian Politics and Society Richard Sakwa, 2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991-93 historical evaluation of Yeltsin's leadership full coverage of Putin's presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult

transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society **The Decline of Regionalism in Putin's Russia** J. Paul Goode,2011-05-11 This book reassesses the process whereby after 2000 Putin reversed the process by which in the 1990s power had shifted from Moscow to the regions It focuses on the dynamics of regional boundaries juridical boundaries which defined a region s territorial extent and thereby its resources institutional boundaries that sustained regional differences and cultural boundaries that defined the ethnic or technocratic principles on which a region could claim legitimate existence

European Cultural Memory Post-89 Conny Mithander,John Sundholm,Adrian Velicu,2013 This volume is the first comprehensive mapping of how practices of cultural memory in post communist countries and other late newcomers to the European Union have been affected due to the fall of the Berlin Wall and the collapse of communism The essays cover Austria the Czech Republic Finland the unified Germany Hungary Lithuania Poland Romania Slovakia Sweden as well as Europe s significant Other Russia The practices analysed range from films novels and theatre to museums and state organizations such as memory institutes and pedagogical campaigns **Canadian Review of Studies in Nationalism** ,2004 **Russia and Globalization** Douglas W. Blum,2008-03-26 Russia is a battered giant struggling to rebuild its power and identity in an era of globalization Several of the essays in this diverse and original collection point to the difficulty of guaranteeing a stable domestic order due to demographic shifts economic changes and institutional weaknesses Other contributors focus on the country s efforts to respond to the challenges posed by globalization and discuss the various ways in which Russia is reconceptualizing its role as an international actor Ambivalence is a recurrent theme according to editor Douglas W Blum ambivalence about globalization s costs and benefits and the efforts required to manage them **Liberal and Illiberal Nationalisms** R. Taras,2002-07-05 How people construct their idea of home influences the types of nationalisms that emerge in various parts of the world These nationalisms can be inclusive or exclusionary tolerant or intolerant peaceful or violent In this important new book Ray Taras provides a comprehensive analysis of the history and study of nationalism He describes what happens when home is defined as empire Russia and India secessionist state KwaZulu and Quebec uninational Volkstaat Germany and Israel or transnational community Islam and anti Americanism Finally he explores the idea that the mantra of multiculturalism has fuelled conflicts over what home is and generates divisions within and between communities

International Bibliography of Sociology Compiled by the British Library of Political and Economic Science,2002-12 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences **Russia and the Arctic** Geir Hønneland,2020-01-09 The world is currently witnessing an Arctic Scramble as the major powers compete to demarcate and occupy Arctic territory The region is known to be home to large gas and oil reserves and its position at the top of the globe holds significant trading and military advantages Yet the territorial boundaries of the region remain ill defined and

Russia under the increasingly bold foreign policy of Vladimir Putin has emerged as a forceful power in the region Geir H nneland investigates the political contexts and international tensions surrounding Russia s actions focusing especially on the disputes which have emerged in the Barents Sea where European and Russian interests compete directly Skillfully delineating Russian policy in the region and analyzing the mineral and environmental consequences of the recent treaty agreements Russia and the Arctic is a crucial addition to our understanding of contemporary International Relations concerning the Polar North This new updated edition takes into account Russia s recent moves in the Arctic region and the development of the Arctic council

After Communism Donald R. Kelley,2003-01-01 In this collection top scholars of Soviet and post Soviet studies convene to explore communism s aftermath They consider state building and consitutionalism the transition to market capitalism and democracy across Eastern Europe the political development of Muslim states the complex and differential developments of electoral systems the risks and opportunities of nationalism and new political and economic activities in Russia from corruption to contracts Editor Donald Kelley introduces the volume with a synthesis of the theoretical and empirical findings of the volume and his brief chapter introductions place each contribution in relation to the other essays and to larger debates on democratization

Myth Making in the Soviet Union and Modern Russia Vicky Davis,2017-11-30 The 1943 battle to free the Soviet Black Sea port of Novorossiisk from German occupation was fought from the beach head of Malaia zemlia where the young Colonel Leonid Brezhnev saw action Despite widespread scepticism of the state s appropriation and inflation of this historical event the heroes of the campaign are still commemorated in Novorossiisk today by an amalgam of memoir monuments and ritual Through the prism of this provincial Russian town Vicky Davis sheds light on the character of Brezhnev as perceived by his people and on the process of memory for the ordinary Russian citizen Davis analyses the construction and propagation of the local war myth to link the individual citizens of Novorossiisk with evolving state policy since World War II and examines the resultant social and political connotations Her compelling new interdisciplinary evidence reveals the complexity of myth and memory challenging existing assumptions to show that there is still scope for the local community and even the individual in memory construction in an authoritarian environment This book represents a much needed departure from the study of myth and memory in larger cities of the former Soviet Union adding nuance to the existing portrait of Brezhnev and demonstrating the continued importance of war memory in Russia today

The SAGE Handbook of Nations and Nationalism Gerard Delanty,Krishan Kumar,2006-06-29 The SAGE Handbook of Nations and Nationalism gives readers a critical survey of the latest theories and debates Its three sections guide the reader through the theoretical approaches to this field of study its major themes from modernity to memory migration and genocide and the diversity of nationalisms found around the globe
