**United States**

## National Stage:

*The National Stage* Loren Kruger, 1992-08 The idea of staging a nation dates from the Enlightenment but the full force of the idea emerges only with the rise of mass politics Comparing English French and American attempts to establish national theatres at moments of political crisis from the challenge of socialism in late nineteenth century Europe to the struggle to salvage democracy in Depression America Kruger poses a fundamental question in the formation of nationhood is the citizen audience spectator or participant The National Stage answers this question by tracing the relation between theatre institution and public sphere in the discourses of national identity in Britain France and the United States Exploring the boundaries between history and theory text and performance this book speaks to theatre and social historians as well as those interested in the theoretical range of cultural studies United States Code United States, 1995 **Official Gazette**
