

Canadian Nationalism

(A policy of compromise)

- Laurier's government adopts a policy of compromise: Canadians should focus on what they have in common and favor Canadian autonomy.
- He wants to promote autonomy, while maintaining Canada's ties to Britain.
- In order to allow Canada to defend its military interests and the interests of the British Empire, Laurier proposes the creation of the Canadian Navy. This upset both the imperialists and the French-Canadian Nationalists.

Nationalism in Canada Or Portnoy's Complaint Revisited Ramsay Cook,197? **Canadian Content** Ryan Edwardson,2008-01-01 Canadian Content looks at Canada as an ongoing postcolonial process of not one but a series of radically different nationhoods each with its own valued but tentative set of cultural criteria for orchestrating and implementing a Canadian national experience **Canadian Review of Studies in Nationalism** ,1974 Nationalism and National Ideologies in Canada and Quebec Ronald D. Lambert,1975 American National Security and Economic Relations with Canada, 1945-1954 Lawrence R. Aronsen,1997-08-30 Aronsen draws on recently declassified documents in Ottawa and Washington to provide a reassessment of Canada's special relationship with the U S Toward this end detailed new information is provided about Canada's contribution to the creation of the postwar economic order from the Bretton Woods Agreement to GATT Canada's cooperation was rewarded by special economic concessions including the extension of the Hyde Park agreement in 1945 the inclusion of the off shore purchases clause to the Marshall Plan and Article II of the NATO Treaty After the outbreak of the Korean War Canada's resources played a crucial role in the production of weapons systems for the new air atomic strategic doctrine Several policies were adopted to facilitate the expansion of Canadian defense production notably the relaxation of regulations on technology transfer the encouragement of private sector investment and the negotiation of long term contracts at above market prices In the midst of these unprecedented peacetime developments Time Magazine observed that Canada had become America's Indispensable Ally **Contours of Canadian Thought** A.B. McKillop,1987-12-15 The leaps of knowledge in nineteenth century science shook the foundations of religious and humanistic values throughout much of the world The Darwinian Revolution and similar developments presented enormous philosophical challenges to Canadian scientists philosophers and men of letters Their responses many and varied form a central theme in this collection of essays by one of Canada's leading intellectual historians McKillop explores the thought of a number of English Canadian thinkers from the 1860s to the 1920s decades that saw Canada's entry into the modern age We meet Daniel Wilson an educator and ethnologist for whom the pursuit of science was a form of poetic engagement requiring the poet's sensibilities John Watson one of the world's leading exponents of objective idealism whose philosophical premises helped to undermine the very religious tradition he sought to bolster and William Dawson LeSueur an apostle of Positivism whose spirited defence of critical inquiry and evolutionary social ethics led him towards an entirely contradictory position In addition to profiles of individuals McKillop considers the ways in which their ideas operated in the context of Canadian institutions including the universities and the press From these perspectives emerges a detailed analysis of the life of the mind of English Canada in an age of questioning of doubt and of struggle to reorient the intellectual and philosophical positions of a quickly changing society *Beyond Quebec* Kenneth McRoberts,1995 What kind of a country is Canada beyond Quebec With a referendum on Quebec sovereignty looming on the horizon this is a question Canadians are being

forced to ask In Beyond Quebec scholars from a wide variety of disciplines examine the current political cultural economic and social situation of Canada outside Quebec and speculate on the nature of a Canada that does not include Quebec on the present terms

The Diplomacy of Trade and Investment David M. Pletcher,1998 Based on a thorough examination of government documents congressional debates and reports private papers of government and business leaders and newspapers David M Pletcher begins this monumental study with a comprehensive survey of U S trade following the Civil War He goes on to outline the problems of building a coherent trade policy toward Canada Mexico Central America the Caribbean and South America The study concludes by analyzing a series of abortive trade reform efforts and examining the effects of the Spanish American War Pletcher rejects the long held belief that American business and government engaged in a deliberate consistent drive for economic hegemony in the hemisphere during the late 1800s Instead he finds that the American government improvised and experimented with ways to further trade expansion
