## **Nationalism Politics Of Culture In Quebec:**

**Nationalism and the Politics of Culture in Quebec** Richard Handler, 1988 Richard Handler's pathbreaking study of nationalistic politics in Quebec is a striking and successful example of the new experimental type of ethnography interdisciplinary in nature and intensively concerned with rhetoric and not only of anthropologists but also of scholars in a wide range of fields and it is likely to stir sharp controversy Bringing together methodologies of history sociology political science and philosophy as well as anthropology Handler centers on the period 1976-1984 during which the independantiste Parti Qu b ois was in control of the provincial government and nationalistic sentiment was especially strong Handler draws on historical and archival research and on interviews with Quebec and Canadian government officials as he addresses the central question Given the similarities between the epistemologies of both anthropology and nationalist ideology how can one write an ethnography of nationalism that does not simply reproduce and thereby endorse nationalistic beliefs Handler analyzes various responses to the nationalist vision of a threatened existence He examines cultural tourism ideology of the Quebec government legislations concerning historical preservation language legislation and policies towards immigrants and cultural minorities He concludes with a thoughtful meditation on the futility of nationalisms

**Nationalist Politics and Everyday Ethnicity in a Transylvanian Town** Rogers Brubaker, Margit Feischmidt, Jon Fox, Liana Grancea, 2018-06-05 Situated on the geographic margins of two nations yet imagined as central to each Transylvania has long been a site of nationalist struggles Since the fall of communism these struggles have been particularly intense in Cluj Transylvania's cultural and political center Yet heated nationalist rhetoric has evoked only muted popular response The citizens of Cluj the Romanian speaking majority and the Hungarian speaking minority have been largely indifferent to the nationalist claims made in their names Based on seven years of field research this book examines not only the sharply polarized fields of nationalist politics in Cluj Transylvania and the wider region but also the more fluid terrain on which ethnicity and nationhood are experienced enacted and understood in everyday life In doing so the book addresses fundamental questions about ethnicity where it is when it matters and how it works Bridging conventional divisions of academic labor Rogers Brubaker and his collaborators employ perspectives seldom found together historical and ethnographic institutional and interactional political and experiential Further developing the argument of Brubaker's groundbreaking *Ethnicity without Groups* the book demonstrates that it is ultimately in and through everyday experience as much as in political contestation or cultural articulation that ethnicity and nationhood are produced and reproduced as basic categories of social and political life

**The Politics of Locality** Hsin-Yi Lu, 2002-08-30 During the mid 1990s Taiwan witnessed a remarkable proliferation of historical writings and cultural movements pertaining to the local Place difang and community shequ became two ubiquitous terms in the lexicon of being Taiwanese This book is a critical examination of the socio historical condition in which the discourse of local diversity emerged and gradually permeated Taiwan's public culture Interweaving ethnographic sensibility

and theoretical insights across disciplines including anthropology cultural studies and cultural geography the study elucidates the complex relationships between localism nationalism and globalism Not only is it a rare type of ethnography in Taiwan studies this book also enriches our understanding of the increasingly significant field of East Asia post modernity

**Contemporary Quebec** Michael D. Behiels, Matthew Hayday, 2011-11-30 In the last seventy years Quebec has changed from a society dominated by the social edicts of the Catholic Church and the economic interests of anglophone business leaders to a more secular culture that frequently elects separatist political parties and has developed the most comprehensive welfare state in North America In Contemporary Quebec leading scholars raise provocative questions about the ways in which Quebec has been transformed since the Second World War and offer competing interpretations of the reasons for the province's quiet and radical revolutions

**Constitutionalism and the Politics of Accommodation in Multinational Democracies** Jaime Llach, 2014-09-25 This collection argues that although constitutionalism has traditionally been the primary mechanism for facilitating the mutual accommodation of sub state and state national societies in plurinational states

Mapping the Nation Gopal Balakrishnan, 2012-11-13 In nearly two decades since Samuel P Huntingdon proposed his influential and troubling clash of civilizations thesis nationalism has only continued to puzzle and frustrate commentators policy analysts and political theorists No consensus exists concerning its identity genesis or future Are we reverting to the petty nationalisms of the nineteenth century or evolving into a globalized supranational world Has the nation state outlived its usefulness and exhausted its progressive and emancipatory role Opening with powerful statements by Lord Acton and Otto Bauer the classic liberal and socialist positions Mapping the Nation presents a wealth of thought on this issue the debate between Ernest Gellner and Miroslav Hroch Gopal Balakrishnan's critique of Benedict Anderson's seminal Imagined Communities Partha Chatterjee on the limitations of the Enlightenment approach to nationhood and contributions from Michael Mann Eric Hobsbawm Tom Nairn and Jürgen Habermas

*Dance and Authenticity in Israel and Palestine* Elke Kaschl, 2003-01-01 Dance and Authenticity is an ethnography of dance performance and cultural form It describes how dabkeh a type of dance performed at Palestinian weddings became a model for the Israeli Jewish debkha as a means of affirming Israeli Jewish belonging and common society The Palestinian dabkeh in turn acquired nationalist meanings especially after the 1967 war and the occupation of the West Bank The book traces the history of these competing and conflicting dance forms basing the argument principally on the ethnographic study of two Palestinian and one Israeli Jewish dance group conducted between 1998 and 1999 The result is a fascinating parallel ethnography showing how the ethnography of dance forms contributes to evolving notions of collective national and political identity in a context of unequal power

**National Identity and the Conflict at Oka** Amelia Kalant, 2004-06 Through readings of literature canonical history texts studies of museum displays and media analysis this work explores the historical formation of myths of Canadian national identity and then how these myths were challenged and affirmed during the 1990 standoff at Oka It draws upon

The Politics of Multinational States Don MacIver, 2016-07-27 The events of recent years have demonstrated beyond doubt not only that ethnic pluralism presents major problems for the management of political systems but that it is also a major cause of their failure and disintegration This timely and topical book discusses the general issue of ethnic pluralism and considers a range of types of multi ethnic society within a common analytical framework It then examines the responses of governments to the problems of ethnic diversity and assesses the effects of ethnic conflict on the development and viability of states

**Quebec** Leon Dion, 1976-01-01

**The Politics of Language : Conflict, Identity, and Cultural Pluralism in Comparative Perspective** Carol L. Schmid Professor of Sociology Guilford Technical Community College, 2001-04-03 Important aspects of the history of language in the United States remain shrouded in myth and legend The notion of one nation one language is part of the idealized history of the United States although in its short history it has probably been host to more bilingual people than any other country in the world Language is more than a means of communication It brings into play an entire range of experiences and attitudes toward life Furthermore language is a potent symbolic issue because it links power and political claims of ownership with psychological demands for group worth How people belonging to different language and cultural communities live together in the same political community and how political and structural tensions arise to divide them along language lines are questions addressed in The Politics of Language This book analyzes the historical background and recent controversy over language in the United States and compares it to two official multilingual societies Canada and Switzerland It s accessibility as a survey of this topic makes it ideal for courses in linguistics political science and sociology

**Switchbacks** Jennifer Kramer, 2011-11-01 Switchbacks explores how the Nuxalk of Bella Coola British Columbia negotiate such complex questions as Who owns culture How should culture be transmitted to future generations Where does selling and buying Nuxalk art fit into attempts to regain control of heritage To answer these questions Jennifer Kramer undertook participant observation at Nuxalk artists studios in the Nuxalk run band school s cultural education classes and during the everyday activities of Nuxalk in their homes She charts the fluid character of tangible material culture such as masks and other regalia and intangible material culture such as songs and dances as they moved in and out of the cultural education curriculum the Western art market and the Western legal system In addition Kramer analyzes the ambivalent reactions of the Nuxalk to ownership appropriation and repatriation of Nuxalk culture The Nuxalk oscillate between essential stances a process Kramer likens to switchbacks on a mountain road

Through these recurrent movements they create recreate and validate contemporary Nuxalk identity Kramer demonstrates that loss of cultural objects proves that Nuxalk culture is valuable through external affirmation In this way the Nuxalk use their cultural patrimony to assert their collective national identity At stake are not only definitions of alienable and inalienable property but also a unified national identity that affords the Nuxalk a strong position from whence to reclaim traditional territory and regain self determination in British Columbia Switchbacks will appeal to scholars and students interested in questions of cultural ownership and identity in general and in Nuxalk culture in particular
