Nationalist Era In China 1927 1949:

The Nationalist Era in China, 1927-1949 Lloyd E. Eastman, 1991-08-30 In recent years historians of China have focused increased attention on the critical decades of National rule on the mainland This recent scholarship has substantially modified our understanding of the political events of this momentous period shedding light on the character of Nationalist rule and on the sources of the Communist victory in 1949 Yet no existing textbook on modern China presents the events of the period according to these new findings The five essays in this volume were written by leading authorities on the period and they synthesize the new research Drawn from Volume 13 of *The Cambridge History of China* they represent the most complete and stimulating political history of the period available in the literature The essays selected deal with Nationalist rule during the Nanking decade the Communist movement from 1927 to 1937 Nationalist rule during the Sino Japanese War the Communist movement during the Sino Japanese war and the Kuomintang Communist struggle from 1945 to 1949

Historical Dictionary of the Chinese Civil War Christopher R. Lew, Edwin Pak-wah Leung, 2013-07-29 The Chinese Civil War which lasted several years or several decades depending on how you define it was one of the most momentous wars of the 20th century for it determined the fate of the world's most populous country and was bitterly fought with millions of combatants involved and hundreds of millions of civilians affected More to the point it was won by the Chinese Communist Party under Mao Zedong who imposed Communist rule while the Nationalists retreated to Taiwan It also heated up the Cold War for quite some time as the Communists were supported by the Soviet Union and the Nationalists by the United States This second edition of the *Historical Dictionary of the Chinese Civil War* studies the longer broader war and its chronology carefully tracks the major events The introduction then provides a broad overview describing the contending forces and showing how the Communists come out on top The details and these are crucial are laid out in over 200 cross referenced dictionary entries dealing with the opposing forces and parties the major campaigns and battles the Long March and of course the leadership on both sides This book one of few such in English provides a very solid basis for study but that can be accomplished more effectively by consulting the titles listed in an extensive bibliography

Wu Han, Historian Mary G. Mazur, 1955-01-01 This biography spotlights the life of a key Chinese intellectual Wu Han well known in China as a major twentieth century historian and democratic political figure World attention was drawn to Wu in the mid 1960s as the first of Mao Zedong's targets in the Cultural Revolution The biography locates Wu in the rapid changes in the social and political environment of his times from the early years of the twentieth century until his death in prison in 1969 With Wu Han's life as the focus the narrative deals with the momentous changes in Chinese society and government during the last century Mazur bases the biographical account on extensive interviewing in China and penetrates a great deal deeper than the conventional conception of the shift from Nationalist to Communist regimes in the PRC The complex life of Wu Han is of interest to specialist and non specialist readers alike both because of the broad relevance of the historical and political issues he and

those around him confronted in the context of the times in China and because of the direct narrative biographical style revealing the conflicts and depth in the human situation Mazur relates Wu Han's life to the momentous changes and conflicts surging through Chinese society with special emphasis on the complex role intellectuals have played during the course of change

Reconfiguring Chinese Nationalism J. Leibold, 2016-09-23 The first full length treatment of ethnic and national identity in early Twentieth century China Leibold traces the political and cultural strategies employed by Han Chinese elites in the process of incorporating both discursively and physically the diverse inhabitants of the last Qing dynasty into a new homogenous national community

Modern China Ke-wen Wang, CRSN Staff, 1997-11-10 Charts Western influence and national development Beginning with the mid 19th century when China encountered the West and began to enter the modern age this encyclopedia offers an overview of the world's largest and most populous nation The coverage includes not only major political topics but also surveys the arts business literature education journalism and all other major aspects of the nation's social cultural and economic life The encyclopedia also offers significant material on such often neglected subjects as women and minorities modern drama Sino French War the federalist movement overseas Chinese Mongolian independence and more Special emphasis throughout is on the dramatic changes that have taken place in the country since the end of World War II Provides an overview of the modern era The entries are written by China specialists who are thoroughly familiar with every aspect of the nation and its peoples While history predominates the articles cover all academic fields and include considerable material on recent decades as well as on earlier periods There are entries on national political leaders and key thinkers major events and trends in the nation's history institutions organizations and currents of thought that led to the emergence of the modern nation The encyclopedia's longer essays offer detailed and insightful surveys of censorship important eras literary movements powerful social groups anti imperialism campaigns Five Year Plans the Sino Vietnamese War economic breakthroughs and other vital topics The coverage is informed by a thorough exploration of the historical role of Chinese nationalism a potent force that was shaped by the need to retain national unity and independence under foreign assault

Accidental State Hsiao-ting Lin, 2016-03-14 Defeated by Mao Zedong Chiang Kai shek's Nationalists fled to Taiwan to establish a rival state thereby creating the Two Chinas dilemma that vexes international diplomacy to this day Hsiao ting Lin challenges this conventional narrative showing the many ways the ad hoc creation of this not fully sovereign state was accidental and serendipitous

Age of Exploration Elisabeth Kaske, Elisabeth Köll, 2024-08-19 In the early twentieth century Chinese intellectuals came to realize that Westerners surpassed them not only in knowledge of the world but also in knowledge of China itself A rising generation of Chinese scientists engineers and administrators was eager to address this state of affairs and began to retrace the footsteps of Western explorers who had crisscrossed China during the preceding century The nine case studies assembled in this book show how a new cohort of professional Chinese explorers traveled studied appropriated and reshaped national space from the 1920s to the 1950s In

some instances the explorers drew directly from the fieldwork practices of their Western predecessors In others they trained compilers to collect and systematize local knowledge that could be passed up the administrative hierarchy to government and national institutions Their projects helped to claim natural resources prepare for infrastructural development and create new institutionalized knowledge and public engagement with textual representations of China s geobody This book elucidates the ways in which knowledge production in early twentieth century China centered on space and contributed to China s transformation into a modern nation state

Developing Mission Joseph W. Ho,2022-01-15 In *Developing Mission* Joseph W Ho offers a transnational cultural history of US and Chinese communities framed by missionary lenses through time and space tracing the lives and afterlives of images cameras and visual imaginations from before the Second Sino Japanese War through the first years of the People s Republic of China When American Protestant and Catholic missionaries entered interwar China they did so with cameras in hand Missions principally aimed at the conversion of souls and the modernization of East Asia became by virtue of the still and moving images recorded quasi anthropological ventures that shaped popular understandings of and formal foreign policy toward China Portable photographic technologies changed the very nature of missionary experience while images that missionaries circulated between China and the United States affected cross cultural encounters in times of peace and war Ho illuminates the centrality of visual practices in the American missionary enterprise in modern China even as intersecting modernities and changing Sino US relations radically transformed lives behind and in front of those lenses In doing so *Developing Mission* reconstructs the almost lost histories of transnational image makers subjects and viewers across twentieth century China and the United States

Saving the Nation Margherita Zanasi,2010-02-15 Economic modernity is so closely associated with nationhood that it is impossible to imagine a modern state without an equally modern economy Even so most people would have difficulty defining a modern economy and its connection to nationhood In *Saving the Nation* Margherita Zanasi explores this connection by examining the first nation building attempt in China after the fall of the empire in 1911 Challenging the assumption that nations are products of technological and socioeconomic forces Zanasi argues that it was notions of what constituted a modern nation that led the Nationalist nation builders to shape China s institutions and economy In their reform effort they confronted several questions What characterized a modern economy What role would a modern economy play in the overall nation building effort And how could China pursue economic modernization while maintaining its distinctive identity Zanasi expertly shows how these questions were negotiated and contested within the Nationalist Party Silenced in the Mao years these dilemmas are reemerging today as a new leadership once again redefines the economic foundation of the nation

World War II Spencer C. Tucker,2016-09-06 With more than 1 700 cross referenced entries covering every aspect of World War II the events and developments of the era and myriad related subjects as well as a documents volume this is the most comprehensive reference work available on the war This encyclopedia represents a single source of authoritative information on World War II that

provides accessible coverage of the causes course and consequences of the war Its introductory overview essays and cross referenced A Z entries explain how various sources of friction culminated in a second worldwide conflict document the events of the war and why individual battles were won and lost and identify numerous ways the war has permanently changed the world The coverage addresses the individuals campaigns battles key weapons systems strategic decisions and technological developments of the conflict as well as the diplomatic economic and cultural aspects of World War II The five volume set provides comprehensive information that gives readers insight into the reasons for the war s direction and outcome Readers will understand the motivations behind Japan s decision to attack the United States appreciate how the concentration of German military resources on the Eastern Front affected the war s outcome understand the major strategic decisions of the war and the factors behind them grasp how the Second Sino Japanese War contributed to the start of World War II and see the direct impact of new military technology on the outcomes of the battles during the conflict The lengthy documents volume represents a valuable repository of additional information for student research

The Lost Chance in China and the Rise of Cold War Populism Stephen J. Hartnett, 2025-10-01 The Lost Chance in China and the Rise of Cold War Populism offers a rollicking retelling of the fate of America s diplomats stationed in China during World War II and the start of the Chinese Civil War documenting how their efforts to find peace in China clashed with the anti Communist network of right wing advocates known as the China Lobby Fueled by America s end of the war fury over the loss of China to Mao and the Communists the on the ground experts in Asia lost the public relations battle to Cold War populists who pushed a toxic version of public anger that built the rhetorical foundation of McCarthyism Hartnett diagnoses the moment s political battles by mapping a series of interlocking dispositions emotion based reactions that short circuited critical thinking and empathy instead feeding strident anti Communism xenophobia and class based resentments Hartnett s masterwork offers a haunting prehistory to our contemporary moment when populism again stokes outrage and fear at the cost of nuanced international understanding

Image, Perception, and the Making of U.S.-China Relations Hongshan Li, Zhaohui Hong, 1998 Image Perception and the Making of U S China Relations examines major events in the history of the relationship between the U S and China to show the development and effects of national images and perceptions These essays expose the effects of ideology as represented through foreign policy and the actions of leaders as well as the role of the media and governments in shaping public opinion and attitudes They show the evolution of the influential forces from the nineteenth century through the twentieth century In each country a small group of people has always controlled these forces by manipulating the power of the media and governments The nature of this situation changed national perceptions as power often moved from one small group to another As a result of manipulating the images and perceptions of each country these biased and untrue views have inevitably led to conflict between the two countries

Building Local States Elizabeth Remick, 2020-03-17 This book examines two eras of Chinese history that have commonly been viewed as periods of state disintegration or retreat And they

were at the central level When re examined at the local level however both are revealed as periods of state building In both the Nanjing decade of Guomindang rule 1927 1937 and the early post Mao reform era 1980 1992 both national and local factors shaped local state building and created variations in local state structures and practices This book focuses on one key area of the state taxation and public finance to trace the processes of local state building in these two eras Using the records of local tax and finance offices in the Tianjin area and in Guangdong province the author maps the process by which these county level offices grew This book highlights variation in local state structures and practices between localities and between the central and local governments As the author shows this variation is important because it results in regional differences in state society relations and affects central state capacity in terms of the local state s ability to implement central state policies as well as its own

The Roots and Consequences of 20th-Century Warfare Spencer C. Tucker, 2016-09-06 This unique reference book introduces readers to the causes and effects of the 20th century s most significant conflicts and explains how the impact of these conflicts still resonates today The Roots and Consequences of 20th Century Warfare Conflicts That Shaped the Modern World introduces students to the causes and effects of the 20th century s most significant conflicts Covering conflicts that occurred in all regions of the world readers will gain knowledge on the causes and consequences of each conflict and become familiar with the historical context needed to understand the roots and consequences of these seminal events The text also identifies key opponents in each conflict and illuminates the reasons why each country or group decided to fight the scope of their involvement in the war and the impact of the war Reference entries on key battles are presented in chronological order supplying engaging details on the events and people who shaped each war The book also supplies maps of the key battles to illuminate the strategic movements of both sides of the conflict A lengthy bibliography offers a wealth of options to readers seeking more sources of information on any of the conflicts

Encyclopedia of Chinese-American Relations Yuwu Song, 2016-03-18 Since 1784 when the American ship Empress of China arrived in Guangzhou Chinese American relations have experienced advances and setbacks As the Chinese economy rapidly expands China assumes a more dominant position in world politics and continued fruitful relations with the United States are a primary concern for both nations in the twenty first century This encyclopedia contains more than 400 descriptive entries of important events issues personalities controversies treaties agreements organizations and alliances in the history of Sino American relations from Chinese and American perspectives Also included are maps a chronology a list of acronyms and three appendices American chiefs on missions to China Chinese chiefs on missions to the United States and the correspondence of Wade Giles to Pinyin

The Cold War Spencer C. Tucker, 2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world

today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material

Mission to Mao Sara B. Castro, 2024 In the midst of World War II the United States sent a liaison mission to the headquarters of Chinese Communist forces behind the lines in Yan an China Nicknamed the Dixie Mission for its location in rebel territory it was an interagency delegation that included intelligence officers from the Office of Strategic Services OSS The intelligence officers were there to gather intelligence that would help the war effort against Japan but interagency and political conflicts erupted over whether or not the mission would expand beyond intelligence collection to operations with the Communists Mission to Mao is a social history of the OSS officers in the field and their clash with political appointees and Washington over the direction of the US relationship with the Chinese Communists The book reveals the attempts of America s inexperienced intelligence officers to improvise operations and to try to define a role for themselves The book takes us beyond the history of China hands versus American anticommunists who backed Chinese Nationalist Chiang Kai shek introducing more nuance Sara B Castro shows how potential benefits for the war effort were thwarted by politicization but she also shows how the OSS officers overreached their authority and suffered from their own biases and blindspots The book draws upon over 14 000 unpublished records from five archives plus numerous published white papers memoirs and scholarly studies to with a focus on the individual American intelligence officers who spent time in Yan an working with Communist leaders

China at War Hans van de Ven, 2017-08-24 China s War of Resistance against Japan as WWII is known in China was never about the defeat of Japan alone China was also at war with itself Between 1937 and 1949 a vicious revolutionary war between Nationalists and Communists divided by radically different views about China s future ravaged the country killing millions and laying waste to cities and the countryside The outcomes of these wars have shaped the country and the world since China at War focuses on this period examining the complex truth behind the propaganda of both East and West Cambridge professor Hans van de Ven shows how the results of the fighting ended European imperialism in East Asia restored China to its traditional position of regional centrality and gave the USA a decisive role in East Asian politics In the process he argues it also triggered profound changes in warfare as important as the development of atomic weapons and gave the countryside a new social political and military significance Through fascinating

personal accounts and extensive scholarship China at War casts new light on this crucial period of history and harnesses contemporary art culture and ideology to illuminate world changing events **Shanghai Filmmaking** HUANG

Xuelel,2014-09-03 In Shanghai Filmmaking Huang Xuelel invites readers to go on an intimate detailed behind the scenes tour of the world of early Chinese cinema She paints a nuanced picture of the Mingxing Motion Picture Company the leading Chinese film studio in the 1920s and 1930s and argues that Shanghai filmmaking involved a series of border crossing practices Shanghai filmmaking developed in a matrix of global cultural production and distribution and interacted closely with print culture and theatre People from allegedly antagonistic political groupings worked closely with each other to bring a new form of visual culture and a new body of knowledge to an audience in and outside China By exploring various border crossings this book sheds new light on the power of popular cultural production during China s modern transformation

Tibet and Nationalist China's Frontier Hsiao-ting Lin,2011-01-01 In this ground breaking study Hsiao Ting Lin demonstrates that the Chinese frontier was the subject neither of concerted aggression on the part of a centralized and indoctrinated Chinese government nor of an ideologically driven nationalist ethnopolitics Instead Nationalist sovereignty over Tibet and other border regions was the result of rhetorical grandstanding by Chiang Kai shek and his regime Tibet and Nationalist China s Frontier is invaluable for an understanding of past and present China Tibet relations Tibet and Nationalist China s Frontier makes a crucial contribution to the understanding of past and present China Tibet relations A counterpoint to erroneous historical assumptions this book will change the way Tibetologists and modern Chinese historians frame future studies of the region

Nationalist Era In China 1927 1949 Introduction

In today's digital age, the availability of Nationalist Era In China 1927 1949 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nationalist Era In China 1927 1949 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nationalist Era In China 1927 1949 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nationalist Era In China 1927 1949 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nationalist Era In China 1927 1949 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nationalist Era In China 1927 1949 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nationalist Era In China 1927 1949 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary

titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nationalist Era In China 1927 1949 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nationalist Era In China 1927 1949 books and manuals for download and embark on your journey of knowledge?
