Native Place Names In New York City:

Aboriginal Place Names of New York William Martin Beauchamp, 1907 **Manhattan to Minisink** Robert S. Grumet, 2013-06-26 Drivers exiting the New Jersey Turnpike for Perth Amboy and map readers marveling at all the places in Pennsylvania named Lackawanna need no longer wonder how these names originated Manhattan to Minisink provides the histories of more than five hundred place names in the Greater New York area including the five boroughs western Long Island the New York counties north of the city and parts of New Jersey Pennsylvania and Connecticut Robert S Grumet a leading ethnohistorian specializing in the region's Indian peoples draws on his meticulous research and deep knowledge to determine the origins of Native and Native sounding place names Grumet divides his encyclopedic entries into two parts The first comprises an alphabetical listing of nearly 340 Indian place names preserved in colonial records located by county and state Each entry includes the name's language of origin if known and a brief discussion of its etymology including its earliest known occurrence in written records the history of its appearance on maps and the name's current status The book's second section presents nearly 200 place names that though widely believed to be of Indian origin are imports inventions invocations or impostors Mistranslations are abundant in place names and Grumet has ferreted out the mistakes and deceptions among home grown colonial etymologies that New Yorkers have accepted for centuries Complete with a concise history of Greater New York a discussion of the region's naming practices a useful timeline and four maps this is an invaluable resource both for scholars and for readers who want a more intimate knowledge of the place where they live or visit *Native American Place Names in New York City* Robert Steven Grumet, 1981-01-01 *Native New Yorkers* Evan T. Pritchard, 2019-11-05 To be stewards of the earth not owners this was the way of the Lenape Considering themselves sacred land keepers they walked gently they preserved the world they inhabited Drawing on a wide range of historical sources interviews with living Algonquin elders and first hand explorations of the ancient trails burial grounds and sacred sites Native New Yorkers offers a rare glimpse into the civilization that served as the blueprint for modern New York A fascinating history supplemented with maps timelines and a glossary of Algonquin words this book is an important and timely celebration of a forgotten people

The Origin of Certain Place Names in the United States Henry Gannett, 1902 **Indian Placenames in America** Sandy Nestor, 2015-05-07 The American Indians have lost much of their land over the years but their legacy is evident in the many places around the United States that have Indian names Countless placenames have however been corrupted over time and numerous placenames have similar spellings but different meanings This reference work is a reprint in one combined volume of the two volume set published by McFarland in 2003 and 2005 Volume One covers the name origins and histories of cities towns and villages in the United States that have Indian names It is arranged alphabetically by state then alphabetically by city town or village name Additional data include population figures and county names Probable Indian placenames with no certain origin also receive entries and as much history as possible is provided about those locations Volume Two covers more

than 1400 rivers lakes mountains and other natural features in the United States with Indian names It is arranged by state and then alphabetically by natural feature Counties are provided for most entries with multiple counties listed for some entries where appropriate In addition to name origins and meanings geophysical data such as the heights of mountains and lengths of waterways are indicated *The Origin of Certain Place Names in the United States* Henry Gannett,1973

Indian Place Names in Vermont John Charles Huden,1957 *Encyclopedia of Place Names in the United States* Henry Gannett,2017-08-24 Place names in the United States are often taken from the European nation that first colonized the land Many names that have been transferred from Britain as is the case with Barnstable Massachusetts and Danbury Connecticut Many others are of French origin such as Detroit Michigan which was established along the banks of the river they called le d troit du lac ri meaning the strait of Lake Erie Many in the former New Netherland colony are of Dutch origin such as Harlem Brooklyn and Rhode Island Many place names are taken from the languages of native peoples Specific personal or animal names and general words or phrases are used sometimes translated and sometimes not However complicated the tracing back of the place names was this encyclopedia lists thousands and thousands of place names in the United States of America and provides valuable information as to the origin and the history of the name A fantastic reference work for everyone interested in American history **Native American Placenames of the United States** William Bright,2004 This volume combines historical research and linguistic fieldwork with native speakers from across the United States to present the first comprehensive up to date scholarly dictionary of American placenames derived from native languages Linguist William Bright assembled a team of twelve editorial consultants experts in Native American languages and many other native contributors to prepare this lexicon of eleven thousand placenames along with their etymologies New data from leading scholars make this volume an invaluable reference for students of American Indian culture folklore and local histories Bright s introduction explains his methodology and the contents of each entry This comprehensive alphabetical lexicon preserves native language as it details the history and culture found in American indian placenames *Washington State Place Names* Doug Brokenshire,1993 *Select List of Works Relating to City Planning and Allied Subjects* New York Public Library,1913

The American Language Henry Louis Mencken,1923 *Bulletin of the United States Geological Survey* ,1902 *Documents of the Assembly of the State of New York* New York (State). Legislature. Assembly,1908 **On Zion's Mount** Jared Farmer,2010-04-10 Shrouded in the lore of legendary Indians Mt Timpanogos beckons the urban populace of Utah And yet no Indian legend graced the mount until Mormon settlers conjured it once they had displaced the local Indians the Utes from their actual landmark Utah Lake On Zion s Mount tells the story of this curious shift It is a quintessentially American story about the fraught process of making oneself native in a strange land But it is also a complex tale of how cultures confer meaning on the environment how they create homelands Only in Utah did Euro American settlers conceive of having a homeland in the Native American sense an endemic spiritual geography They called it Zion Mormonism a religion

indigenous to the United States originally embraced Indians as Lamanites or spiritual kin On Zion's Mount shows how paradoxically the Mormons created their homeland at the expense of the local Indians and how they expressed their sense of belonging by investing Timpanogos with Indian meaning This same pattern was repeated across the United States Jared Farmer reveals how settlers and their descendants the new natives bestowed Indian place names and recited pseudo Indian legends about those places cultural acts that still affect the way we think about American Indians and American landscapes

New York State Education Department Bulletin ,1907 *Mapping Place Names of India* Anu Kapur,2019-03-01 This book is the first of its kind to chart the terrain of contemporary India's many place names It explores different place connections investigates how places are named and renamed and looks at the forces that are remaking the future place name map of India Lucid and accessible this book explores the bonds between names places and people through a unique amalgamation of toponymy history mythology and political studies within a geographical expression This volume addresses questions on the status and value of place names their interpretation and classification It brings to the fore the connections between place names and the cultural geographical and historical significations they are associated with This will be an essential read for scholars and researchers of geography law politics history and sociology and will also be of interest to policy makers administrators and the common reader interested in India *Bulletin of the New York State Museum* ,1907

The Lincoln Library of Essential Information an Up to Date Manual for Daily Reference, for Self Instruction, and for General Culture Named in Appreciative Remembrance of Abraham Lincoln, the Foremost American Exemplar of Self Education ,1924

Native Place Names In New York City Introduction

In today's digital age, the availability of Native Place Names In New York City books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Native Place Names In New York City books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Native Place Names In New York City books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Native Place Names In New York City versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Native Place Names In New York City books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Native Place Names In New York City books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Native Place Names In New York City books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Native Place Names In New York City books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Native Place Names In New York City books and manuals for download and embark on your journey of knowledge?

FAQs About Native Place Names In New York City Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
