NATO's Theater Nuclear Force Modernization Program Jeffrey Record,1981 *Bulletin of the Atomic Scientists*,1984-03 *Modernizing NATO's Nuclear Weapons* Oliver Ramsbotham,1989-03-03 An examination of the current state of nuclear forces which explores the official defence policies of all 16 NATO countries the rationale behind modernization plans and the opposition to these plans The author establishes principles to guide continuing controversy in this area *Bulletin of the Atomic Scientists*,1984-03 The Nuclear Freeze Debate Paul M Cole,William J Taylor Jr,2019-06-26 From a local ballot initiative in Massachusetts the nuclear weapons freeze movement has grown during the last three years into an important national issue By 1983 Congress had been asked to consider more than two dozen freeze resolutions and more than 25% of the voters in the U S had the opportunity to vote on state wide and regional freeze initiatives This book explores the issues behind the current debate over nuclear weapons and the freeze movement from a wide range of perspectives The contributors assess the goals and implications of the freeze movement examine its origins in religious and secular pacifism explain the amendments to the original freeze proposal introduced in Congress and discuss the reaction and policies of the Reagan administration The nuclear freeze movement is placed in an international context with discussions of recent arms negotiations European views of U S policies and the possible effects of a freeze on NATO allies and on U S national security The book includes a comprehensive annotated bibliography *Securing Europe's Future* Stephen J. Flanagan,Fen Osler Hampson,2021-01-26 This book first published in 1986 analyses a number of emerging enduring and neglected issues that affected European security and the stability of the Atlantic Alliance at the end of the Cold War It provides a comprehensive review of the major political social and economic issues that shaped the course of European security It offers a thorough assessment of such critical questions as European views of the US Strategic Defense Initiative the contribution of new technologies and tactics to NATO s conventional defence capabilities and domestic factors that influenced security policy It also provides original analysis of a number of issues such as economic dimensions of security the quest for a European defence identity and protection of Western interests outside the NATO area It provides a review of the nuclear question and of the German security debate in the aftermath of the initial US INF missile deployments *National Security Affairs Monograph Series*,1976 **Department of Defense Appropriations for Fiscal Year ...** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense,1983 **Department of Defense appropriations for fiscal year 1983** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense,1982 Weapons of Mass Destruction Eric A. Croddy,James J. Wirtz,Jeffrey A. Larsen,2004-12-22 The first accessible reference to cover the history context current issues and key concepts surrounding biological chemical and nuclear weapons A collection of information on everything from aerosols to zones of peace these two volumes cover historical background technology and strategic implications of biological chemical and nuclear weapons thus providing facts terms and

context needed to participate in contemporary policy debate This encyclopedia is the only comprehensive reference dedicated to the three types of weapons of mass destruction With over 500 entries arranged alphabetically volume one covers biological and chemical weapons while volume two focuses on nuclear weapons Experts from eight countries cover issues related to these weapons policies strategies technologies delivery vehicles arms control concepts treaties and key historical figures and locations Entries are written to make difficult concepts easy to understand by cutting through military and scientific jargon Students lay readers scientists and government policy makers are provided with the broad range of information needed to place today's policy discussions in proper strategic or historical context

Continuity and Change in the Eighties and Beyond ,1979 **Department of Defense Appropriations for Fiscal Year 1980** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense,1979 **Department of Defense Appropriations** United States. Congress. Senate. Committee on Appropriations,1979 *Review of Current Military Literature* ,1983 **Professional Journal of the United States Army** ,1983 *Strategic Review* ,1987 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States *Military Review* ,1983 *A Winter of Discontent* David Meyer,1990-06-26 The nuclear freeze movement grew more quickly than even the most optimistic activists thought possible as large numbers of Americans became convinced that there was something wrong with United States defense policy and that they could do something about it This analysis provides the first comprehensive history of the nuclear freeze movement approaching it from three distinct perspectives Changes in the politics and policy of nuclear weapons created an opportunity for a dissident movement Intermediating forces in American politics influenced the situation The efforts of activists and organizations to build a protest movement and their interaction with American political institutions provide the third perspective A Winter of Discontent addresses both the broad spectrum of movement activity and the political context surrounding it The text explores the challenge of the nuclear freeze movement to the content of United States national security policy and the policy making process By analyzing the freeze a theoretical framework for understanding the origins development and potential political influence of other protest movements in the United States can be developed The book also strives to integrate analysis of peace movements into an understanding of the policy context in which they emerge This volume is essential for courses in social movements strategic policy American politics and political sociology Antinuclear freeze activists and students of peace studies will also find this work invaluable **Can America Catch Up?** ,1984 **MX programs** United States.
