Our Fascinating Past S Lindsey Williams, Charlotte Harbor Area Historical Society, (Fla.), 1996 **Our Fascinating Past** Lindsey Williams, U. S. Cleveland, 1993 *Port Charlotte* Roxann Read, 2009-07-20 Large landholders sold property in this unknown paradise to working class people and since the 1950s Port Charlotte has had a colorful history of progress In the 50s General Development Corporation created Port Charlotte by expanding the canals previously dug by John Murdock to drain the swampy land The Mackle Company carved Arthur Frizzell's 80 000 acres into small perfectly rectangular lots for resale to middle class retirees the targets of mass advertising and sales practices that included displaying models of Port Charlotte in department stores throughout Chicago and New York Encouraging retirees to come to Port Charlotte resulted in the area having one of the highest concentrations of residents aged 65 and older in the nation Port Charlotte's boom and bust history is a microcosm of the frenzied social and economic growth that transformed Florida in the second half of the 20th century *Boca Grande* Marilyn Arbor Hoeckel, Theodore B. Van Itallie, 2000 Life on Gasparilla Island once had a very different rhythm With a past intimately tied to Charlotte Harbor and the rich fishing grounds it provided Gasparilla Island was in its early history the site of a small fishing village and a commercial fishery The discovery of phosphate deposits in the region and the introduction of the railroad soon increased the pace of life and a thriving port was built on the island's south end As the twentieth century dawned and the Florida boom loomed on the horizon the town of Boca Grande began to hum with the activity of a rapidly growing population Though much has changed through the years the little fishing village has vanished the estimable Boca Grande Hotel is gone and the once bustling port is now a state park much of the region's unique history continues to inform the modern landscape The venerable lighthouse constructed in 1890 now serves as a museum of local history and the grand Gasparilla Inn still stands firmly upon its original 1911 site Those who now call Boca Grande home cherish it for the same island magic that fishermen and railroad officials recognized long ago its unspoiled natural beauty inviting climate world class fishing and welcoming community **Archaeology of Upper Charlotte Harbor, Florida** George M. Luer, 2002 **Publications. Florida Anthropological Society**, 1999 *Forgotten Heroes* William Wilbanks, 1998 The stories of 117 officers from the years 1840 through 1925 who were killed in the line of duty
