1 Peter Harry Uprichard,2019-12-06 Writing to Christians facing trials and possible persecution Peter begins his letter not with their problems but with the solution

Individually as believers they inherit a triune salvation where God chooses Christ cleanses and the Spirit consecrates Corporately brought from darkness to light Christ as cornerstone both establishes and shapes them Practically amid adversity within society in work and at home Christ's death as atonement saves them and his example motivates them He is also their overseer and shepherd Generally and potentially suffering for righteousness's sake means following Christ's example of nonretaliation setting him apart in their hearts as Lord and living for him at all times like this Even in their fellowships leaders and led must be diligent and humble like Christ the chief shepherd The Christian life is really all about Christ This recalls Peter's word to Jesus at Caesarea Philippi You are the Christ the Son of the living God Matt 16 16 That is what First Peter is essentially about Living for Christ in a suffering world involves believing in Christ's atoning death and following Christ's example whatever the circumstances That done all is done

Catholic Church Dictionary Miller, William, This is a Church Dictionary especially one not as expensive as the more costly works and at the same time something more complete and satisfactory than a mere glossary of terms What seems to be needed is an inexpensive handy volume short enough for busy people plain enough for common people cheap enough for poor people yet complete enough to give the information needed The present work was undertaken with this object in view It was thought worthwhile for if words are things then greater familiarity with the phraseology of the Church will lead to greater knowledge of the things pertaining to the Kingdom of God What is here set forth is really a HANDY BOOK OF READY REFERENCE arranged in alphabetical order and while some of the articles may seem to be too brief yet with the system of cross references adopted it is believed will throw considerable light on subjects where it is employed and thus enables the book to be kept within the limits already specified

Study to Keep Praying Robert Wyeth, 2019-04-08 And there's many examples in the Bible were godly people prayed They lifted themselves to God over family the church the believers and wider still They prayed as if something was going to happen Each one had a prayer Prayer is important because if we don't pray nothing will happen Every soul that comes to Jesus in repentance and faith will be given the Holy Spirit to guide you into the truth He will explain how to pray he will act as your conscience until you pass from this life God expects that studying the Bible goes from God to you You respond to God by praying every day My book is taken from the prayers in the Bible and is a study book You can look through it and add your own prayers The reason is that all of the Bible contain prayers many prayers I think you would do well to study them
