Rain Later Good:

Rain Later, Good Peter Collyer, 2013-09-12 Rain Later Good is the award winning story of Peter Collyer's extraordinary journey around the Shipping Forecast areas and has been a bestseller since first publication. The artist's brilliant and detailed paintings reproduced actual size offer a series of images which help conjure up the most mythical locations whilst his delightful idiosyncratic text provides a wealth of fascinating insights. He introduces us to the people who live and work in these areas and passes on snippets of tantalising information to give a powerful impression of the place and convey a real feeling of being there. The beautiful paintings which come from Peter Collyer's travels truly capture the spirit of these wild and isolated spots. This is a book to be treasured and its reissue will be welcomed by Peter's many admirers. A very remarkable painter. His work is simply stunning with an observed intensity which makes him very special indeed. Chris Beetles in *The Daily Telegraph*. The most delightful and unexpected book I've encountered this year. A wonderful book. John Naughton *The Times*. *Rain Later, Good* Peter Collyer, 2002-07 Forth Tyne Northwesterly Backing Southerly 4 Occasionally 5 in Forth at First Showers Good. The words are evocative. Mention the Shipping Forecast and most people will be able to reel off a short list of sea areas. But the places are real and Peter Collyer's brilliant and detailed paintings reproduced actual size offer a series of images which will bring the sea areas alive. Collyer demystifies the forecast, introduces us to the people who live and work in those areas and captures the spirit of the places featured. A wonderful book to own and enjoy. *Watching the English* Kate Fox, 2014-07-08 Updated with new research and over 100 revisions. Ten years later they're still talking about the weather. Kate Fox, the social anthropologist who put the quirks and hidden conditions of the English under a microscope, is back with more biting insights about the nature of Englishness. This updated and revised edition of *Watching the English*, which over the last decade has become the unofficial guidebook to the English national character, features new and fresh insights on the unwritten rules and foibles of squaddies, bikers, horse riders and more. Fox revisits a strange and fascinating culture governed by complex sets of unspoken rules and bizarre codes of behavior. She demystifies the peculiar cultural rules that baffle us: the rules of weather speak, the ironic gnome rule, the reflex apology rule, the paranoid pantomime rule, class anxiety tests, the roots of English self-mockery and many more. An international bestseller, *Watching the English* is a biting, affectionate, insightful and often hilarious look at the English and their society. *Attention All Shipping* Charlie Connelly, 2011-06-02 The hilarious bestselling travel book that journeys round areas made famous by Radio 4's Shipping Forecast. One of those simple yet brilliant ideas. *Daily Mail*. Engaging and often very funny. *Sunday Times*. A wonderfully eccentric study. *Observer*. The Shipping Forecast is a curious piece of broadcasting at once impenetrably baffling yet at the same time reassuringly familiar. Most of us have grown up with this sonorous gazetteer firmly planted in our subconscious. But where are these places and what secrets do they conceal? Charlie Connelly sets off on a journey round the forecast to find out, unearthing the history and culture behind one of Britain's best-loved broadcasting institutions. More than simply a
