

REBEL VICTORY AT VICKSBURG

BY EDWIN C. BEARDS

Rebel Victory At Vicksburg

William M. Thayer

Rebel Victory At Vicksburg:

Rebel Victory at Vicksburg Edwin C. Bearss, 2018-04-03 Originally published in 1963 Rebel Victory at Vicksburg by renowned American Civil War and World War II historian Edwin C. Bearss details the Confederate victory. Told with great power and imagery, this book will make an invaluable addition to any historian's collection. **Vicksburg** Mary Ann Fraser, 1999-10-15 Describes the events preceding and during the key Civil War battle of Vicksburg, its significance, and its aftermath. **To Succeed or Perish** Lawrence Lee Hewitt, Thomas E. Schott, 2024-01-12 With the Conscription Act of 1862, the Confederacy enacted the first military draft in American history. Rather than face duty with strangers in an uncertain locale, twenty-eight-year-old Edmund Trent Eggleston of Warren County, Mississippi, took advantage of a thirty-day grace period and joined his neighbors in volunteering for duty in Company G of the 1st Mississippi Light Artillery Regiment. Throughout his service, Eggleston kept a detailed account of his daily activities and those of his unit: a diary that remains one of the very few primary sources from a Confederate artilleryman in the West. In *To Succeed or Perish*, editors Lawrence Lee Hewitt, Thomas E. Schott, and Marc Kunis present Eggleston's diaries along with his letters and ledgers to offer a rare personal perspective on life behind the cannons in the Civil War's Western Theater and a fascinating window into the world of the Confederate soldier. Eggleston describes garrison duty near Vicksburg where he enjoyed visits from his wife and children; the battery's first engagement with the enemy at Champion Hill on May 16, 1863; and his service during the 1864 campaigns in Georgia and Tennessee. He offers a significant firsthand account of the Atlanta campaign, including the fighting at Resaca, Cassville, New Hope Church, Kennesaw Mountain, and the Chattahoochee River, as well as the siege of Atlanta. Because of the destruction of Hood's Army, Confederate records of these engagements are extremely rare, and Eggleston's observations are invaluable. In Tennessee, he recounts the action at the Battle of Nashville and the capture of his battery. Featuring an introduction that traces the wartime actions of Company G as well as a complete roster of the men with whom Eggleston served, *To Succeed or Perish* provides an important primary account of artillery service in an underrepresented theater of the Civil War. Lawrence Lee Hewitt is professor of history emeritus at Southeastern Louisiana University. He is the author of *Port Hudson: Confederate Bastion on the Mississippi* and co-editor of six anthologies dealing with America's Civil War. Thomas E. Schott worked as a historian for the Department of Defense. He is the author of *Alexander H. Stephens of Georgia: A Biography*, winner of the Jefferson Davis Award, and co-editor with Lawrence Hewitt of *Lee and His Generals: Essays in Honor of T. Harry Williams*. Marc Kunis is a certified public accountant and the director of accounting at Resolution Productions. *A Youth's History of the Rebellion: From the battle of Murfreesboro' to the massacre at Fort Pillow* William M. Thayer, 1865 *Mountain Rebels* W. Todd Groce, 1999 Recipient of an Award of Distinction from the East Tennessee Historical Society and winner of the Peter Seaborg Award for Civil War Scholarship from Shepherd College, Groce offers a gracefully written, impressively researched narrative account of the experience of East Tennessee Confederates during the

Civil War era His analysis raises provocative questions about the socioeconomic foundations of Civil War sympathies in the Mountain South Robert Tracy McKenzie University of Washington Scholars of Appalachia s Civil War have long awaited Todd Groce s study of East Tennessee secessionists I am pleased to report that this ground breaking study of Southern Mountain Confederates was worth the wait Kenneth Noe State University of West Georgia A bastion of Union support during the Civil War East Tennessee was also home to Confederate sympathizers who took up the Southern cause until the bitter end Yet historians have viewed these mountain rebels as scarcely different from other Confederates or as an aberration in the region s Unionism Often they are simply ignored W Todd Groce corrects this distorted view of East Tennessee s antebellum development and wartime struggle He paints a clearer picture of the region s Confederates than has previously been available examining why they chose secession over union and revealing why they have become so invisible to us today Drawing extensively on primary sources newspapers diaries government reports Groce allows the voices of these mountain rebels finally to be heard Groce explains the economic forces and the family and political ties to the Deep South that motivated the East Tennessee Confederates reluctantly to join the fight for Southern independence Caught in a war they neither sought nor started they were trapped between an unfriendly administration in Richmond and a hostile Union majority in their midst When the fighting was over and they returned home to face their vengeful Unionist neighbors many were forced to flee contributing to the postwar economic decline of the region Placing the story in a broad context Groce provides an overview of the region s economy and explains the social origins of secessionist sympathies He also presents a collective profile of one hundred high ranking Confederate officers from East Tennessee to show how they were representative of the rising commercial and financial leadership in the region Mountain Rebels intertwines economic political military and social history to present a poignant tale of defeat suffering and banishment By piecing together this previously untold story it fills a void in Southern history Civil War history and Appalachian studies

The Fight for the Yazoo, August 1862-July 1864

Myron J. Smith, Jr.,2014-01-10 Following the loss of the CSS Arkansas in early August 1862 Union and Confederate eyes turned to the Yazoo River which formed the developing northern flank for the South s fortress at Vicksburg Mississippi For much of the next year Federal efforts to capture the citadel focused on possession of that stream Huge battles and mighty expeditions were launched Chickasaw Bayou Yazoo Pass Steele s Bayou from that direction but the city guarded by stout defenses swamps and motivated defenders could not be turned Finally Union troops ran down the Mississippi and came up from the south and the river defenses and the bastion itself were taken from the east From July 1863 to August 1864 sporadic Confederate resistance necessitated continued Federal attention This book recounts the whole story

The Southern Rebellion William August Crafts,1867 The American Civil War Steven E. Woodworth,1996-12-09 The single most important volume for anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and

informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work s value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America s pivotal experience

The Real Horse Soldiers Timothy B. Smith, 2020-02-08 This epic account is as thrilling and fast paced as the raid itself and will quickly rival if not surpass Dee Brown s Grierson s Raid as the standard Terrence J Winschel historian ret Vicksburg National Military Park Winner Operational Battle History Army Historical Foundation Distinguished Book Award Winner Fletcher Pratt Literary Award Civil War Round Table of New York There were other simultaneous operations to distract Confederate attention from the real threat posed by U S Grant s Army of the Tennessee Benjamin Grierson s operation however mainly conducted with two Illinois cavalry regiments has become the most famous and for good reason For 16 days April 17 to May 2 Grierson led Confederate pursuers on a high stakes chase through the entire state of Mississippi entering the northern border with Tennessee and exiting its southern border with Louisiana Throughout he displayed outstanding leadership and cunning destroyed railroad tracks burned trestles and bridges freed slaves and created as much damage and chaos as possible Grierson s Raid broke a vital Confederate rail line at Newton Station that supplied Vicksburg and perhaps most importantly consumed the attention of the Confederate high command While Confederate Lt Gen John Pemberton at Vicksburg and other Southern leaders looked in the wrong directions Grant moved his entire Army of the Tennessee across the Mississippi River below Vicksburg spelling the doom of that city the Confederate chances of holding the river and perhaps the Confederacy itself Based upon years of research and presented in gripping fast paced prose Timothy B Smith s **The Real Horse Soldiers** captures the high drama and tension of the 1863 horse soldiers in a modern comprehensive academic study Readers will find it fills a wide void in Civil War literature

Diehard Rebels Jason Phillips, 2007 Concentrates on diehard rebel soldiers faith in Confederate invincibility and reveals the history of southern culture as a continuum rather than a succession of old South Confederacy new South

If you ally craving such a referred **Rebel Victory At Vicksburg** book that will manage to pay for you worth, acquire the agreed best seller from us currently from several preferred authors.
