Red Victory A History Of The Russian Civil War 1918 1921:

Red Victory W. Bruce Lincoln, 1989 A chronicle of the Russian Civil War from 1918 to 1921 *Red Victory* W. Bruce Lincoln, 1999-05-07 Shortly after withdrawing from World War I Russia descended into a bitter civil war unprecedented for its savagery epidemics battles mass executions forced labor and famine claimed millions of lives From 1918 to 1921 through great cities and tiny villages across untouched forests and vast frozen wasteland the Bolshevik Reds fought the anti Communist Whites and their Allies fourteen foreign countries contributed weapons money and troops including 20 000 American soldiers This landmark history re creates the epic conflict that transformed Russia from the Empire of the Tsars into the Empire of the Commissars while never losing sight of the horrifying human cost **Historical Dictionary of the Russian Civil Wars, 1916-1926** Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The Historical Dictionary of the Russian Civil Wars 1916 1926 covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War The Caucasus Under Soviet Rule Alex Marshall, 2010-09-13 The Caucasus is a strategically and economically important region in contemporary global affairs This book provides the first comprehensive study of the impact of Soviet policy on the Caucasus focusing in particular on the period from 1917 to 1955 It argues that understanding the Soviet legacy in the region remains critical to analysing both the new states of the Transcaucasus and the autonomous territories of the North Caucasus **Russian Revolution of 1917** Sean N. Kalic, Gates M. Brown, 2017-09-21 Combining reference entries and examination of primary documents from the Russian Revolution this book gives students a better understanding of how and why political forces fought to reshape the Russian empire 100 years ago and provides keen insights into the Soviet Union that resulted This invaluable reference guide provides an understanding of the social political and economic forces and events in Russia that led to the 1905 Russian Revolution in which leftists radicals disposed of the Czar and his regime It addresses key developments such as the formation of the provisional government the Bolshevik Revolution in October 1917 and the Russian Civil War connected evolutionary historical events that fundamentally reshaped Russia into the Soviet Union This book serves students and general readers

seeking a single source that provides in depth coverage of the Russian Revolution and the Russian Civil War Beyond the reference entries the book contains primary documents that cover the key events people and issues that emerged during Russia's revolutions and Civil War These documents give readers a more detailed understanding of how the Bolsheviks used calls for greater democracy to gain support for their revolution how the Bolsheviks used terror and control as means to maintain their power once the Bolshevik Revolution took place and why the Bolsheviks believed such extreme measures were needed Also included is a chronology of major events from 1890 through 1923 and a bibliography that serves as a starting point for more directed research

The Russian Civil War Evan Mawdsley, 2009-02-24 The best book ever written on the Russian civil war A first rate work of scholarly synthesis Robert McNeal In St Petersburg on October 25 1917 the A commanding chronicle of the three Bolshevik Party stormed the capital city and turbulent years that brought the ironfisted seized the power over the Russian Provisional Soviet regime to political power Government which had been operating ineffectively since the abdication of Tsar Nicholas II eight months before That October Revolution began the Russian Civil War which in three years would cost the largest country in the world more than seven million lives It was an apocalyptic struggle replete with famine and pestilence but out of the struggle a new social order would rise The Soviet Union Mawdsley offers a lucid superbly detailed account of the men and events that shaped twentieth century communist Russia He draws upon a wide range of sources to recount the military course of the war as well as the hardship the conflict brought to a country and its people for the victory and the reconstruction of the state under the Soviet regime came at a painfully high economic and human price

World War I Spencer C. Tucker, 2019-05-10 Offers detailed coverage of every country that played a significant role in World War I from key participants including France Germany Great Britain the Ottoman Empire and the United States to smaller nations such as Bulgaria Montenegro and New Zealand World War I A Country by Country Guide is a comprehensive reference exploring the role various nations played in this devastating conflict Each of the 22 country sections provides detailed background information the reasons behind the country's entry into the war a summary of its combat effort in the war a discussion of the home front experience and a description of the war's impact on that nation Illuminating sidebars offer an interesting war anecdote involving each country while essays survey each country's military branches and key military and political leaders Finally a timeline for each nation covers all of the important events involving that country during World War I In addition to the country coverage a battles section offers entries on 18 of World War I's most important engagements and a separate section on weapons and tactical changes is included The book also features dozens of maps and images throughout the text that serve as important visual aids that help readers to understand all aspects of the conflict

Soviet Tragedy Martin Malia, 2008-06-30 The Soviet Tragedy is an essential coda to the literature of Soviet studies Insofar as he returns the power of ideology to its central place in Soviet history Malia has made an enormous contribution He has written the history of a utopian illusion and the tragic consequences it had for the people of

the Soviet Union and the world David Remnick The New York Review of Books In Martin Malia the Soviet Union had one of its most acute observers With this book it may well have found the cornerstone of its history Francois Furet author of Interpreting the French Revolution The Soviet Tragedy offers the most thorough scholarly analysis of the Communist phenomenon that we are likely to get for a long while to come Malia states that his narrative is intended to substantiate the basic argument and this is certainly an argumentative book which drives its thesis home with hammer blows On this breathtaking journey Malia is a witty and often brilliantly penetrating guide He has much wisdom to impart The Times Literary Supplement This is history at the high level well deployed factually but particularly worthwhile in the philosophical and political context at once a view and an overview The Washington Post

A History Of Russia Volume 2 Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

White Terror Jamie Bisher, 2006-01-16 This is the gripping story of a forgotten Russia in turmoil when the line between government and organized crime blurred into a chaotic continuum of kleptocracy vengeance and sadism It tells the tale of how in the last days of 1917 a fugitive Cossack captain brashly led seven cohorts into a mutinous garrison at Manchuli a squalid bordertown on Russia's frontier with Manchuria The garrison had gone Red revolted against its officers and become a dangerous ill disciplined mob Nevertheless Cossack Captain Grigori Semionov cleverly harangued the garrison into laying down its arms and boarding a train that carried it back into the Bolsheviks' tenuous territory Through such bold action Semionov and a handful of young Cossack brethren established themselves as the warlords of Eastern Siberia and Russia's Pacific maritime provinces during the next bloody year Like inland pirates they menaced the Trans Siberian Railroad with fleets of armoured trains Cossack cavalry mercenaries and pressgang cannon fodder They undermined Admiral Kolchak's White armies ruthlessly liquidated all Reds terrorized the population sold out to the Japanese and antagonized the American Expeditionary Force and Czech Legion in a frenzied orchestration of the Russian Empire's gotterdammerung Historians have long recognized that Ataman Semionov and Company were a nasty lot This book details precisely how nasty they were
