Little Red Riding Hood and The Big Bad Wolf's Curse Drac Von Stoller,2025-10-05 The late afternoon sun was already sinking painting the ancient gnarled trees of the forest in a deep bruised purple Little Red Riding Hood in her signature crimson cloak skipped lightly along the overgrown path a basket heavy with wine and cakes swinging gently against her hip The air was thick with the scent of pine needles and damp earth and something else a faint musky odor that made the small hairs on her arms prickle She had been walking for nearly an hour when she first noticed the silence The usual chorus of evening birds had fallen away replaced by an oppressive quiet that seemed to press against her eardrums Even her footsteps seemed muffled as though the forest itself was holding its breath Just a bit further she whispered to herself her voice sounding too loud in the stillness Grandma will be so pleased with the cakes As she rounded a bend in the

path she nearly collided with a figure standing motionless in the shadows Little Red Riding Hood gasped stumbling backward Oh You frightened me she breathed her hand pressed to her chest The woodcutter stood before her his ax resting against his shoulder His face was deeply lined weathered by years of working in these ancient woods But it was his eyes that caught her attention they were wide almost glassy and fixed on something over her shoulder You shouldn't be out here he said his voice rough as tree bark Not when the sun's getting low I'm just going to Grandma's cabin Little Red Riding Hood replied trying to smile despite the unease creeping up her spine She's been ill and Mother sent Your grandmother's cabin The woodcutter's jaw worked as though chewing on words he didn't want to speak That's even worse Haven't you heard the stories Stories The disappearances He finally met her eyes and she saw genuine fear there Three hikers in the past month Vanished without a trace And the sounds at night howling but not like any wolf I've ever heard Something is wrong with it Something hungry Little Red Riding Hood felt a chill run down her spine but she forced herself to laugh You're trying to scare me aren't you Grandma's been living here for years She would have told me if there was any real danger When's the last time you saw her the woodcutter asked sharply The question struck her like a physical blow Had it been three weeks Four Mother had been the one receiving grandmother's letters always insisting that Little Red Riding Hood wait until grandmother was feeling better for a visit I Mother said Listen to me child The woodcutter gripped her shoulder his calloused hand tight enough to make her wince If you see anything anything at all that doesn't seem right you run Don't ask questions don't hesitate You run straight back to the village and you get help Do you understand She nodded slowly unnerved by the intensity in his voice I'll check on you he said releasing her Give me an hour If I don't see light in your grandmother's windows I'm coming in That's really not An hour he repeated firmly then disappeared into the trees with surprising speed for a man his age Little Red Riding Hood stood alone on the path her basket suddenly feeling much heavier The woods around her seemed to lean in closer the shadows between the trees deepening to an impenetrable black She could almost imagine shapes moving there just beyond the edge of her vision Don't be foolish she muttered forcing her feet to move forward It's just Grandma's cabin You've been there a hundred times But as she walked she couldn't shake the feeling that something was watching her Not just watching following She quickened her pace her breath coming faster Once she thought she heard the snap of a branch behind her and she spun around heart hammering

The students are all deeply in love with Morrow, and they are willing to do anything to please him. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
