Redcaps British Military Police:

Redcaps Mike Chappell,1997-05-15 The story of Britain's provost forces necessarily focuses attention on some of the less glorious episodes of British Army history Had every British soldier over the centuries been an obedient and dutiful soul there would have been no need for provost of military police Sadly armies particularly in time of war have always been home for the criminal and the British Army has had its share of thieves and cut throats as well as its drunken and licentious element How these were contained or dealt with is the main subject of this book The men who tamed the lawless are its subject

The Redcaps G. D. Sheffield,1994 The red capped military policeman standing on traffic duty on vital crossroads has become a familiar and respected figure to the 20th century British soldier Although generals as diverse as Wellington and Haig can be numbered among its admirers the role of the Royal Military Police and its antecedents is much less well known outside the army British Fighting Methods in the Great War Paddy Griffith,2013-07-23 This collection points out the very real and substantial evolution of tactics that went on in response to new warfare and how this had a real effect on the positive performance of the British Army from 1916 onwards **Alp Grȳm** John Howlett,2016-11-18 It is 1945 Victorious London and her country are exhausted conflict and confusion dominate the ruins of K ln and Berlin of Italy and fascist Spain while a ruthless banditry will soon control the secret world in Washington's Foggy Bottom its tentacles to reach even the Vatican Family and friends search for Harry Cardwell alive or dead Harry's son Frank pursues justice or revenge for Nuremburg and the Judge Advocate General but eventually exhausted chooses Opera Lirica where the red flag flies in Emilia Frank Helen and William with their children and children's children will gather and return for Harry and the new Millennium to the snows of Puschlav and Alp Gr m The Cold War has divided the World divides Europe divides countries above all divides the Cardwells This far reaching novel questions the accepted origins and the conduct of that division and witnesses in particular the ruthless stranglehold of American power and paranoia on the politics and life of Italy and of Chile **Love & Terror in Malaya** Michael Baudrier,2005 Love and Terror has a historic background the Malay Emergency actually a guerilla war fought between Malaysians and Japanese occupiers of Malaya 1942-45 that later became a war against the returning British by Malayan communists mostly of Chinese extraction and lasted until the late fifties Spike a British sapper together with the two comrades is flown to Singapore in 1947 The Japanese are still in Malaya but in POW work camps Spike soon adapts to the Malay culture learns the language with the help of Malay friends and lovers and is transferred to a Malay training battalion as interpreter He also meets and has an affair with a Chinese Malayan taxi dancer Angelene a k a Aiwa Kam sister of Ying Kam a communist leader His first love the Malay woman Kamariah has a young son Daud who is kidnapped by the communist terrorists CTs in an attempt to persuade Kamariah to get information from Spike about a cache of arms hidden in the house in which he was quartered Daud is executed by Ying Kam Spike accepts Islam and marries Kamariah tries to remain in Malaya but is repatriated to Britain When Ying Kam is betrayed by a comrade who is seeking the

large reward offered by the British he is ambushed and injured but escapes Incognito in a hospital where Kamariah's sister is a nurse Ying Kam is exposed and captured by Kamariah She assists in the capture of other CTs and becomes a rich woman Comrades of Spike have different encounters in Malaya and later in Britain Taffy marries a Chinese Malayan and stays on as an estate manager He is ambushed and assassinated by CTs The book *Love and Terror* illustrates many features of Malay Chinese and British culture and how they interact East and West do meet in many instances **European Police Forces and Law Enforcement in the First World War** Jonas Campion, Laurent López, Guillaume Payen, 2019-11-08 This book offers a global history of civilian military and gendarmerie style policing around the First World War Whilst many aspects of the Great War have been revisited in light of the centenary and in spite of the recent growth of modern policing history the role and fate of police forces in the conflict has been largely forgotten Yet the war affected all European and extra European police forces Despite their diversity all were confronted with transnational factors and forms of disorder and suffered generally from mass conscription During the conflict societies and states were faced with a crisis situation of unprecedented magnitude with mass mechanised killing on the battle field and starvation occupation destruction and in some cases even revolution on the home front Based on a wide geographical and chronological scope from the late nineteenth century to the interwar years this collection of essays explores the policing of European belligerent countries alongside their empires and neutral countries The book's approach crosses traditional boundaries between neutral and belligerent nations centres and peripheries and frontline and rear areas It focuses on the involvement and wartime transformations of these law enforcement forces thus highlighting underlying changes in police organisation identity and practices across this period **The Berlin 1945 Battlefield Guide** David McCormack, 2019-12-08 This highly detailed absorbing battlefield guide is the ideal companion for anyone considering visiting the site of Hitler's Gotterdammerung in April May 1945 Using his in depth knowledge as a historian and battlefield guide David McCormack vividly describes the apocalyptic struggle played out amongst the ruins of a once great city The author's intimate knowledge of the ground ensures that the Wagnerian climax of the Third Reich is presented in a series of dramatic tableaux which capture the regime's final convulsive death throes Prepare for a fascinating journey across the Berlin battlefield as it is today **The Berlin 1945 Battlefield Guide Part Two The Battle of Berlin** is the essential guide to understanding both Hitler's downfall in Berlin and Stalin's greatest triumph **Acceptable Casualties** Richard Philp, 2014-06-24 By the author of the acclaimed *Loyalist Rifleman* *Acceptable Casualties* is the story of two Canadian soldiers friends who fought in the First World War The Great War It is the story of their war and of their lives their tragedies and their triumphs One of the men is fictional The other is not His story is true This is as close to a first hand soldier's account of the war as can be had in these times **Year Zero: Berlin 1945** David McCormack, 2018-06-25 *Year Zero* vividly describes the apocalyptic downfall of the Nazi state in Berlin and the subsequent quadripartite occupation of the shattered capital by the Allied powers This is a powerful story of victims bystanders persecutors opportunists heroes and villains

Meticulously researched and rich in historical detail Year Zero draws on searing eyewitness accounts and archive material to provide a gripping narrative of the Wagnerian climax in Hitler's capital and the dramatic political social cultural and economic changes which occurred in the city during its first year under occupation The author David McCormack works as a battlefield guide and historian Previous publications include As the Cherry Blossom Falls Japan at War 1931-45 and The Berlin Battlefield Guide Part 1 The Battle of the Oder-Neisse
