Watching TV Religiously (Engaging Culture) Kutter Callaway, Dean Batali, 2016-11-15 Helping Christians Understand the Power and Meaning of TV Since its inception television has captured the cultural imagination Outside of work and sleep it is now the primary preoccupation of most Americans Individuals consume upward of five hours of TV daily even more when taking into account viewing done online and on mobile devices TV is so ingrained in the fabric of everyday life that it can't help but function as one of the primary means through which we make sense of our lives and the world This book shows that television as a technology a narrative art form a commodity and a portal for our ritual lives confronts viewers theologically Whether its content is explicitly spiritual or not TV routinely invites and sometimes demands theological reflection This book articulates something of the presence and activity of God in the golden age of TV and forges an appropriate response to an ever changing cultural form It constructs a theology of television that allows for both celebration and critique helping Christians more fully understand and appreciate the power and meaning of TV A supplemental website provides additional resources conversations and close readings of TV programs

Prophetically Incorrect Robert H. Jr. Woods, Paul D. Patton, 2010-08-01 The Bible includes prophetic speech and at times the church and its representatives are called to speak prophetically But in our media saturated age when many claim to speak for God how can we evaluate the avalanche of supposedly prophetic speech What does it mean to truly be prophetic And when Christians should speak prophetically how can they do so in a biblical and effective way Using vivid examples this book offers clear guidelines for creating critiquing and consuming popular media as well as practical suggestions for faithful communication It also helps readers think critically about communication technology The book includes a foreword by Quentin Schultze and a preface by Clifford Christians

Christian Contours Douglas S. Huffman, 2012-01-12 What does it mean to think and live Christianly in a world of competing worldviews Christian Contours answers this question by inviting readers to consider the understanding of reality proposed by the Bible Though it is easy to divide life into separate compartments religious and secular theological and practical faith invites us to view all of life in the light of that Biblical understanding Presenting a clear compelling case for unity in essential Christian tenets the authors of Christian Contours guide the reader through developing internalizing and articulating a biblical worldview This robust worldview enables the Christian to be a critically thinking participant in culture and to be a faithful disciple of Christ with both heart and mind

Christian Popular Culture from The Chronicles of Narnia to Duck Dynasty Eleanor Hersey Nickel, 2021-05-13 Christian popular culture has tremendous influence on many American churchgoers When we have a

choice between studying the Bible and reading novels downloading movies or watching television we become less familiar with Numbers than with Narnia This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex fascinating and worthy of investigation as the latest secular Netflix series or dystopian novel While most scholars focus on the religious aspects of Christian texts this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race class and gender in a profoundly unequal America Close readings of six case studies The Chronicles of Narnia Francine Rivers s Redeeming Love Jan Karon s Mitford novels Left Behind the films of the Sherwood Baptist Church and Duck Dynasty uncover both harmful stereotypes and Christians serving as leaders in social justice How Now Shall We Live? Charles Colson,Nancy Pearcey,2011-07-14 2000 Gold Medallion Award winner Christianity is more than a personal relationship with Jesus Christ It is also a worldview that not only answers life s basic questions Where did we come from and who are we What has gone wrong with the world What can we do to fix it but also shows us how we should live as a result of those answers How Now Shall We Live gives Christians the understanding the confidence and the tools to confront the world s bankrupt worldviews and to restore and redeem every aspect of contemporary culture family education ethics work law politics science art music This book will change every Christian who reads it It will change the church in the new millennium
