Code Choice in the Language Classroom Glenn S. Levine, 2011-01-25 Code Choice in the Language Classroom argues that the foreign language classroom is and should be regarded as a multilingual community of practice rather than as a perpetually deficient imitator of an exclusive second language environment From a sociocultural and ecological perspective Levine guides the reader through a theoretical empirical and pedagogical treatment of the important roles of the first language and of code switching practices in the language classroom Intended for SLA researchers language teachers language program directors and graduate students of foreign languages and literatures the book develops a framework for thinking about all aspects of code choice in the language classroom and offers concrete proposals for designing and carrying out instruction in a multilingual classroom community of practice **Multilingualism and Education** Gail Prasad, Nathalie Auger, Emmanuelle Le Pichon Vorstman, 2022-06-09 For decades international researchers and educators have sought to understand how to address cultural and linguistic diversity in education This book offers the keys to doing so it brings

together short biographies of thirty six scholars representing a wide range of universities and countries to allow them to reflect on their own personal life paths and how their individual life experiences have led to and informed their research This approach highlights how theories and concepts have evolved in different contexts while opening up pedagogical possibilities from diverse backgrounds and enriched by the life experiences of leading researchers in the field Beyond these questions the book also explores the dynamic relationships between languages power and identities as well as how these relationships raise broader societal issues that permeate both global and local language practices It is essential reading for students teacher educators and researchers interested in the impact of multilingualism on education Reden, mitreden, dazwischenreden Ellen Crocker, Claire J. Kramsch, 1990
