Rediscovering The Golden State W 2cds:

American Heritage, 1994 The Golden State Rolander Guy McClellan, 2000 **Golden State** BUSH., 2001 **To the Golden State through lands that lie between. By W. Campbell** W. Campbell, 1921 **Golden State, Golden Youth** Kirse Granat May, 2010-03-15

Seen as a land of sunshine and opportunity the Golden State was a mecca for the post World War II generation and dreams of the California good life came to dominate the imagination of many Americans in the 1950s and 1960s Nowhere was this more evident than in the explosion of California youth images in popular culture Disneyland television shows such as The Mickey Mouse Club Gidget and other beach movies the music of the Beach Boys all these broadcast nationwide a lifestyle of carefree wholesome fun supposedly enjoyed by white middle class suburban young people in California Tracing the rise of the California teen as a national icon Kirse May shows how idealized images of a suburban youth culture soothed the nation's postwar nerves while denying racial and urban realities Unsettling challenges to this mass mediated picture began to arise in the mid 1960s however with the Free Speech Movement's campus revolt in Berkeley and race riots in Watts In his 1966 campaign for the governorship of California Ronald Reagan transformed the backlash against the dangerous youths who fueled these actions into political triumph As May notes Reagan's victory presaged a rising conservatism across the nation

Golden Songs of the Golden State (Classic Reprint) Marguerite Wilkinson, 2015-07-16

Excerpt from Golden Songs of the Golden State By the trite and dull effusions in praise of it Her mountain peaks Chiselled singly Clean and hard against the sky or ranged in an august uneven line of power and beauty her lovable foothills sloping in steep curves to the coast her mild sweet scented valleys with their straitly confined orchards of almond orange and plum with their crisp fields of barley stubble in summertime and their riot of wild mustard in the spring her winding trails leading always into El Camino Real or into the desert beyond the mountains her gusty distances of desert or sea shore her forests born before Christ her hundreds of species of wild birds her tawny summers and green winters her sharp exquisite lights and shadows and keen colors these things no poet no lover of beauty can forget Nowhere else can one climb higher or plumb deeper the depths and heights of varied beauty About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Heroes of California; the Story of the Founders of the Golden State As Narrated by Themselves Or Gleaned from Other Sources George Wharton James, 2012-08

Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits

maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
