Rediscovering The Impact Of Jesus Death:

Rediscovering the Impact of Jesus' Death Joseph A. Grassi, 1987 **The Gospel of Matthew** John

Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel's sources or historical background Nolland places his central focus on the content and method of Matthew's story His work explores Matthew's narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark's presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew's Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland's Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew's presentation of the gospel narrative

Hill, 2014-02-25 Christology that is the study of Jesus is a many faceted subject In this new edition of Jesus the Christ Brennan Hill clearly and cogently explores this critical theological area resulting in a luminous and reliable portrait of the Jesus of history and the Christ of faith He deftly surveys both the breadth of information covered in the previous edition as well as the wealth of developments that have occurred in the field since the early 1990s Jesus the Christ looks at the people and places in Jesus time then moves to a search for the historical Jesus Hill next looks at the many areas of Jesus life

and mission teacher prophet miracle worker man of the earth advocate for women savior and liberator He examines the main gospel stories about Jesus birth death and resurrection and illustrates how the early christological doctrines developed This new edition is written in a more informal and accessible style enabling students to well understand and grasp the concepts and facts about the subject Each chapter ends with discussion questions and a list of suggestions for further reading Jesus the Christ is eminently readable constantly challenging and filled with timely information in nontechnical language It is strongly rooted in the best of modern biblical translation and will be welcomed by students teachers and the general reader alike
