Reds The Communist Part Of Australia From Origins To Illegality:

The Reds Stuart Macintyre,1998 The only large scale comprehensive account of an intriguing part of Australia s past

The Reds Stuart Macintyre,2022-02 The award winning account of the early years of communism in Australia written by one of Australia s most highly regarded historians **The Communist Party in South Africa** Mia Roth,2016-01-20 Why is the history of communism in a country at the bottom of the African continent still important enough to warrant this book South Africa is one of the few countries in the world that still has a strong communist party whose views are not only taken into account by the government but whose members hold important positions in both the cabinet and in government offices This is the first account of the history of the Communist Party of South Africa based on archival sources The initial accounts were written by party members and had very little to do with reality The months that Mia Roth spent in the newly opened Russian and South African Archives in 1998 and the number of years she spent in writing it revealed to her not only the racism in the South African party but also the role it played in destroying the ICU the only genuine African mass movement of that time Its depiction of the part played by African communists was only a facade *The Far Left in Australia since 1945* Jon Piccini,Evan Smith,Matthew Worley,2018-07-11 The far left in Australia had significant effects on post war politics culture and society The Communist Party of Australia CPA ended World War II with some 20 000 members and despite the harsh and vitriolic Cold War climate of the 1950s seeded or provided impetus for the re emergence of other movements Radicals subscribing to ideologies beyond the Soviet orbit Maoists Trotskyists anarchists and others also created parties and organisations and led movements All of these different far left parties and movements changed and shifted during time responding to one political crisis or another but they remained steadfastly devoted to a better world This collection bringing together 14 chapters from leading and emerging figures in the Australian and international historical profession for the first time charts some of these significant moments and interventions revealing the Australian far left s often forgotten contribution to the nation s history **Paul Hasluck in Australian History** Tom Stannage,Kay Saunders,Richard Nile,1998 No Marketing Blurb **Photography, Humanitarianism, Empire** Jane Lydon,2020-09-13 With their power to create a sense of proximity and empathy photographs have long been a crucial means of exchanging ideas between people across the globe this book explores the role of photography in shaping ideas about race and difference from the 1840s to the 1948 Declaration of Human Rights Focusing on Australian experience in a global context a rich selection of case studies drawing on a range of visual genres from portraiture to ethnographic to scientific photographs show how photographic encounters between Aborigines missionaries scientists photographers and writers fuelled international debates about morality law politics and human rights Drawing on new archival research Photography Humanitarianism Empire is essential reading for students and scholars of race visuality and the histories of empire and human rights **Work of History** Peter Beilharz,Sian Supski,2022-07-05 Stuart Macintyre was an eminent figure within the world of Australian history scholarship

for 45 years This collection of essays and responses revisits and extends this extraordinary life of achievement and engagement Leading scholars write here of Macintyre s contribution to understanding radicalism and communism postwar reconstruction education and civics universities liberalism historiography and the history wars They also tell us about collegiality and friendship The practice of history writing and telling has long been central to the narrative of the nation in Australia The Work of History connects us to that past It raises the question of what comes next and re values Macintyre s contribution serving both as a snapshot of the state of the historian s art and an introduction to those who come more recently to this highly contested field

Roma the First Susan Magarey, Kerrie Round, 2007 Roma Mitchell contributed importantly to her times pioneering a new kind of womanhood and becoming an inspiration in terms of opportunities and freedoms for women in Australia

Russians in Cold War Australia Phillip Deery, Sheila Fitzpatrick, 2024-02-19 Russians in Cold War Australia explores the time during the Cold War when Russian displaced persons including former Soviet citizens were amongst the hundreds of thousands of immigrants given assisted passage to Australia and other Western countries in the wake of the Second World War With the Soviet Union and Australia as enemies skepticism surrounding the immigrants avowed anti communism introduced new hardships and challenges This book examines Russian immigration to Australia in the late 1940s and 1950s both through their own eyes and those of Australia s security service ASIO to whom all Russian speakers were persons of interest
