Information Technology Management in Modern Organizations Jay Liebowitz, Mehdi Khosrowpour, 1997-01-01

Information systems professionals learn best from the experiences of others. Successes and failures from others can help the IS commonly further develop and flourish. This book is a compilation of original case studies that describe information technology experiences in both domestic and international organizations. Cleanroom Software Engineering Practices

Shirley A. Becker, James A. Whittaker, 1997-01-01 Cleanroom Software Engineering is a set of techniques and practices for the development of software intensive systems. This book brings together concepts, lessons learned, and best practices resulting from Cleanroom projects surveyed in the past several years. **Information Technology and Computer**

Applications in Public Administration G. David Garson, 1999-01-01 Information Technology and Computer Applications in Public Administration Issues and Trends constitutes a survey of many of the most important dimensions of managing information technology in the public sector. In Part I, chapters address general policy and administrative issues. The chapters of Part II represent applied information technology skills needed by public managers. Provided by publisher.

Collaborative Technologies and Organizational Learning Robert E. Neilson, 1997-01-01 This book takes a look at basic organizational learning and relates it to the implementation of a specific collaborative technology, Lotus Notes. It poses several practice prescriptions for those interested in installing or using Lotus Notes to leverage the intellectual capital already existing within an organization. **Information Technology Diffusion in the Asia Pacific** Felix B. Tan, P. Scott

Corbett, Yuk-Yong Wong, 1999-01-01 According to a recent United Nations report, the increase in power and functionality of IT coupled with decreasing prices have contributed to rapid IT adoption and use in both developed countries and newly industrialized nations of the Asia Pacific. Information Technology Diffusion in the Asia Pacific Perspectives on Policy, Electronic Commerce, and Education provides essential reading on IT diffusion in leading countries of the Asia Pacific. By focusing on some of the different applications and implications of IT in these nations, contributions in this book deal with aspects of IT applications in the Asia Pacific countries and ways that information technology can assist nations in dealing with technological and electronic growth and risks involved. **Process Improvement and Organizational Learning** Ned F.

Kock, 1999-01-01 Process improvement can itself be considerably improved by the use of information technology. Distributed and a synchronous group support systems such as e-mail, computer conferencing, and the World Wide Web are likely to play a major role in this improvement. Process Improvement and Organizational Learning: The Role of Collaboration Technologies analyzes the relationship between collaborative technologies, process improvement, and organizational learning. It is based on

the author's experiences in numerous process focused organizational development projects where process improvement groups were aided by the support of collaborative technologies *Software Process Improvement* Eugene McGuire, 1999-01-01 Software Process Improvement SPI efforts are being undertaken by organizations of all types and sizes as they attempt to deal with the challenges of quality complexity and competitiveness Software process improvement efforts rely on the successful integration of many technical organizational and methodological issues SPI has provided a rich field for both conceptual and practical research in industry and academia Software Process Improvement Concepts and Practices provides the opportunity for rich socio technical and interdisciplinary studies in addition to those studies that primarily focus on process and or enabling technology issues This book addresses numerous aspects of SPI program development implementation trends opportunities and future challenges in organizations **The Virtual Workplace** Magid Igbaria, Margaret Tan, 1998-01-01 The Virtual Workplace explores the forces that are driving the virtual workplace and the consequential issues and problems that will influence it social issues legal concerns and performance compensations Cases on Information Technology and Business Process Reengineering Mehdi Khosrowpour, 2006-01-01 This book presents a wide range of issues and challenges related to business process reengineering technologies and systems through the use of case studies Provided by publisher
