My Dirty Little Secrets-- Steroids, Alcohol & God Tony Mandarich, Sharon Shaw Elrod, 2009 As Tony Mandarich left Green Bay in February 1993 his football career in shambles Packer Plus staff writer Tom Mulhern wrote the following The overriding sentiment however is one of emptiness Not so much for promises unfulfilled but for sins not repented Maybe some day Mandarich will set the record straight and answer all the nagging questions he leaves behind I hope so For all the sports writers fans coaches friends and family My Dirty Little Secrets sets the record straight On the 20th anniversary of his draft in 1989 Tony reveals the reasons why he never achieved what the nation expected of him and what he expected of himself His story is an inspiration for alcoholics and drug abusers and offers hope for those trying to help themselves out of the nightmare of addiction My Dirty Little Secrets promises to help readers Learn about the power of addiction Discover how co dependency and enablers affect addicts Understand why treatment for addictions is so important in recovery Realize the importance of emotional support systems in the lives of alcoholics Accept the role of the Higher Power s grace in recovery My Dirty Little Secrets is a testament that faith in a higher power can bring us to salvation and light Tony s story is touched by magic and brushes against the tragic It s a great human journey and a victory for the human spirit Jim Irsay Owner Indianapolis Colts Super Bowl r XLI Champions After a highly successful and nationally publicized college career at Michigan State University Tony Mandarich was drafted number two in 1989 The hype about his power and standing as a football player along with Tony s addictions was more than he could live up to and his life came crashing down around him After three more years of alcohol and painkillers abuse Tony accepted God s hand went into treatment and now considers it a privilege to be able to help other addicts when called upon Learn more at www.TonyMandarich.com Book 6 in the Reflections of America Series from Modern History Press www.ModernHistoryPress.com **The Recovering** Leslie Jamison, 2018-04-03 From the New York Times bestselling author of The Empathy Exams comes this transformative work showing that sometimes the recovery is more gripping than the addiction With its deeply personal and seamless blend of memoir cultural history literary criticism and reportage The Recovering turns our understanding of the traditional addiction narrative on its head demonstrating that the story of recovery can be every bit as electrifying as the train wreck itself Leslie Jamison deftly excavates the stories we tell about addiction both her own and others and examines what we want these stories to do and

what happens when they fail us All the while she offers a fascinating look at the larger history of the recovery movement and at the complicated bearing that race and class have on our understanding of who is criminal and who is ill At the heart of the book is Jamison s ongoing conversation with literary and artistic geniuses whose lives and works were shaped by alcoholism and substance dependence including John Berryman Jean Rhys Billie Holiday Raymond Carver Denis Johnson and David Foster Wallace as well as brilliant lesser known figures such as George Cain lost to obscurity but newly illuminated here Through its unvarnished relation of Jamison s own ordeals *The Recovering* also becomes a book about a different kind of dependency the way our desires can make us all as she puts it broken spigots of need It s about the particular loneliness of the human experience the craving for love that both devours us and shapes who we are For her striking language and piercing observations Jamison has been compared to such iconic writers as Joan Didion and Susan Sontag yet her utterly singular voice also offers something new With enormous empathy and wisdom Jamison has given us nothing less than the story of addiction and recovery in America writ large a definitive and revelatory account that will resonate for years to come

And Me in Ringlets Ruth Colaw,2001-11 Born into a world of alcoholism then divorce the author is taken from her mother at ten and is tossed from pillar to post then faces pregnancy and relinquishment This is the story of her struggles as well as her recovery ***Too High to Go to Woodstock*** ,2015-11-17 Memoir of my teens during the 60s and the confusing blend of sex drugs and rock n roll and depression
