## Reflections Of Longmeadow:

*Reflections of Longmeadow, 1783/1983* Linda M. Rodger, Mary S. Rogeness, 1983      Longmeadow Thomas L. Higgins, 2018-07-30 Longmeadow Massachusetts lies along the east bank of the Connecticut River just north of the Connecticut state line The area s rich history predates its 1636 Puritan settlement by tens of thousands of years Native Americans of the Agawam tribe called the area Masacksic referring to the long meadows along the Quinnekiot River Following the Revolutionary War Longmeadow became the first town chartered by the Commonwealth of Massachusetts Notable residents include Steven Williams the boy captive of Deerfield and John Johnny Appleseed Chapman The town s picturesque green is surrounded by historic 18th and 19th century homes As one of Springfield s first streetcar suburbs its second wave of growth was landscaped in parklike neighborhoods by the Olmsted Brothers organization Construction of Interstate 91 fueled a third growth wave resulting in today s population of nearly 16 000      **Professional Indian** Michael Leroy Oberg, 2015-02-02 Born in 1788 Eleazer Williams was raised in the Catholic Iroquois settlement of Kahnawake along the St Lawrence River According to some sources he was the descendant of a Puritan minister whose daughter was taken by French and Mohawk raiders in other tales he was the Lost Dauphin second son to Louis XVI of France Williams achieved regional renown as a missionary to the Oneida Indians in central New York he was also instrumental in their removal allying with white federal officials and the Ogden Land Company to persuade Oneidas to relocate to Wisconsin Williams accompanied them himself making plans to minister to the transplanted Oneidas but he left the community and his young family for long stretches of time A fabulist and sometime confidence man Eleazer Williams is notoriously difficult to comprehend his own record is complicated with stories he created for different audiences But for author Michael Leroy Oberg he is an icon of the self fashioning and protean identity practiced by native peoples who lived or worked close to the centers of Anglo American power Professional Indian follows Eleazer Williams on this odyssey across the early American republic and through the shifting spheres of the Iroquois in an era of dispossession Oberg describes Williams as a professional Indian who cultivated many political interests and personas in order to survive during a time of shrinking options for native peoples He was not alone as Oberg shows many Indians became missionaries and settlers and played a vital role in westward expansion Through the larger than life biography of Eleazer Williams Professional Indian uncovers how Indians fought for place and agency in a world that was rapidly trying to erase them      Johnny Appleseed and the American Orchard William Kerrigan, 2012-12-15 A fresh look at American icon Johnny Appleseed Chapman and the story of the apple Johnny Appleseed and the American Orchard illuminates the meaning of Johnny Appleseed Chapman s life and the environmental and cultural significance of the plant he propagated Creating a startling new portrait of the eccentric apple tree planter William Kerrigan carefully dissects the oral tradition of the Appleseed myth and draws upon material from archives and local historical societies across New England and the Midwest The character of Johnny Appleseed stands apart

from other frontier heroes like Davy Crockett and Daniel Boone who employed violence against Native Americans and nature to remake the West His apple trees nonetheless were a central part of the agro ecological revolution at the heart of that transformation Yet men like Chapman who planted trees from seed rather than grafting ultimately came under assault from agricultural reformers who promoted commercial fruit stock and were determined to extend national markets into the West Over the course of his life John Chapman was transformed from a colporteur of a new ecological world to a curious relic of a pre market one Weaving together the stories of the Old World apple in America and the life and myth of John Chapman Johnny Appleseed and the American Orchard casts new light on both Milestones & Guideposts of Massachusetts and Southeastern New Hampshire Mary E. Gage, James E. Gage, 2014-02-03 Across Massachusetts roadsides are dotted with small stone markers giving the mileage to major cities These ancient road signs called milestones aided travelers during the 1700 s and 1800 s as our road signs today do with their mileage and destination information Although these old milestones no longer serve a useful purpose in our modern age of highways they continue to fascinate us This fascination has led to the preservation by local communities of at least 129 milestones in Massachusetts and a number of milestones in New Hampshire Milestones were for the most part commissioned by private citizens and made by local or itinerant stone carvers With the exception of the turnpike milestones no two milestones are alike There are differences in the type of stone chosen the wording and the lettering styles of individual carvers These differences give the milestones personality and character This sense of character is one of the endearing aspects of these humble road signs that continues to draw us to them Although some of the milestones like those around Boston and those along the famous Upper Post Road are well known many are not The authors have spent a number of years combing through old books and newspapers and traveling through the state in search of these local historical treasures This book draws together all of their research in an effort to provide a comprehensive inventory of Massachusetts milestones In addition it includes milestones the authors have found in their travels through southeastern New Hampshire **Johnny Appleseed** Howard Means, 2012-04-17 Finally the cliché is peeled away and the essence of this utterly American character is so revealing John Chapman comes alive here and it is a thrilling experience to escape the specific gravity of the decades of myth Ken Burns This portrait of Johnny Appleseed restores the flesh and blood man beneath the many myths It captures the boldness of an iconic American and the sadness of his last years as the frontier marched past him ever westward And it shows how death liberated the legend and made of Johnny a barometer of the nation s feelings about its own heroic past and the supposed Eden it once had been Howard Means does for America s inner frontier what Stephen Ambrose s *Undaunted Courage* did for its western one **Johnny Appleseed** Will Moses, 2004-08-19 Recounts the story of John Chapman the man behind the legend of Johnny Appleseed who went on a great adventure across the land planting apple seeds everywhere he went *The Official Museum Directory, 1992*, 1992-12 Delftware at Historic Deerfield Historic Deerfield, Inc, Amanda Elizabeth Lange, 2001 Amanda E Lance places Historic

Deerfield's extraordinary collection of delftware on view for the first time in this book made possible by the Ray J and Anne K Groves Publication Fund A specialist in the fields of ceramics silver and glass Ms Lange's meticulous research on tin glazed earthenware commonly called delft will both engage and enlighten readers of this new publication which has been prepared to accompany a major exhibition on view at the western Massachusetts museum through November 2002 Delftware at Historic Deerfield 1600 1800 is the first in a series of catalogues featuring the museum's nationally renowned decorative arts collections BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *New England* Joseph E. Coduri, Committee for a New England Bibliography, 1989
