Reflections Two Make A Wish Come True:

Beyond the Reflection's Edge Bryan Davis, 2009-05-26 Sixteen year old Nathan Shepherd has a great life traveling where the careers of his father an investigator and mother a renowned violinist take him until his parents are found murdered Left with only a mirror and notes from his father s last case Nathan goes into hiding at the remote country home of Tony his father s college buddy and Tony s teenage daughter Kelly The mysterious mirror must be a clue to what happened to his parents and when images appear in it people and things that don t exist Nathan and Kelly painstakingly gather evidence But the killers want the mirror too and danger threatens the teens at every turn As it becomes evident that Nathan s father had stumbled upon dark forces at work in the world several questions arise Could it be that the mirror is a portal to a parallel world Could this technology be used for evil purposes And could his parents still be alive trapped in another dimension Nathan and Kelly struggle to solve the mystery before they too become victims This chilling hair raising adventure is jam packed with action in a fantastical world where nothing is as it seems and even mirrors tell lies **Critical Reflection**
