**Principles of Philosophy** Michael Jean Nystrom-Schut, 2018-10-30 Not just anyone sits down to write their own personal Bible The famous one popular with millions of Christians was penned by 35 40 different authors over a span of some 1100 years As of 1995 it was still considered Guinness the world s 1 best seller of all time In stark contrast Michael s 2 volume Principles of Philosophy was meditated contemplated drafted and written in deep anonymity and solitude over a daily and nightly 30 month span His two books come in at over 800 000 words the same as ten 80 000 word works With the King James Old and New Testament totaling just over 783 000 words it is easy to see why Michael views himself as both prolific plentiful and loquacious talkative when it pertains to laying down thought As the Bible is for millions on the planet Michael feels his principles are also a template an owner s manual a guidebook for in particular how to 1 view life on earth 2 work on the detail of one s philosophy and worldview and 3 examine and conduct a balanced meaningful existence on this planet The Holy Bible consists of 80 books 39 in the Old Hebrew part 14 in the Apocrypha and 27 in the New Christian part Michael s Principles Volumes One and Two each cover 84 chapters of the basic areas of life as he views them with 21 chapters outlined each for 1 the mental 3 the social and 2 the material 4 the spiritual areas of our lives A detailed numbering system is in place for quick reference to topics Each volume happens to come in at 613 entries making a total of 1226 separate entries in the two books By dictionary definition a principle is defined as a fundamental truth or proposition that serves as the foundation for a system of belief or behavior or for a chain of reasoning This is precisely why

he chose principles in the title His own personal philosophical principles are what he tries to practice daily Michael even states they are likely the reason he is still with us in bodily form on the earth and remains in relative possession of his right mind as well Since leaving organized religion early on in life these tenants practiced in balance have been what Michael has focused on for several decades They work well for him In the course of these pursuits he says he has come to thousands of conclusions And they all point to the balanced life As he insists for him it is all about equivalent portions of mind mental body material relationships social and spirituality God the Universe Basically everything can be summed up within these four primary areas of life Michael seems to never hesitate to conclude that he has found his own personal means of salvation in the midst of pursuing his balance of the Principles of Philosophy Tanya Walker wife [Survival Thoughts for the Continually Depressed](#) Michael Jean Nystrom-Schut,2005-05-24 TRILOGY BOOK ONE includes three books from my numerous writings As a writer and philosopher these many years its been my pleasure to ponder the world in ways that most people dont have time to do In my wanderings I wonder if I am getting any closer to the Truth How can any of us distinguish for sure I suppose all we can know is that as long as we are alive we still have the opportunity to keep searching while happily delving into this adventurous world of amazement wonder and awe [Life Lessons for West African Youth](#) Michael Jean Nystrom-Schut,Ms. Faustina Adzofia,Ms. Rabbi Jane Adanma,2023-08-10 This book LIFE LESSONS for West African Youth is dedicated to our students at B L E S S UNIVERSITY which originated in the late summer of 2019 It is for their growth and continuing formulation of a World View that will sustain them throughout their lives Every effort has been made to make the reading basic and simple readable and comprehensible to all of our students We desire that it will be a REFERENCE BOOK that will be used and referred to in order to help our students grow and learn in life It has been the honor of a lifetime to teach these amazing African Angels my kids during these past few years No greater thing have I ever done in my life and no greater passion have I ever had in my life than to be able to work with them **Earth School** Michael Jean Nystrom-Schut,2025-01-31 Earth School is a follow up to a book written by Michael some 35 years ago named Earth Dwelling An Owner s Manual That book covered his overall World View at the time being his then rendition of Life on Earth as this book Earth School is his now account of earth life Earth School discusses our purposes for being here on this planet breaking down matters in the four 4 primary balanced aspects of life the Mental the Physical the Social and the Spiritual A fifth section is included that involves the subject of World View or Personal World Philosophy Then in section six a short Index of topics is provided This quarter million word manuscript was over two years in the making representing the most recent rendition of Michael s interpretation of life as he sees it As one s evolution of thought is ongoing it is thus just one more chapter in a long book of life that Michael has been writing **How Long Have You Been Standing Here, God?** Michael Jean Nystrom-Schut,2005-05-24 TRILOGY BOOK TWO includes three books from my numerous writings Writing and philosophizing for so long now I am pleased to get to do this while others simply cant take the time In my journeys I dont

know if I am getting closer to knowing anything and it seems the more I know the more I know I don't know I suppose all we can be sure of is that as long as we are alive we have the opportunity to keep searching while continuing to delve into our minds and hearts for clues to greater meaning and purpose on earth How long have you been standing here God is the title of the book and it comes to you along with two others Evolution Facts and Fairy Tales and Amistad Spanish for friendship All three were written with you the reader and fellow life mate especially in mind If you struggle with your personal spirituality and need greater awareness that God is on all sides of you then maybe How long have you been standing here God Book One will be helpful If you are wondering about your origins trying to figure out how it all came about then perhaps Evolution Facts and Fairy Tales Book Two will make things even more confusing During my time in Central America I have learned plenty about the concept of friendship and I mean that in the context of the whole of life Amistad Book Three is a book about befriending the people places and things that make up our lives

*Monstrous Reflection* Petra Rehling, Elsa Bouet, 2019-07-22 This volume was first published by Inter Disciplinary Press in 2014 By engaging and questioning existing definitions and ideas all of the essays in this volume represent the idea of a monstrous reflection in one way or another Monsters can serve as a means to explore the cultural anxieties they embody and the reasons for these anxieties Thus monsters act as mirrors highlighting the causes for the creation of categories A reflection can also be a comment or statement applicable in that the monstrous or the word monster becomes a label of otherness and exclusion This label is sometimes a construction a discursive and rhetorical trope which only serves to other those deemed different or undesirable suggesting that the monster might not always be monstrous This volume is about the ones gazing into the mirror and the things staring back at humanity along with the uncomfortable truths that are revealed in the process

**A Poetics of Minds and Madness** XINRAN YANG, 2023-09-26 This monograph aims to explore the mind narrative nexus by conducting a cognitive narratological study on the mad minds in fictional narratives Set on the interface of narrative and cognitive science cognitive linguistics cognitive psychology and cognitive neuropsychology it adopts an indirect empirical approach to the fictional representation of madness The American writer Ken Kesey's novel *One Flew Over the Cuckoo's Nest* is chosen as the primary text of investigation whereas due consideration is also given to other madness narratives when necessary This book not only demonstrates the value of reading and rereading literary classics in the modern era but also sheds light on the studies of cognitive narratology cognitive poetics madness narratives and literature in general
