Reflections On Spanish American Poetry:

Reflections on Spanish American Poetry Jorge C. Andrade, 1973-06-30 In these five essays the Ecuadorian poet Jorge Carrera Andrade traces the evolution of Spanish American poetry from the sixteenth century to the present. The author shows how Spanish American literature grew out of the special conditions produced when the New World environment totally transformed Old World culture and society. Initially the brilliance of the land and its extraordinary peoples inspired European interest in exotic travel and utopianism; later Old World literary currents came to have distinctive expression in Spanish American writing. Poetry and Society in Spanish America follows the historic commitment of the New World poets to social issues, particularly such unique ones as the endeavor to bring the Indians into national life. While Trends in Spanish American Poetry dwells on the more purely aesthetic concerns that have stimulated the poets of the twentieth century, Throughout Carrera Andrade ties his analysis to specific poems and poets. In the last two essays the author presents a clear perspective of his poetic development from 1930 to 1960. A Decade of My Poetry and Poetry of Reality and Utopia will especially interest readers of Carrera Andrade's poetry for not only do they elucidate the personal history and philosophy informing his poems, they also reveal how truly his inspiration springs from that unique Spanish American world he has so clearly delineated.

Reflections on Spanish-american Poetry Jorge Carrera Andrade, 1973 **Reflections on Spanish American Poetry** Jorge Carrera Andrade, 1973-01-01 In these five essays the Ecuadorian poet Jorge Carrera Andrade traces the evolution of Spanish American poetry from the sixteenth century to the present. The author shows how Spanish American literature grew out of the special conditions produced when the New World environment totally transformed Old World culture and society. Initially the brilliance of the land and its extraordinary peoples inspired European interest in exotic travel and utopianism; later Old World literary currents came to have distinctive expression in Spanish American writing. Poetry and Society in Spanish America follows the historic commitment of the New World poets to social issues, particularly such unique ones as the endeavor to bring the Indians into national life. While Trends in Spanish American Poetry dwells on the more purely aesthetic concerns that have stimulated the poets of the twentieth century, Throughout Carrera Andrade ties his analysis to specific poems and poets. In the last two essays the author presents a clear perspective of his poetic development from 1930 to 1960. A Decade of My Poetry and Poetry of Reality and Utopia will especially interest readers of Carrera Andrade's poetry for not only do they elucidate the personal history and philosophy informing his poems, they also reveal how truly his inspiration springs from that unique Spanish American world he has so clearly delineated. **Reflections on Spanish-American Poetry. Translated by Don C. Bliss and Gabriela de C. Bliss** Jorge Carrera Andrade, 1973

Spanish American Poetry at the End of the Twentieth Century Jill Kuhnheim, 2010-07-05 Has poetry lost its relevance in the postmodern age, unable to keep pace with other forms of cultural production such as film, mass media, and the Internet? Quite the contrary, argues Jill Kuhnheim in this pathfinding book which explores how recent Spanish American poetry

participates in the fundamental cultural debates of its time Using a variety of interdisciplinary approaches Kuhnheim engages in close readings of numerous poetic works to show how contemporary Spanish American poetry struggles with the divisions between politics and aesthetics and between visual and written images grapples with issues of ethnic national sexual and urban identities and incorporates rather than rejects technological innovations and elements from the mass media Her analysis illuminates the ways in which contemporary issues such as indigenismo and Latin America's postcolonial legacy modernization immigration globalization economic shifts toward neoliberalism and informal economies urbanization and the technological revolution have been expressed in and even changed the very form of Spanish American poetry since the 1970s

Encyclopedia of Latin American Literature Verity Smith, 1997-03-26 This work is a guide to writers works and topics in Central and South America and the Caribbean It contains over 400 entries written by 160 contributors which are organized into four major types topic individual writer individual work and survey **Encyclopedia of Latin American Literature** Verity Smith, 1997-03-26 A comprehensive encyclopedic guide to the authors works and topics crucial to the literature of Central and South America and the Caribbean the Encyclopedia of Latin American Literature includes over 400 entries written by experts in the field of Latin American studies Most entries are of 1500 words but the encyclopedia also includes survey articles of up to 10 000 words on the literature of individual countries of the colonial period and of ethnic minorities including the Hispanic communities in the United States Besides presenting and illuminating the traditional canon the encyclopedia also stresses the contribution made by women authors and by contemporary writers Outstanding Reference Source Outstanding Reference Book *Spanish American Poetry After 1950* Donald Leslie Shaw, 2008 The principal developments in Spanish American poetry in the second half of the twentieth century Providing a basis for understanding the main lines of development of poetry in Spanish America after Vanguardism this volume begins with an overview of the situation at the mid century the later work of Neruda and Borges the emergence of Paz Consideration is then given to the decisive impact of Parra and the rise of colloquial poetry politico social poetry Dalton Cardenal and representative figures such as Orozco Pacheco and Cisneros The aim is to establish a few paths through the largely unmapped jungle of Spanish American poetry in the time period The author emphasises the persistence of a generally negative view of the human condition and the poets exploration of different ways of responding to it These vary from outright scepticism to the ideological the religious or those derived from some degree of confidence in the creative imagination as cognitive At the same time there is analysis of the evolving outlook on poetry of the writers in question both in regard to its possible social role and in regard to diction DONALD SHAW holds the Brown Forman Chair of Spanish American literature in the University of Virginia Concise Encyclopedia of Latin American Literature Verity Smith, 2014-01-14 The Concise Encyclopedia includes all entries on topics and countries cited by many reviewers as being among the best entries in the book entries on the 50 leading writers in Latin America from colonial times to the present and detailed articles on some 50 important works

in this literature those who read and studied in the English speaking world **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1975 **The Companion to Latin American Studies** Philip Swanson,2014-04-04
