Adult Bible Studies Summer 2020 Student Robert P Gardner, 2020-04-21 Beginning with the summer quarter the focal Bible passages will again appear in print in both the student and teacher books We will mostly use the Common English Bible CEB version of the text while sometimes including the New Revised Standard Version NRSV when it will better help students engage and appreciate the biblical texts Summer Theme Community This summer our lessons support the theme of Community The writer of the student book lessons is Robert Gardner the teacher book writer is Martha Myre A New Thing Spiritual Practice Study Scripture Deuteronomy 8 1 10 1 Kings 18 20 39 2 Kings 22 8 20 Hosea 1 2 11 If you look at the texts of this unit in the sequence they are laid out over the four lessons it may not be immediately apparent why the unit theme is A New Thing While Lesson 1 presents God's charge to ancient Israel to keep the commandments Lessons 2 and 3 focus on incidents brought about by the people failing to keep the commandments and Lesson 3 adds the note of divine judgment It's only when we get to Lesson 4 that the new creation theme emerges But after the journey the first three lessons takes us through the need for a fresh start is obvious and the message of restoration that God announces through Hosea is most welcome A New People Scripture Jeremiah 23 1 8 Daniel 1 8 17 Daniel 3 19 30 Nehemiah 9 9 17 32 33 Spiritual Practice Prayer While the Lord invites all to be people of God the Old Testament is essentially the story of God's dealings with a specific group of people the Israelites The four lessons of this unit give us an opportunity to look at some key stories related to those dealings God and the remnant the community's connection to God God's care for the people in a time of great stress and how God's love for the people continued despite their unfaithfulness All these stories have applications to us today but we begin to learn about God's ways through biblical stories about God and the Israelites A New Way of Life Scripture Luke 19 1 10 John 4 7 30 39 42 Luke 10 25 37 Matthew 15 21 28 Mark 5 1 20 Spiritual Practice Hospitality The Bible passages in the five lessons of this unit are all intended to enlarge our understanding of the word neighbor Four of the five are incidents that directly involve Jesus and the fifth is a parable Jesus told expressly to show what it means to be a neighbor the parable we call the parable of the good Samaritan All these passages are important for they elucidate Jesus' summary statement of one of the two most important commandments You must love your neighbor as you love yourself Matthew 22 39 Published quarterly each week's student book lesson features focal Bible passages reliable and relevant biblical explanation and application and more Now in response to feedback we are introducing new features and benefits for students including Larger size font making text easy to read A comprehensive Bible study plan with more flexibility in terms of Scripture selection and topics Observation of the church seasons including Advent and Lent Suggestions for developing spiritual practices prayer confession worship mindfulness solitude community hospitality neighboring service and celebration Visit AdultBibleStudies.com and sign up for the FREE weekly newsletter to automatically receive the FREE Current Events Supplement and other information about these resources and more **The Concise A to Z Guide to Finding It in the**

Flewelling,2025-01-13 These meditations take a verse from one of the lectionary texts not chosen for preaching for a given service and offer a devotional reflection on the verse often using the context of the entire pericope as prescribed in the Revised Common Lectionary for context as needed I try to make the meditations worth the while of my readers having found a fairly broad readership among the congregations I served through the years This book covers the years 2020 through 2024

Kerygmatic Hermeneutics Swee Sum Lam,2021-09-30 Kerygmatic Hermeneutics takes a reader at once into a concrete apprehension of God in his scriptural truth through flowing in the Spirit With the Spirit working with Scripture a reader navigates in a to ing and fro ing between the general claims of God and the patterns of his actions in the world and the embodiment of these general claims in the concrete particularity of contemporary living This to ing and fro ing shapes an embodied witness to the world In this account an interpretation of scriptural truth is incomplete until Christ is proclaimed in the power of the Spirit to bring life This brings the world into an encounter with God Kerygmatic Hermeneutics is an account of how one may make theology in the Pentecostal charismatic tradition This constructive theological account also yields a practice of interpretation of Scripture in a community of faith This formulation of kerygmatic theology and its hermeneutical practice opens theology to empirical enquiry and spiritual discernment in a post Christian western world This account is also existentially relevant for the global south and east especially where readers find themselves having to speak apologetically into diverse religious and spiritual practices in daily encounters *A Second "For Your Quiet Meditation"* William

Flewelling,2019-12-04 These meditations take a verse from one of the lectionary texts not chosen for preaching for a given service and offer a devotional reflection on the verse often using the context of the entire pericope as described in the lectionary I try to make them worth the while of my readers finding a fairly broad readership among the congregations I served through the years The Cross on the cover was made by William Herbert Durst in his Florence workshop Mr Durst was the grandfather of Mary Bess Halford Staffell who calls it his Trinity Cross *Spiritual Exercises Based on Paul's Epistle to the Romans* Joseph A. Fitzmyer,2004 Paul s letter to the Romans is often regarded as the most profoundly doctrinal book in the Bible While not overlooking its complex theology Joseph Fitzmyer here shows Romans to be also a wellspring of devotional insight accessible and deeply rewarding to all Christians In this book Fitzmyer recasts the text of Romans into the form of meditations for devotional reflection in spiritual retreats Bible studies church classrooms small groups and other prayerful gatherings Styled after the famous Spiritual Exercises of St Ignatius Loyola the book includes twenty four meditations that can be divided in a variety of ways and fit to a range of reading schedules Accompanying each meditation

are questions to encourage reflection on the passage of Romans being considered and also a colloquy in the form of a psalm or New Testament hymn that matches the sentiment of the Pauline passage A truly fulfilling approach to spirituality Fitzmyer's Spiritual Exercises demonstrates the role of Scripture in properly ordering the Christian life **Inn-By-The-Bye Stories -**

19 William Flewelling,2020-03-23 As a preacher seeking a fresh way into the text I would be using for preaching I began to develop an imaginary world populated primarily by wee folk I found that they my characters as I found them developing and evolving not only in my mind but also on the page served me well as a consideration of how I sensed things happening in the scriptural text at hand I now want to make these stories and the world they represent newly available and so I bring them to book form fifty at a time The cover drawing is done by Eve Sullivan the author's granddaughter The drawing is the artist's conception of the entrance to the Fringe Playful Courtesies William Flewelling,2022-03-16 My poems sharpen my sight so that I see better what is there to be seen I will find some situation or image or nuance that catches my eye intrigues me Sometimes that seeing lends itself as an image for me and then a line just one at first that when written down enters into a cadence a rhythm a sense of sound and echo that emerges into a sequence of lines that flow usually quickly And then the lines stop the images seem complete and then they announce to me that the poem is complete That is true whether the image is a raindrop a face a pose a tree a flower a bird a shadow or the innuendo of faith or country whatever This book draws upon poems written some years ago mostly in the years 2009 and 2015 There are also a few current poems that insist themselves into the collection as they are accumulated into the current year's file As I revisit poems of years ago quite often the occasion presents itself to memory but not always so Sometimes that occasion is as if unnecessary and indeed almost in the way of the poem as it has come to be Revisiting is always a pleasure it becomes one of the spurs toward forming the collection itself Indeed it is the pleasure and the satisfaction in that book that brings it about Satisfaction is such a boon to life
