Reform, Reaction, and Resources Miriam E. David, 1977 *Rethinking Sociological Critique in Contemporary Education* Radhika Gorur, Paolo Landri, Romuald Normand, 2023-12-19 This book explores a new repertoire for critique in the sociology of contemporary education focusing on emerging social theories that respond to contemporary challenges in education education policy and governance Presenting a variety of approaches in the sociology of education including pragmatist critical sociology neo Marxism post digital sociology new materialisms affirmative critique of education and post colonial studies the chapters in this book engage in a novel collective dialogue and reflection on the affordances limitations and challenges of emerging social theories in contemporary education The book further justifies this novel approach through inclusion of a series of interviews with leading scholars and thinkers from within and outside the field of education on the subject of critique in contemporary society and education The book offers relevant global and decolonial perspectives to study current transformations drawing on innovations in theorizing and empirical illustrations from different countries Highlighting alternative visions of these transformations in an era of globalization fragmentation and growing nationalism this cutting edge book will be of great interest to researchers academics and postgraduate students in the fields of the sociology of education the philosophy of education social theory political science and comparative policy and politics more broadly

The State, the Family and Education (Routledge Revivals) Miriam David, 2015-06-03 In *The State The Family and Education* first published in 1980 Miriam David provides an entirely new analysis of the relationship of the State to the family and education David shows how the State through its educational policies regulates family relationships with and within schools This book provides a welcome analysis of educational policy from a socialist feminist perspective re examining the ways in which women as parents teachers and pupils are involved in the education system This book will be of interests to students of education

Educational Partnerships and the State: The Paradoxes of Governing Schools, Children, and Families B. Franklin, M. Bloch, T. Popkewitz, 2003-12-18 *Educational Partnerships and the State* is a compelling collection of essays by an international group of scholars that provides a critical exploration of the role of partnerships in contemporary educational reform Their focus is on the expanding role that collaboration between the public and private sector has come to play in the governing of schools children and families in response to an array of worldwide economic and social changes The contributors to this volume highlight the new relationship between civil society and the state through partnerships and what that linkage has come to mean for an array of educational issues including academic achievement school governance school parent relationships teacher education the construction of family and community involvement and the discourses of reform as practices that order participation and action

The Politics of Reorganizing Schools Stewart Ranson, 2018-05-11 Originally published in 1990 The rapid decline in the birth rate in the 1970s and the resulting fall in school rolls had a dramatic effect on the curriculum staffing organization and management of schools This book focuses on

the national and local politics surrounding school closures amalgamations and the replacement of sixth forms with tertiary colleges The author illuminates the changing politics of education through an analysis based on research in LEAs including Birmingham and Manchester He explores the roles of central government local education authorities and the politics of increased parental choice The book shows how spare capacity in schools captures the political struggle between those concerned to protect the post war tradition of educational opportunity for all and the New Right who want to seize the chance to place schools in the market place expanding consumer choice and public accountability
