Refugee Life In The Confederacy

Joe A. Mobley

Refugee Life In The Confederacy:

Refugee Life in the Confederacy Mary Elizabeth Massey, 2001-05-01 The Civil War spawned tens of thousands of southern refugees Some fled from bombardment or rumor of invasion Others were exiled by enemy commanders Virtually none anticipated the extreme hardships they would encounter Through diligent research in manuscripts and newspapers Mary Elizabeth Massey brings vivid detail to all aspects of southern refugee life Thrilling tales of displaced people scrambling for trains or making river crossings recapture the poignancy of civilians trapped between advancing and retreating armies Massey examines the psychological effects of the war on the homeless the humor they found in their difficulties their activities in adopted communities private and public aid and legislation concerning them The refugees created enormous problems for the southern war effort as they crowded into the ever contracting areas of the Confederacy disabling wartime transportation and contributing to the congestion of cities to the point that it was difficult to feed and house them Historians have long recognized the refugees importance and writers of fiction their appeal but Massey s *Refugee Life in the Confederacy* originally published in 1964 marks the first full telling of their story With a new introduction by George C Rable this comprehensive study is essential to a thorough understanding of the Civil War *Weary of War* Joe A.

Mobley, 2008-02-28 Providing a fresh look at a crucial aspect of the American Civil War this new study explores the day to day life of people in the Confederate States of America as they struggled to cope with a crisis that spared no one military or civilian Mobley touches on the experiences of everyone on the home front white and black male and female rich and poor young and old native and foreign born He looks at health agriculture industry transportation refugees city life religion education culture families personal relationships and public welfare In so doing he offers his perspective on how much the will of the people contributed to the final defeat of the Southern cause Although no single experience was common to all Southerners a great many suffered poverty dislocation and heartbreak For African Americans however the war brought liberation from slavery and the promise of a new life White women too saw their lives transformed as wartime challenges gave them new responsibilities and experiences Mobley explains how the Confederate military draft heavy taxes and restrictions on personal freedoms led to widespread dissatisfaction and cries for peace among Southern folk He describes the Confederacy as a region of divided loyalties where pro Union and pro Confederate neighbors sometimes clashed violently This readable one volume account of life behind the lines will prove particularly useful for students of the conflict *Battle Cry of Freedom* James M. McPherson, 2003-12-11 *Battle Cry of Freedom* is the definitive one volume history of the Civil War McPherson s fast paced narrative fully integrates the political social and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox Packed with drama and analytical insight the book vividly recounts the momentous episodes that preceded the Civil War the Dred Scott decision the Lincoln Douglas debates John Brown s raid on Harper s Ferry and then moves into a masterful chronicle of the war itself the battles the strategic

maneuvering on both sides the politics and the personalities The Confederate Belle Giselle Roberts,2003 While historians have examined the struggles and challenges that confronted the Southern plantation mistress during the American Civil War until now no one has considered the ways in which the conflict shaped the lives of elite young women otherwise known as belles In *The Confederate Belle* Giselle Roberts uses diaries letters and memoirs to uncover the unique wartime experiences of young ladies in Mississippi and Louisiana In the plantation culture of the antebellum South belles enhanced their family's status through their appearance and accomplishments and later by marrying well During the American Civil War a new patriotic womanhood superseded the antebellum feminine ideal It demanded that Confederate women sacrifice everything for their beloved cause including their men homes fine dresses and social occasions to ensure the establishment of a new nation and the preservation of elite ideas about race class and gender As menfolk answered the call to arms southern matrons had to redefine their roles as mistresses and wives Southern belles faced a different yet equally daunting task After being prepared for a delightful bellehood young ladies were forced to reassess their traditional rite of passage into womanhood to compromise their understanding of femininity at a pivotal time in their lives They found themselves caught between antebellum traditions of honor and of gentility a binary patriotic feminine ideal and wartime reality

BOOK JACKET
Book jacket *A Weary Land* Kelly Houston Jones,2021-03-31 In the first book length study of Arkansas slavery in more than sixty years *A Weary Land* offers a glimpse of enslaved life on the South's western margins focusing on the intersections of land use and agriculture within the daily life and work of bonded Black Arkansans As they cleared trees cultivated crops and tended livestock on the southern frontier Arkansas's enslaved farmers connected culture and nature creating their own meanings of space place and freedom Kelly Houston Jones analyzes how the arrival of enslaved men and women as an imprisoned workforce changed the meaning of Arkansas's acreage while their labor transformed its landscape They made the most of their surroundings despite the brutality and increasing labor demands of the second slavery the increasingly harsh phase of American chattel bondage fueled by cotton cultivation in the Old Southwest Jones contends that enslaved Arkansans were able to repurpose their experiences with agricultural labor rural life and the natural world to craft a sense of freedom rooted in the ability to own land the power to control their own movement and the right to use the landscape as they saw fit

Women and the American Civil War Theresa McDevitt,2003-09-30 The first reference work to draw together the stories and studies of women in the American Civil War this annotated bibliography offers access to the literature that documents the history of women who experienced the war changed it and were changed by it Offering nearly 800 entries it lists both primary and secondary sources classic and current works and items in print and available on the Internet Drawing together over one hundred years of writings *Women in the American Civil War An Annotated Bibliography* is an invaluable resource for readers and researchers interested in this neglected topic During the American Civil War women played a highly significant role yet modern writers often overlook their experiences and contributions *Women in the American Civil War An*

Annotated Bibliography is the first reference work to focus exclusively on women in the war Sections list sources on such diverse topics as women as nurses and medical relief workers women s changing economic roles their lives as refugees as spies and scouts or in military camps It also looks at the literature on the miscellaneous topics of women in public wives of politicians and military commanders family life and women on the wrong side of the law

Driven from Home David Silkenat, 2016-10-15 Examining refugees of Civil War era North Carolina Driven from Home reveals the complexity and diversity of the war s displaced populations and the inadequate responses of governmental and charitable organizations as refugees scrambled to secure the necessities of daily life In North Carolina writes David Silkenat the relative security of the Piedmont and mountains drew pro Confederate elements from across the region Early in the war Union invaders established strongholds on the coast to which their sympathizers fled in droves Silkenat looks at five groups caught up in this floodtide of emigration enslaved African Americans who fled to freedom white Unionists pro Confederate whites both slave owners who often forced their slaves to migrate with them and non slave owners and young women often from more besieged areas of the South who attended the state s many boarding schools From their varied experiences a picture emerges of a humanitarian crisis driven by mobility shaped by unprecedented economic pressures and disease vectors and exacerbated by governments unwilling or unable to provide meaningful relief For anyone seeking context to current refugee crises Driven from Home has much to say about the crushing administrative and logistical challenges of aid work the illusory nature of such concepts as home fronts and battle lines and the ongoing debate over links between relief and dependence

Routes of War Yael A. Sternhell, 2012-04-16 The Civil War thrust millions of men and women rich and poor soldiers and civilians enslaved and free onto the roads of the South During four years of war Southerners lived on the move In the hands of Sternhell movement becomes a radically new means to perceive the full trajectory of the Confederacy s rise struggle and ultimate defeat

The Confederate Carpetbaggers Daniel E. Sutherland, 1988-06-01 Following the American Civil War many former Confederates fled their southern homeland Some became expatriates settling in Canada Europe Mexico South America and Asia Others migrated to the western United States seeking fresh starts in the newly forming territories But a third somewhat more audacious group invaded the land of their Yankee foe Settling in northeastern and midwestern towns and cities these Confederate carpetbaggers believed that northern economic and educational opportunities offered the quickest means of rebuilding shattered fortunes and lives In *The Confederate Carpetbaggers* Daniel E Sutherland examines the lives of those southern men and women who moved north between 1865 and 1880 Dealing with their various motives for moving north problems of adaptation to northern society attempts to find new identities and efforts to maintain personal ties with other Confederates in the North as well as with old friends in the South Sutherland provides a detailed and illuminating account of the contributions these displaced southerners made to the financial literary artistic and political life of the nation The principal characters in Sutherland s story are Burton Norvell Harrison who served as private secretary to Jefferson Davis and

his wife Constance Cary Harrison a popular belle in wartime Richmond In 1867 the Harrisons moved to New York City where they remained for four decades Their exploits beliefs and emotions serve as a prism through which to view the successes and failures of other Confederate carpetbaggers Although some emigrants returned to the South after brief unpleasant northern sojourns others spent the remainder of their lives in the North Some became millionaires others suffered poverty and ill health Some became famous most settled into tolerable unobtrusive lives as productive citizens in a reunited nation Sutherland s study breaks new and significant ground in explaining the complexities of Reconstruction and late nineteenth century American life Traditional approaches to Reconstruction history concentrate on the South particularly on the plight of freedmen and on the political battle for control of state governments Some scholars have made passing references to the most prominent Confederates in the North but until now no one has explored the lives of these men and women in detail In this entertaining and well written account Sutherland suggests that while the Confederate carpetbaggers were relatively few in number they made significant contributions to American progress in the years following the war contributions they might not have made had they remained in the South The Oxford Handbook of the American Civil War Lorien Foote,Earl J. Hess,2021 Assembles contributions from thirty nine leading historians of the American Civil War into a coherent attempt to assess the war s impact on American society

When somebody should go to the book stores, search creation by shop, shelf by shelf, it is in reality problematic. This is why we give the ebook compilations in this website. It will definitely ease you to look guide **Refugee Life In The Confederacy** as you such as.

By searching the title, publisher, or authors of guide you in fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. While this might not be the Refugee Life In The Confederacy full book , it can give you a taste of the authors writing style. Subscription

Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Refugee Life In The Confederacy eBooks, including some popular titles.

FAQs About Refugee Life In The Confederacy Books

What is a Refugee Life In The Confederacy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Refugee Life In The Confederacy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Refugee Life In The Confederacy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Refugee Life In The Confederacy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Refugee Life In The Confederacy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
