Know No Boundaries Lateral Collateral,2013-12-12 It is neither a thesis nor it is a novel Not it is a fantasy not even a fairy tale With an event of mass disobedience we start No shot is fired no one is physically hurt On a sunny day at every airport of the world People queue up for check in with no visa in hand One and all in all the classes economy first or business No one had a visa world citizenship each like to harness No international flight takes off From Wellington where the day starts From other airports of New Zealand too No other plane departs Nowhere in the world from any airport Took off any International flight Following day was no different And the following night All airlines give up No end of the tunnel no ushering light The main suspect behind these events was John John's identity is however very clear To all passengers he is very dear For questioning his role in mass disobedience Arrested was John and served punishing sentence He was punished to undergo forensic probes For extracting his memoir and his hopes To get the events that led him to his roles To his visions to cross boundary ropes **Valleywood - The Autobiography of Lateysha Grace** Lateysha Grace,2015-03-12 Since exploding onto our screens as part of the MTV show The Valleys diva Lateysha Grace has caused quite a stir with her kick

offs cat fights and confident Beyoncé like behaviour But before all the glamour Lateysha had a bleak childhood born into a single parent family where her mother Debbie struggled to make ends meet plunging the family into the depths of abject poverty All Lateysha craved was a normal family life and when her mum met a new man she was happy to finally have a father figure Her dream soon turned into her worst nightmare though when her new dad became addicted to heroin the man she thought was her knight in shining armour had turned out to be the devil incarnate Lateysha could do nothing but watch as he physically abused her her mother and her siblings Lateysha's story is shocking upsetting and often heartbreaking and she holds no bars when it comes to speaking about her turbulent childhood wild behaviour and emotional despair The devastating effects of her traumatic youth came to the surface when as a teenager Lateysha attempted to take her own life twice and found solace in drugs alcohol and casual sex as a way of dealing with her problems Even her time on *The Valleys* almost never happened after Lateysha was charged with assault on a girl in a local nightclub Eventually the Welsh beauty was found not guilty but this drama just added to the long list of harrowing events in her young life With deep valleys of heartache and peaks of joy Lateysha's bonk busting autobiography will have you scrambling to turn the page

Out of Control Rodney Hunt, 2016-10-21 The truth is we've all experienced the brokenness of this world broken dreams hopes and expectations You lose your job An unexpected circumstance catches you by surprise Someone you love dies A relationship fails You do something you regret What I want to remind you is that regardless of your situation you can find hope in an out of control world There is hope because God is picking up the pieces of our lives to make us whole again There is hope because he has a plan While we will experience pain and loss God will restore our joy and restore that which has been lost That promise is repeated over and over many times in the Scriptures God will restore He will pay back What was lost will be found again In fact we will receive much more back than what we lost There is a better future than what you are seeing and experiencing right now You need to know that in a world where so much seems set against you God is in control and he is on your side God is not your enemy He is your advocate and defender He wants what is best for you He wants to give you a future and a hope

Abortion and Social Responsibility Laurie Shrage, 2003 Shrage argues that Roe v Wade's regulatory scheme of a six month time span for abortion on demand polarized the public and obscured alternatives with potentially broader support She explores the origins of that scheme then defends an alternate one with a time span shorter than 6 months for non therapeutic abortions that could win broad support needed to make legal abortion services available to all women
