Revelation X Ivan Stang, 1994 *The Lord of the Sabbath Opens His Book of Revelation* Christopher Fung, 2017-09-11 Intuitive logical thinking would suggest that Revelation should be One biblically coherent and complete narration That uses only natural and biblical symbols To retell God s consistent work from beginning to end That reveals Jesus and his resurrection as the focus To call for decisive response from every person For the creation which God loves and will glorify To close God s written oracle to humankind But almost no one has been able to demonstrate these Through the lens of God bringing his created order from the beginning to his final Sabbath in Jesus Christ and noticing an overlooked peculiarity of Revelation chapter 20 is glaringly different to the rest of the chapters the mysteries of Revelation are shown to be plainly manifested truths already in the Bible rather than esoteric and hidden teachings still to be deciphered Centering Jesus in all things Revelation filters out inconsequential and errant teachings and highlights the essential core of Judeo Christianity to prompt a response from every person made in God s image Poignantly it shines a light on the current global crises environmental political religious and economic This book s common sense context first exegesis sets it apart from most other Revelation commentaries on the market

The Hidden Secrets of The Book of Revelation and The Book of Daniel Revealed Robert Wayne, 2022-08-30 The book of Revelation and the book of Daniel are books of prophecy Prophecy is history written advance for the end times the last days of human government on the earth the twentieth century and beyond I went to the hospital for a triple bypass and a blood clot on the brain Three months later I was sent home then I realized that I lost my ability to read and write This happened in 2009 I had good knowledge of the Bible and the book of Revelation With the help of my nine year old granddaughter I started the relearning process with the book of Revelation After three years I could read about second grade level I also spent a lot of time reading the book of Daniel chapter 7 Daniel had many dreams and visions In this case he saw four animals come out of the sea The first was like a lion which represented England and it had eagle s wings on its back that were plucked This was the United States becoming free from English rule This event happened in 1776 Daniel saw it in 561 BC I was also studying the book of Revelation as being the events of the 1900s At the same time the late Irvine Baxter was teaching chapter 8 of the book of

Revelation He talked about oil well fires nuclear plant explosion the first Gulf War and many other events that were happening I sent the papers I had to end time ministries hoping they could use them I received no replies A short time later I sent a copy of papers to Sid Roth It s Supernatural They replied with a thank you letter This occurred in August 2019 I wanted someone to finish the project I couldn t stop for God kept revealing hidden secrets to me *The Complete Idiot's Guide to the Book of Revelation* James S. Bell Jr.,Stan Campbell,2001-12-01 You re no idiot of course You re familiar with the Four Horsemen of the Apocalypse and Judgment Day especially in the wake of the new millennium However the Book of Revelation has existed for almost 2 000 years and is open to countless interpretations Don t get confused by scholarly analysis and religious dogma The Complete Idiot s Guide to the Book of Revelation shows you how so many meanings are derived from the book s text In this Complete Idiot s Guide you get Various ways to interpret Revelation and its symbols A detailed examination of the key elements including the Seven Seals and the Antichrist A look at how the Jewish Old Testament and prophecies relate to Revelation **The Secret Book of Revelation** Gilles Quispel,1979 **The Book of Revelation** Terry L. Newbegin,2011-03 Revelations A New Beginning contains the hidden secrets of Saint John s Revelations and as you know it is one of the most debated and most difficult books of all the scriptures to read and understand because of the extreme symbolism tied to it We have always assumed the words of God s prophets and their stories were indisputable just because of one s eminence in interpreted them as being true Man has forgotten the history of himself Earth God the origin of the universe and how the scriptures have been documented interpreted and strictly passed down by our ancestors and religious leaders As symbolic as Revelations is it has nothing to do with the end days or even about a solitary Anti Christ as we understand it nor is it about Jesus coming to save you In truth Revelations is your own guide showing you that you no longer need to look at yourself as a sinner because you have bared your cross like Jesus and now the time has come for you to ascend to a higher state of Mind Revelations A New Beginning is a book that will help open the gates of your Soul memories so you can become aware of your own divineness and that you are a God too My fellow Gods what is coming to an end is the old ways of perceiving and understanding God It is not that God is a mystery It is you that is the mystery and when fear is resolved within you are then ready to open up to the hidden secrets behind the Book of Revelations that religions have kept as a secret for thousands of years either on purpose or because of ignorance *An Exposition of the Book of Revelation* Odell Furtick Jr.,2018-03-23 Odell Furtick begins this exposition by saying Do you believe Its a question that everyone must answer personally Its been over two thousand years since anyone has seen Jesus on earth after his ascension and now the believers are told to wait for his return Has humanity grown weary in their belief and lost faith in the promises of God Dr Furtick leads his readers through the book of Revelation verse by verse reassuring the readers that Gods final words are reliable and precise The book of Revelation is one of the most neglected books in the Bible because of fear and lack of comprehension of its apocalyptic writings and prophetic symbols This book brings to life a concise knowledge of the

mysteries of God concealed in the Old Testament and revealed in the Revelation of Jesus Christ The book of Revelation is relevant in the twenty first century and the world should believe the testimony of the apostle John and believe all the sayings written in the Word of God **An Exposition of the Book of Revelation [with Text].** ,1850 **Making Sense of the**
