Roman Coins And Public Life Under The Empire

Geoff W. Adams

Roman Coins And Public Life Under The Empire:

Roman Coins and Public Life Under the Empire George M. Paul, 1999 Opens windows into imperial policy and artistic taste Religion and Society in Roman Palestine Douglas R. Edwards, 2004-08-05 A collection of papers focussing on the contributions made by archaeology to the understanding of society in Palestine in the Roman period The papers enable the two ways of evidence to interact in an unprecedented way From Republic to Empire John Pollini, 2012-11-20 Political image making especially from the Age of Augustus when the Roman Republic evolved into a system capable of governing a vast culturally diverse empire is the focus of this masterful study of Roman culture Distinguished art historian and classical archaeologist John Pollini explores how various artistic and ideological symbols of religion and power based on Roman Republican values and traditions were taken over or refashioned to convey new ideological content in the constantly changing political world of imperial Rome Religion civic life and politics went hand in hand and formed the very fabric of ancient Roman society Visual rhetoric was a most effective way to communicate and commemorate the ideals virtues and political programs of the leaders of the Roman State in an empire where few people could read and many different languages were spoken Public memorialization could keep Roman leaders and their achievements before the eyes of the populace in Rome and in cities under Roman sway A leader's success demonstrated that he had the favor of the gods a form of legitimation crucial for sustaining the Roman Principate or government by a First Citizen Pollini examines works and traditions ranging from coins to statues and reliefs He considers the realistic tradition of sculptural portraiture and the ways Roman leaders from the late Republic through the Imperial period were represented in relation to the divine In comparing visual and verbal expression he likens sculptural imagery to the structure syntax and diction of the Latin language and to ancient rhetorical figures of speech Throughout the book Pollini's vast knowledge of ancient history religion literature and politics extends his analysis far beyond visual culture to every aspect of ancient Roman civilization including the empire's ultimate conversion to Christianity Readers will gain a thorough understanding of the relationship between artistic developments and political change in ancient Rome Caesar Rules Olivier Hekster, 2022-12-08 A riveting portrayal of what the inhabitants of the Roman Empire expected of their ruler and their feelings about him **Coining Images of Power** Erika Manders, 2012-01-06 Current scholarship on Roman imperial representation addresses both the ways in which individual rulers presented themselves to their subjects and how particular aspects of imperial representation developed over time This book combines these two approaches It examines the diachronic development of the representation of Roman imperial power as a whole in one medium over a longer period of time Through a quantitative and qualitative analysis of coin types issued between A D 193 and 284 patterns in the representation of third century Roman emperors on imperial coinage are made visible The result is a new perspective on the development of imperial ideology in times of crisis *Paul's 'Spirit of Adoption' in its Roman Imperial Context* Robert Brian Lewis, 2016-01-28 Robert Lewis examines Paul's use of the phrase

Spirit of Adoption in Romans 8 12 17 against the background of its Roman Imperial context in order to shed light on interpretation of Paul's Letter to the Romans Whereas other scholars have explored what Paul may have meant when he uses the term adoption Lewis instead explores the reasons behind Paul's coupling of it with the term spirit Having examined theories for a possible Jewish antecedent for Paul's use of this phrase and found them less than persuasive Lewis unlocks the data within the term's Roman Imperial context that significantly clarifies what Paul means when he uses the phrase Spirit of adoption Lewis shows that when Paul wrote his letter to the Romans adoption had become a feature of Imperial succession Roman religion gave a great deal of prominence to the Roman family spirit the genius The Emperor's genius became identified as a deity in Roman religion and its veneration was widespread in Rome as well as the provinces When Romans 8 12 17 is read against this background a very different kind of exegetical picture emerges **Leading the Roman Army**

Jonathan Mark Eaton, 2020-07-30 The Roman imperial army represented one of the main factors in the exercise of political control by the emperors The effective political management of the army was essential for maintaining the safety and well being of the empire as a whole This book analyses the means by which emperors controlled their soldiers and sustained their allegiance from the battle of Actium in 31 BC to the demise of the Severan dynasty in AD 235 Recent discoveries have revolutionized our understanding of the Roman army This study provides an up to date synthesis of a range of evidence from archaeological epigraphic literary and numismatic sources on the relationship between the emperor and his soldiers It demonstrates that this relationship was of an intensely personal nature He was not only the commander in chief but also their patron and benefactor even after their discharge from military service Yet the management of the army was more complex than this emperor soldier relationship suggests An effective army requires an adequate military hierarchy to impose discipline and command the troops on a daily basis This was of particular relevance for the imperial army which was mainly dispersed along the frontiers of the empire effectively in a series of separate armies The emperor needed to ensure the loyalty of his officers by building mutually beneficial relationships with them In this way the imperial army became a complex network of interlocking ties of loyalty which protected the emperor from military subversion **Byzantium, Its**

Neighbours and Its Cultures Danijel Dzino, Ken Parry, 2014-01-01 Byzantium was one of the longest lasting empires in history Throughout the millennium of its existence the empire showed its capability to change and develop under very different historical circumstances This remarkable resilience would have been impossible to achieve without the formation of a lasting imperial culture and a strong imperial ideological infrastructure Imperial culture and ideology required among other things to sort out who was insider and who was outsider and develop ways to define and describe one's neighbours and interact with them There is an indefinite number of possibilities for the exploration of relationships between Byzantium and its neighbours The essays in this collection focus on several interconnected clusters of topics and shared research interests such as the place of neighbours in the context of the empire and imperial ideology the transfer of knowledge with neighbours

the Byzantine perception of their neighbours and the political relationship and or the conflict with neighbours *Antioch in Syria* Kristina M. Neumann, 2021-09-02 Antioch in Syria critically reassesses this ancient city from its Seleucid foundation into Late Antiquity Although Antioch's prominence is famous Kristina M Neumann newly exposes the gradations of imperial power and local agency mediated within its walls through a comprehensive study of the coins minted there and excavated throughout the Mediterranean and Middle East Patterns revealed through digital mapping and Exploratory Data Analysis serve as a significant index of spatial politics and the policies of the different authorities making use of the city Evaluating the coins against other historical material reveals that Antioch's status was not fixed nor the people passive pawns for external powers Instead as imperial governments capitalised upon Antioch's location and amenities the citizens developed in their own distinct identities and agency Antioch of the Antiochians must therefore be elevated from traditional narratives and static characterisations being studied and celebrated for the dynamic polis it was *Nero* J. F. Drinkwater, 2019-01-03 Nero was negligent not tyrannical This allowed others to rule remarkably well in his name until his negligence became insupportable **The Emperor Commodus** Geoff W. Adams, 2013 This work establishes the various perspectives surrounding and emanating from the Roman Emperor Commodus Included are an in depth analysis of his major influences as a child youth particularly in relation to his family as well as a discussion of the influences that had occurred in Rome and while in the provinces despite the frequent denial of any positive attributes towards him within the works of many late Republican authors Adams analyses the progression of influences and events throughout the life of the infamous emperor in order to clearly establish Commodus perspectives about not only the Principate but also how his role within Roman society was clearly influenced by the ideals of his more well received predecessors the Five Good Emperors Edward Gibbon It is intended that this work will not only appeal to an academic audience but also interested students and laymen who have an interest in one of the most intriguing and infamous characters of the Ancient World **The Image of Political Power in the Reign of Nerva, AD 96-98** Nathan T. Elkins, 2017-07-03 At age 65 Nerva assumed the role of emperor of Rome just sixteen months later his reign ended with his death Nerva's short reign robbed his regime of the opportunity for the emperor's imperial image to be defined in building or monumental art leaving seemingly little for the art historian or archaeologist to consider In view of this paucity studies of Nerva primarily focus on the historical circumstances governing his reign with respect to the few relevant literary sources *The Image of Political Power in the Reign of Nerva AD 96-98* by contrast takes the entire imperial coinage program issued by the mint of Rome to examine the self representation and by extension the policies and ideals of Nerva's regime The brevity of Nerva's reign and the problems of retrospection caused by privileging posthumous literary sources make coinage one of the only ways of reconstructing anything of his image and ideology as it was disseminated and developed at the end of the first century during the emperor's lifetime The iconography of this coinage and the popularity and spread of different iconographic types as determined by study of hoards and finds and as targeted

towards different ancient constituencies offers a more positive take on a little studied emperor Across three chapters Elkins traces the different reverse types and how they would have resonated with their intended audiences concluding with an examination of the parallels between text and coin iconography with previous and subsequent emperors The Image of Political Power in the Reign of Nerva AD 96 98 thus offers significant new perspectives on the agents behind the selection and formulation of iconography in the late first and early second century showing how coinage can act as a visual panegyric similar to contemporary laudatory texts by tapping into how the inner circle of Nerva's regime wished the emperor to be seen

The Many Faces of Herod the Great Adam Kolman Marshak, 2015-04-22 An old bloodthirsty tyrant hears from a group of Magi about the birth of the Messiah king of the Jews He vengefully sends his soldiers to Bethlehem with orders to kill all of the baby boys in the town in order to preserve his own throne For most of the Western world this is Herod the Great an icon of cruelty and evil the epitome of a tyrant Adam Kolman Marshak portrays Herod the Great quite differently however carefully drawing on historical archaeological and literary sources Marshak shows how Herod successfully ruled over his turbulent kingdom by skillfully interacting with his various audiences Roman Hellenistic and Judaeans in myriad ways Herod was indeed a master in political self presentation Marshak's fascinating account chronicles how Herod moved from the bankrupt usurper he was at the beginning of his reign to a wealthy and powerful king who founded a dynasty and brought ancient Judaea to its greatest prominence and prosperity

Architectural Restoration and Heritage in Imperial Rome Christopher Siwicki, 2020 Challenging the idea that heritage is a purely modern phenomenon this volume addresses how historic buildings were treated in Imperial Rome examining the way in which the ancients restored the monuments they inherited from earlier generations and developing our understanding of the Roman concept of built heritage

The Ludi Saeculares of Septimius Severus Jussi Rantala, 2017-02-24 Septimius Severus emerged victorious from the civil war of AD 193 he was not part of the traditional political elite but instead a military commander from Africa with a Syrian princess as his wife To garner popular support and to legitimise his power Severus conducted an intensive propaganda campaign This is the first monograph to examine the Secular Games *ludi saeculares* the magnificent festival which celebrated Septimius Severus as a bringer of peace and prosperity and which also symbolised a new imperial ideology based on autocracy rather than the Antonine ideal of co operation between ruler and Senate

Visualizing Harbours in the Classical World Federico Ugolini, 2020-05-14 In recent years there has been intense debate about the reality behind the depiction of maritime cityscapes especially harbours Visualizing Harbours in the Classical World argues that the available textual and iconographic evidence supports the argument that these representations have a symbolic rather than literal meaning and message and moreover that the traditional view that all these media represent the reality of the contemporary cityscapes is often unrealistic Bridging the gap between archaeological sciences and the humanities it ably integrates iconographic materials epigraphic sources history and archaeology along with visual culture Focusing on three main ancient ports Alexandria Rome

and Leptis Magna Federico Ugolini considers a range of issues around harbour iconography from the triumphal imagery of monumental harbours and the symbolism of harbour images their identification across the Mediterranean and their symbolic ideological and propagandistic messages to the ways in which aspects of Imperial authority and control over the seas were expressed in the iconography of the Julio Claudian Trajan and Severii periods how they reflected the reputational growth and power of the mercantile class during the Imperial era and how the use of imagery reflected euergetism and paideia which would inform the Roman audience about who had power over the sea

Israel Numismatic Research Israel Numismatic Society, 2017-12-31

The Roman Emperor Gaius "Caligula" and His Hellenistic Aspirations Geoff W. Adams, 2007 The Roman Emperor Gaius Caligula and his Hellenistic Aspirations examines one of the most notorious of Roman Emperors in light of his rather unconventional upbringing in the Eastern Provinces of the Roman Empire The study has sought to use the ancient evidence in order to reassess the context in which the young Gaius Caligula was raised particularly in relation to the influence of his father Germanicus

[The Economy of Pompeii](#) Miko Flohr, Andrew Wilson, 2017 This book is the first to address from a variety of perspectives the economy of the Roman city of Pompeii It uses archaeological and textual evidence to discuss topics as diverse as agriculture in the fertile plains at the foot of Mount Vesuvius diet and health manufacturing urban investment consumption trade and money

Cicero's Role Models Henriette van der Blom, 2010-07-29 This book is about the famous Roman orator and statesman Cicero and his rhetorical and political strategy as a newcomer in Roman republican politics Henriette van der Blom argues that Cicero advertised himself as a follower of chosen models of behaviour from the past his role models and in turn presented himself as a role model to others This new angle provides fresh insights into the political and literary career of one of the best known Romans and into the political discourse of the late Roman Republic

This book delves into Roman Coins And Public Life Under The Empire. Roman Coins And Public Life Under The Empire is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Roman Coins And Public Life Under The Empire, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Roman Coins And Public Life Under The Empire
 - Chapter 2: Essential Elements of Roman Coins And Public Life Under The Empire
 - Chapter 3: Roman Coins And Public Life Under The Empire in Everyday Life
 - Chapter 4: Roman Coins And Public Life Under The Empire in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Roman Coins And Public Life Under The Empire. The first chapter will explore what Roman Coins And Public Life Under The Empire is, why Roman Coins And Public Life Under The Empire is vital, and how to effectively learn about Roman Coins And Public Life Under The Empire.
 3. In chapter 2, this book will delve into the foundational concepts of Roman Coins And Public Life Under The Empire. The second chapter will elucidate the essential principles that must be understood to grasp Roman Coins And Public Life Under The Empire in its entirety.
 4. In chapter 3, the author will examine the practical applications of Roman Coins And Public Life Under The Empire in daily life. This chapter will showcase real-world examples of how Roman Coins And Public Life Under The Empire can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Roman Coins And Public Life Under The Empire in specific contexts. This chapter will explore how Roman Coins And Public Life Under The Empire is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Roman Coins And Public Life Under The Empire. The final chapter will summarize the key points that have been discussed throughout the book.
- This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Roman Coins And Public Life Under The Empire.

Roman Coins And Public Life Under The Empire Introduction

In the digital age, access to information has become easier than ever before. The ability to download Roman Coins And Public Life Under The Empire has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Roman Coins And Public Life Under The Empire has opened up a world of possibilities. Downloading Roman Coins And Public Life Under The Empire provides numerous advantages over physical copies of books and documents. Firstly, it is

incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Roman Coins And Public Life Under The Empire has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Roman Coins And Public Life Under The Empire. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Roman Coins And Public Life Under The Empire. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Roman Coins And Public Life Under The Empire, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Roman Coins And Public Life Under The Empire has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Roman Coins And Public Life Under The Empire Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including

classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Roman Coins And Public Life Under The Empire is one of the best book in our library for free trial. We provide copy of Roman Coins And Public Life Under The Empire in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Roman Coins And Public Life Under The Empire. Where to download Roman Coins And Public Life Under The Empire online for free? Are you looking for Roman Coins And Public Life Under The Empire PDF? This is definitely going to save you time and cash in something you should think about.
