Urban Craftsmen and Traders in the Roman World Andrew Wilson,Miko Flohr,2016-02-12 This volume featuring sixteen contributions from leading Roman historians and archaeologists sheds new light on approaches to the economic history of urban craftsmen and traders in the Roman world with a particular emphasis on the imperial period Combining a wide range of research traditions from all over Europe and utilizing evidence from Italy the western provinces and the Greek speaking east this edited collection is divided into four sections It first considers the scholarly history of Roman crafts and trade in the nineteenth and twentieth centuries focusing on Germany and the Anglo Saxon world and on Italy and France Chapters discuss how scholarly thinking about Roman craftsmen and traders was influenced by historical and intellectual developments in the modern world and how different national research traditions followed different trajectories throughout the nineteenth and twentieth centuries The second section highlights the economic strategies of craftsmen and traders examining strategies of long distance traders and the phenomenon of specialization and presenting case studies of leather working and bread baking In the third section the human factor in urban crafts and trade including the role of apprenticeship gender freedmen and professional associations is analysed and the volume ends by exploring the position of crafts in urban

space considering the evidence for artisanal clustering in the archaeological and papyrological record and providing case studies of the development of commercial landscapes at Aquincum on the Danube and at Sagalassos in Pisidia Islamic Arts and Crafts Marcus Milwright, 2017-02-03 Islamic art is justly famed for its technological sophistication varied approaches to ornament and innovative employment of the written word But what do we know about the skilled artisans who spent their lives designing and creating the paintings objects and buildings that are so admired today This anthology of written sources dating from the seventh to the twentieth centuries explores numerous aspects of the crafts of the Middle East from the processing of raw materials to the manufacture of finished artefacts You will learn about the legal and ethical dimensions of the arts and crafts the organisation of labour in urban and rural contexts the everyday lives of artisans the gendered dimensions of making things and the impact of industrialisation upon traditional methods of manufacture Each chapter begins with an introduction providing a wider context for the primary sources There are also suggestions for further reading **Roman Crafts and Industries** Alan McWhirr, 1982 *Roman Crafts* Donald Emrys Strong, 1976-01-01

Masculinity and Dress in Roman Antiquity Kelly Olson, 2017-05-08 In *Masculinity and Dress in Roman Antiquity* Olson argues that clothing functioned as part of the process of communication by which elite male influence masculinity and sexuality were made known and acknowledged and furthermore that these concepts interconnected in socially significant ways This volume also sets out the details of masculine dress from literary and artistic evidence and the connection of clothing to rank status and ritual This is the first monograph in English to draw together the myriad evidence for male dress in the Roman world and examine it as evidence for men's self presentation status and social convention **The Romans** Kevin M McGeough, 2009-03-26 Kevin McGeough approaches the centuries long story of Rome thematically exploring its geography history economics social structures material culture and intellectual achievements The book not only addresses such topics as historical personalities forms of government and religion but also coinage administrative organization festivities the art of leisure death and burial rituals and much more Each chapter provides an up to date summary of our knowledge of Roman civilization making this book an ideal introduction to this fascinating and complex culture **The World of Roman Costume** Judith Lynn Sebesta, Larissa Bonfante, 1994 These essays survey document and elucidate over a thousand years of Roman garments and accessories from Etruscan influences to the transition to early Christian and medieval garb Subjects include functional and symbolic uses manufacture and industry male female and children's garb and daily life and official dress **The Roman Villa in the Mediterranean Basin** Annalisa Marzano, Guy P. R. Métraux, 2018-04-30 This volume offers a comprehensive survey of Roman villas in Italy and the Mediterranean provinces of the Roman Empire from their origins to the collapse of the Empire The architecture of villas could be humble or grand and sometimes luxurious Villas were most often farms where wine olive oil cereals and manufactured goods among other products were produced They were also venues for hospitality conversation and thinking on pagan and ultimately Christian

themes Villas spread as the Empire grew Like towns and cities they became the means of power and assimilation just as infrastructure such as aqueducts and bridges was transforming the Mediterranean into a Roman sea The distinctive Roman Italian villa type was transferred to the provinces resulting in Mediterranean wide culture of rural dwelling and work that further unified the Empire Writing and Power in the Roman World Hella Eckardt,2017-10-26 In this book Hella Eckardt offers new insights into literacy in the Roman world by examining the tools that enabled writing such as inkwells styli and tablets Literacy was an important skill in the ancient world and power could be and often was exercised through texts Eckardt explores how writing equipment shaped practices such as posture and handwriting and her careful analysis of burial data shows considerable numbers of women and children interred with writing equipment notably inkwells in an effort to display status as well as age and gender The volume offers a comprehensive review of recent approaches to literacy during Roman antiquity and adds a distinctive material turn to our understanding of this crucial skill and the embodied practices of its use At the heart of this study lies the nature of the relationship between the material culture of writing and socio cultural identities in the Roman period **Greek and Roman Dress from A to Z** Lloyd Llewellyn-Jones,Glenys Davies,2007-12-01 Who dressed as a woman in an attempt to commit adultery with Julius Caesar s wife How did the ancient Greeks make blusher from seaweed Just how does one wear a toga If as many claim the importance of clothes lies in their detail then this a book that no sartorially savvy Classicist should be without Greek and Roman Dress from A to Z is an alphabetized compendium of styles and accessories that form the well known classical image a reference source of stitches drapery hairstyles colours fabrics and jewellery and an analysis of the intricate system of social meanings that they comprise The entries range in length from a few lines to a few pages and cover individual aspects of dress alongside surveys of wider topics and illuminating socio cultural analysis drawn from ancient art literature and archaeology For those who want to take their reading further there are references to both primary sources and modern scholarship This book is be fascinating for anyone delving into it with an interest in style and dress and an invaluable companion for any classicist *Facing the Colours of Roman Portraiture* Amalie Skovmøller,2020-09-07 The fact that most ancient marble portraits were once intentionally polychrome has always been lurking at the corners of art historical and archaeological research Despite the fact that the colours of the sculpted forms completed enhanced and even extended the plastic shapes the topic has not been devoted much dedicated attention This book represents the first full length academic monograph which explores the original polychromy of Roman white marble portraiture It presents results from scientific analysis of portraits in statuary and bust formats dating to the first three centuries CE The book also explores the cultural and social significance of colours in their original contexts and how the immaterial affects of the polychrome three dimensional images can be integrated into the traditional research into ancient portraiture which has tended to place overwhelming emphasis on iconography typology and biography By doing so the ancient sculpted marble form as we know it will be exposed and confronted and the impact of manipulated material

effects that were meant to evoke a broad range of multisensory experiences will be emphasized The book puts forth a new way of analysis to be tested and developed in the future

The Romans Andrea Giardina, 1993-03-15 In this book third in a series which includes Jacques Le Goff's Medieval Characters and Eugenio Garin's Renaissance Portraits leading scholars search for the character of the ancient Romans through portraits of Rome's most typical personages Essays on the politician the soldier the priest the farmer the slave the merchant and others together create a fresco of Roman society as it spanned 1300 years Synthesizing a wealth of current research The Romans surveys the most complex society ever to exist prior to the Industrial Age Searching out the identity of the ancient Roman the contributors describe an urbane figure at odds with his rustic peers known for his warlike nature and his love of virtue his magnanimity to foreigners and his predilection for cutting off his enemies heads Most important perhaps of the themes explored throughout this volume are those of freedom and slavery of citizenship and humanitas What results from the depictions Roman society through time and across its many constituent cultures is the variety of Roman identity in all its richness and depth These masterful essays will engage the general reader as well as the specialist in history and culture

The Romans Kevin Murray McGeough, 2004-11-23 So many myths and legends So many senators and Caesars So many documents archaeological finds movie made misconceptions and scholarly histories With so much information available on the civilization of ancient Rome and more discoveries happening all the time where do you start The Romans New Perspectives is the ideal starting point for investigating this extraordinary civilization its remarkable rise and decline the scope of its power and wealth the details of everyday life for its people and its signature contributions to human culture food architecture government public works art and more The Romans takes readers from the establishment of the monarchy circa 753 BCE through the rise of the republic circa 509 BCE the imperial period and ultimately to the fall of the empire and the coronation of the barbarian king Odoacer It is an engaging account of current thinking on Roman life and culture informed by a number of dramatic recent discoveries The book provides a coherent introduction to the field while pointing the way toward further reading on specific topics and personalities

The Romans Kevin M McGeough, 2009-03-17 The Romans provides an accessible introduction to the history society and scholarship of one of the most captivating and enduring civilizations in human history From the establishment of the monarchy and the Republican era to the decline of the Empire this comprehensive volume examines every aspect of Roman culture from both historical and archaeological perspectives In addition to surveying the well established subjects of Roman history author Kevin McGeough discusses the latest events in the archaeological investigation of Rome such as the recent excavations at the Temple of Castor and Pollux in the Roman Forum and the controversial identification of an ossuary thought by some to hold the body of James the brother of Jesus The text is accompanied by carefully chosen illustrations maps a glossary and chronology Throughout general readers and students will gain a vivid understanding of Roman civilization and of why it still captures our imagination today
