Roman House:

Living Theatre in the Ancient Roman House Richard C. Beacham, Hugh Denard, 2023-01-12 For the Romans much of life was seen expressed and experienced as a form of theatre In their homes patrons performed the lead with a supporting cast of residents and visitors This sumptuously illustrated book the result of extensive interdisciplinary research is the first to investigate describe and show how ancient Roman houses and villas in their domestic spaces activities and function could constitute highly theatricalised environments indeed a sort of living theatre Their layout purpose and use reflected and informed a culture in which theatre was both a major medium of entertainment and communication and an art form drawing upon myths exploring the core values and beliefs of society For elite Romans their homes as veritable stage sets served as visible and tangible expressions of their owners prestige importance and achievements The Roman home was a carefully crafted realm in which patrons displayed themselves while stage managing the behaviour and responses of visitor spectators

The Roman House in Britain Dominic Perring, 2002-09-11 This authoritative and original work sets the results of recent archaeological research in the context of classical scholarship as it explores three main aspects of Romano British buildings general characteristics of form and structure the ways in which they were built and decorated the range of activities for which they were designed This evidence is then used to discuss the social practices and domestic arrangements that characterised Romano British elite society Fully illustrated this volume is the essential guide to how houses were built used and understood in Roman Britain

Roman House Churches for Today Reta Halteman Finger, 2007-09-14 Placing the biblical book of Romans in its historical and cultural context Reta Halteman Finger here creates a simulation of the Roman house churches that first heard Paul's Romans letter and its call for inclusiveness among the people of God Finger guides readers in small groups to re create house churches as in first century Rome Based on the text of Romans participants play various roles and converse even debate with other characters from different ethnic and religious backgrounds This experiential approach makes Romans come alive in new concrete ways and applies Romans theology to current issues that often still divide groups of Christians Roman House Churches for Today includes aids and suggestions for simulation leaders sample character sketches and website links with resources for further deeper study Not only small groups but also

individuals will profit from this unique Bible study
