Roman Replies and CLSA Advisory Opinions 1995, 1995 Roman Replies and CLSA Advisory Opinions, 1995 Canon Law Society of America, 1995-10 *Before Dallas* Nicholas P. Cafardi, 2008 The clergy sex abuse scandal and its ongoing fallout have created the greatest crisis in the history of the American Catholic Church Yet for well over a thousand years the Church has recognized the problem of clerical abuse of children and has maintained strict canonical punishments for perpetrators including expulsion from the clerical state So why did Church leaders favor therapeutic solutions over the provisions of canon law in dealing with decades of abuse This ground breaking analysis of the Church s response to the abuse crisis addresses that very question and engages in a vigorous assessment of the Church s failures in the light of its own canon law The author a civil and canon lawyer summarizes the history of clerical sexual abuse from the New Testament era to modern times He describes the major cases that brought the problem to the forefront in the United States He goes on to explain why most bishops decided to take the therapeutic option when dealing with abusive priests rather than subjecting abusers to proper canonical punishments that might have brought the cases to light and resulted in greater sensitivity to the victims themselves Finally the author explains what the Church must learn from the abuse crisis Insightfully written and thoroughly annotated BEFORE DALLAS will become the accepted reference work on the Church s legal response to clerical sexual abuse and an indispensable guide for preventing the tragedy from happening again It will be essential reading for church historians canonists clergy and all those interested in the future welfare of the Church and her faithful **Penal Law in Action** Msgr. Daly, Brendan, 2023 This book on penal law explains the main topics of penal law with cases and examples of its implementation using the changed text of Book 6 of the Code of Canon Law that will come into effect on December 8 2021 Pope Francis has revised Book 6 of the Code of Canon Law Penal Sanctions in the Church canons 1311 1399 Of these 89 canons 63 have been changed and others have been renumbered Changes include a new canon 1376 concerning the crimes of stealing and misappropriation of church property canon 1398 2 making the sexual abuse of minors by religious brothers and sisters a crime c 1398 1 no 2 making grooming a crime Other changes in canon law since 1983 have been incorporated into the new book 6 These include raising the age for sexual abuse from under age 14 to under age 18 a 1988 law imposing penalties for recording confessions penalties for the attempted ordination of a woman penalties for bishops failing to report or take sufficient measures against perpetrators of sexual abuse and for clerics using pornography of those under age 18

ROMAN REPLIES AND CLSA ADVISORY OPINIONS., 2017 The Congregation for the Eastern Churches Michael Vattappalam, 1999 *Justice and Mercy Have Met* Kurt Martens, 2017-02 With the promulgation of the motu proprio *Mitis iudex Dominus Iesus* for the Latin Church and the motu proprio *Mitis et misericors Iesus* for the Eastern Catholic Churches both dated August 15 2015 Pope Francis addressed the calls during the Third Extraordinary General Assembly of the Synod of Bishops October 5 19 2014 for a simplified procedure for the declaration of the nullity of marriages Pope Francis

introduced a briefer process to be conducted by the diocesan bishop and he simplified the current ordinary nullity process. The new procedural norms went into effect on December 8, 2015. New legislation always challenges first and foremost the practitioner: how is the new legislation to be understood and applied? Immediately after the new law was made public, a number of articles on this new legislation were published in *The Jurist*. The School of Canon Law of The Catholic University of America organized a March 2016 Workshop on the very topic of this important procedural reform. These articles are now brought together in one volume to assist those who work with these norms in the various tribunals dealing with marriage cases. It is hoped that this volume will be of great service to all those who serve the people of God in the ministry of justice and that these contributions will truly be a help in understanding and applying the new norms.

The General Chapter in a Religious Institute Elizabeth M. Cotter, 2008. This book examines the historical antecedents of the concept of general chapter, the supreme authority in an institute of consecrated life. This provides the basis for an examination of the contemporary understanding of the nature of its power and authority as portrayed in the 1983 Code of Canon Law. The general chapter is analysed in terms of its juridic status, collegial nature, participative character and representative function, as well as its dynamic aspects and faith dimension. The author applies the findings to one institute of consecrated life, the Institute of the Blessed Virgin Mary, Loreto Branch. This application provides an example of the challenges inherent in working participatively and collaboratively within a hierarchical structure. Because consecrated life has an inalienable ecclesial dimension, understanding authority and power and their exercise in institutes of consecrated life has relevance for understanding authority and its exercise in other organs of authority at all levels in the church.

What God Has Joined Together Robert H. Vasoli, 1998. The United States is home to only 6% of the world's Catholics. Robert Vasoli points out, but it now accounts for 75% of all Church annulments, two thirds of which are granted on ostensibly psychological grounds. The real scandal, though, is not simply the numbers, but that Church marriage courts annul thousands of marriages that are actually valid according to Catholic teaching. Drawing on considerable research, the author details precisely how these courts let divorced Catholics and many non-Catholics as well bypass Catholic teaching and law. The result has been a tidal wave. In 1968, the American Church granted fewer than 600 annulments; today it hands out more than 60,000 a year. But Rome has not smiled on the performance of U.S. tribunals. Of those psychological annulments appealed to the Roman Rota, the Vatican's highest marriage tribunal, more than 90% are overturned.

Care for the Church and Its Liturgy William H. Johnston, 2013. In the apostolic letter *Summorum Pontificum*, Pope Benedict XVI made the preconciliar Mass more widely available for Catholics who seek it, designating it the extraordinary form of the Roman Rite. The Mass as revised after Vatican II thus received the designation of ordinary form.
