

ROMAN SOCIETY

Roman Society And The Society Of The Freedman

Natalie B. Dohrmann, David Stern

Roman Society And The Society Of The Freedman:

Roman Society and the Society of the Freedman Samuel Dill, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

The Freedman in the Roman World Henrik Mouritsen, 2011-01-27 Freedmen occupied a complex and often problematic place in Roman society between slaves on the one hand and freeborn citizens on the other Playing an extremely important role in the economic life of the Roman world they were also a key instrument for replenishing and even increasing the size of the citizen body This book presents an original synthesis for the first time covering both Republic and Empire in a single volume While providing up to date discussions of most significant aspects of the phenomenon the book also offers a new understanding of the practice of manumission its role in the organisation of slave labour and the Roman economy as well as the deep seated ideological concerns to which it gave rise It locates the freedman in a broader social and economic context explaining the remarkable popularity of manumission in the Roman world

Roman Society from Nero to Marcus Aurelius Samuel Dill, 1920 *Roman Society* Samuel Dill, 2020-07-31 Reproduction of the original *Roman Society* by Samuel Dill

The Freedman in Roman Art and Art History Lauren Hackworth Petersen, 2011-09-19 From monumental tombs and domestic decoration to acts of benefaction and portraits of ancestors Roman freed slaves or freedmen were prodigious patrons of art and architecture Traditionally however the history of Roman art has been told primarily through the monumental remains of the emperors and ancient writers who worked in their circles In this study Lauren Petersen critically investigates the notion of freedman art in scholarship dependent as it is on elite authored texts that are filled with hyperbole and stereotypes of freedmen such as the memorable fictional character Trimalchio a boorish ex slave in Petronius Satyricon She emphasizes integrated visual ensembles within defined historical and social contexts and aims to show how material culture can reflect preoccupations that were prevalent throughout Roman society Interdisciplinary in scope this book explores the many ways that monuments and artistic commissions by freedmen spoke to a much more complex reality than that presented in literature

Latinity and Literary Society at Rome W. Martin Bloomer, 2015-09-11 For centuries after the fall of the Roman empire the ability to write and speak pure Latin was the mark of the true scholar But although such skill was esteemed in medieval times the language of ancient Rome was as various as the styles of slaves and masters *Latinity and Literary Society at Rome* reaches back to the early Roman empire to examine attitudes toward latinity reviewing the contested origins of scholarly Latin in the polemical arena of Roman literature W Martin Bloomer shows how that literature s reflections on correct and incorrect speech functioned as part of a wider understanding of social relations and national identity in Rome Bloomer s investigation begins with questions about the sociology of Latin literature what interests were

served by the creation of high style and how literary stylization constituted a system of social decorum and goes on to offer readings of selected texts Through studies of works ranging from Varro's *De lingua latina* to the verse fables of Augustine s freeman Phaedrus to the *Annals* of Tacitus Bloomer examines conflicting claims to style not simply to set true Latin against vulgarism but also to ask who is excluding whom why and by what means These texts exemplify the ways Roman literature employs representations of and reflections on proper and improper language to mirror the interests of specific groups who wished to maintain or establish their place in Roman society They show how writers sought to influence the fundamental social issue of who had the power to confer legitimacy of speech and how their works used claims of linguistic propriety to reinforce the definition of Romanness Through Bloomer's study *latinity* emerges as a contested field of identity and social polemic heretofore unrecognized in classical scholarship With its fresh interpretations of major and minor texts *Latinity and Literary Society at Rome* is a literary history that significantly advances our understanding of the place of language in ancient Rome

Studies in Classical History and Society Meyer Reinhold, 2002-03-21 Professor Reinhold a distinguished senior classicist has produced a fascinating and accessible collection of essays devoted to the study of ancient history Among the articles included are *The Generation Gap* a major survey exploring myths of the uprising of one generation against another *Augustus Conception of Himself* a detailed summary and interpretation of Augustus life and career and *The Declaration of War against Cleopatra* an investigation of the charge against Cleopatra that she betrayed her pledge to Rome as a client ruler Taken together these essays form a unified and coherent survey of ancient history that will appeal to a broad audience

Economy, Society and Culture Peter Garnsey, Richard P. Saller, 1987-06-12 During the first stable period of the Principate roughly from 27 BC to AD 235 when the empire reached its maximum extent Roman society and culture were radically transformed But how was the vast territory of the empire controlled Did the demands of central government stimulate economic growth or endanger survival What forces of cohesion operated to balance the social and economic inequalities and high mortality rates Why did Roman governments freeze the official religion while allowing the diffusion of alien especially oriental cults Are we to see in their attitude to Christianity a policy of toleration or simply confusion and a failure of nerve These are some of the many questions posed in this book which offers the first overall account of the society economy and culture of the Roman empire Addressed to non specialist readers no less than to scholars it breaks with the traditional historian's preoccupation with narrative and politics As an integrated study of the life and outlook of the ordinary inhabitants of the Roman world it deepens our understanding of the underlying factors in this important formative period of world history

What Is a Slave Society? Noel Lenski, Catherine M. Cameron, 2018-05-10 The practice of slavery has been common across a variety of cultures around the globe and throughout history Despite the multiplicity of slavery's manifestations many scholars have used a simple binary to categorize slave holding groups as either genuine slave societies or societies with slaves This dichotomy as originally proposed by ancient historian Moses Finley assumes that there were just

five genuine slave societies in all of human history ancient Greece and Rome and the colonial Caribbean Brazil and the American South This book interrogates this bedrock of comparative slave studies and tests its worth Assembling contributions from top specialists it demonstrates that the catalogue of five must be expanded and that the model may need to be replaced with a more flexible system that emphasizes the notion of intensification The issue is approached as a question allowing for debate between the seventeen contributors about how best to conceptualize the comparative study of human bondage

Municipal Freedmen and Intergenerational Social Mobility in Roman Italy Jeffrey A. Easton,2023-12-11 This book challenges prevailing models of the ways formerly enslaved individuals in Ancient Rome navigated their social and economic landscape Drawing on the rich epigraphic evidence left behind by municipal freedmen and freedwomen who had been owned and manumitted by the communities of Roman Italy it pushes back against ameliorating views of slavery as a temporary condition and positive notions of a prosperous and consciously proud Roman freedman class Manumission was a far more complex process and it did not always put former slaves and their descendants on the straight and narrow path of upward mobility

The World of Ancient Rome James W. Eder,2015-08-11 This study of Ancient Rome offers a fascinating glimpse of what Roman society was like from fashion to food to politics and recreation gathered from literary works art and archaeological remains While the political history and prominent figures of Ancient Rome are well known accounts of daily life in that time and place often remain untold This fascinating encyclopedia explores this period from a social and cultural perspective digging into the day to day activities of how Romans dressed what they ate how they worked and what they did for fun Drawing from recent archaeological evidence author James W Eder explores the everyday lives of Roman citizens of all levels and classes This book is organized into ten sections art economics family fashion food housing politics recreation religion and science Each section contains more than two dozen entries that illuminate such topics as slavery as a social movement the menus of peasants slaves and the elite and the science and engineering solutions that became harbingers for today s technology The work contains a selection of primary documents as well as a bibliography of print and Internet resources

Diversity in Archaeology Elifgöl Doğan,Mariana Pinto Leitão Pereira,Oliver Antczak,Min Lin,Phoebe Thompson,Camila Alday,2022-09-01 30 papers explore a wide range of topics such as women s voices in archaeological discourse researching race and ethnicity across time use of diversified science methods in archaeology critical ethnographic studies diversity in the archaeology of death heritage studies and archaeology of scapes

Chambers's Encyclopaedia ,1874 **The Cambridge Ancient History** Averil Cameron,Bryan Ward-Perkins,Michael Whitby,2001-03-29 Volume 14 concludes the new edition of The Cambridge Ancient History *Classical Enrichment* Antony Augoustakis,Stavros Frangoulidis,Thea S. Thorsen,2024-11-04 This collection brings together twenty eight chapters written by Stephen Harrison s colleagues and former students from around the globe to celebrate both his distinguished teaching and research career as a classicist and his outstanding and admirable service to the international classical community The

wide variety of original contributions on topics ranging from Greek to Latin and ancient literature's reception in opera and contemporary writing is divided into five parts. Each corresponds to the staggering publication record of the honorand encompassing as it does a broad literary spectrum starting from the literature of the end of the Roman Republic and coming down to Neo Latin and the reception of Classics in Irish in English poetry and in European literature and culture in general. This corpus of compelling chapters is hoped to match Stephen Harrison's rich research output in an illuminating dialogue with it.

OCR Classical Civilisation GCSE Route 1 Ben Greenley, Dan Menashe, James Renshaw, 2017-07-13 This textbook is endorsed by OCR and supports the specification for GCSE Classical Civilisation first teaching September 2017. It covers the Thematic Study Component 1.1 and all three Literature and Culture options. Components 2.1-2.3 Thematic Study: Myth and Religion by Ben Greenley; Literature and Culture 1: The Homeric World by Dan Menashe; Literature and Culture 2: Roman City Life by James Renshaw; Literature and Culture 3: War and Warfare by James Renshaw. Why does Greek and Roman mythology remain so popular today? Why is the hero Odysseus such an interesting character? What was it like to watch a gladiatorial fight? Why was the Roman army so successful? This book guides GCSE students to a greater understanding of such issues. The opening chapter examines the lives of women in Greece and Rome and also focuses on women in myth and legend. The following three chapters invite readers to explore the culture of the Mycenaeans, city life in the Roman world and ancient Greek and Roman warfare, focusing both on aspects of ancient society and on related literature. The ideal preparation for the final examinations: all content is presented by experts and experienced teachers in a clear and accessible narrative. Ancient literary and visual sources are described and analysed with supporting images and examples of non-prescribed sources. Helpful student features include study questions, activities, further reading and boxes focusing in on key people, events and terms. Practice questions and exam guidance prepare students for assessment. A Companion Website is available at www.bloomsbury.com/class/civ/gcse.

OCR Classical Civilisation GCSE Route 2 Robert Hancock-Jones, Dan Menashe, James Renshaw, 2017-07-13 This textbook is endorsed by OCR and supports the specification for GCSE Classical Civilisation first teaching September 2017. It covers the Thematic Study Component 1.2 and all three Literature and Culture options. Components 2.1-2.3 Thematic Study: Women in the Ancient World by Robert Hancock-Jones; Literature and Culture 1: The Homeric World by Dan Menashe; Literature and Culture 2: Roman City Life by James Renshaw; Literature and Culture 3: War and Warfare by James Renshaw. How much can we know about the lives of women in the ancient world? Why is the hero Odysseus such an interesting character? What was it like to watch a gladiatorial fight? Why was the Roman army so successful? This book guides GCSE students to a greater understanding of such issues. The opening chapter examines the lives of women in Greece and Rome and also focuses on women in myth and legend. The following three chapters invite readers to explore the culture of the Mycenaeans, city life in the Roman world and ancient Greek and Roman warfare, focusing both on aspects of ancient society and on related literature. The ideal preparation for the final examinations: all content is presented by experts

and experienced teachers in a clear and accessible narrative Ancient literary and visual sources are described and analysed with supporting images and examples of non prescribed sources Helpful student features include study questions activities further reading and boxes focusing in on key people events and terms Practice questions and exam guidance prepare students for assessment A Companion Website is available at www.bloomsbury.com/class/civ/gcse The Development of Western Civilization Jacob Dorsey Forrest,1906 *Chambers's Encyclopædia: Ele.-Gon* ,1880 Chambers's Encyclopædia ,1870
