Roman World A Sourcebook:

The Roman World ,1977 *The Roman World* David Cherry,2001-06-08 The 57 documents in this sourcebook introduce readers to many of the major topics of Roman history from the period of the Twelve Tables c 451 BC to the later Roman empire Each of the selections has been chosen for its historical significance and intrinsic interest and is introduced and annotated by the editor **The Roman World** D. Brendan Nagle,2014-12 **Women and Society in the Roman World** Emily A. Hemelrijk,2023-06-30 By their social and material context as markers of graves dedications and public signs of honour inscriptions offer a distinct perspective on the social lives occupations family belonging mobility ethnicity religious affiliations public honour and legal status of Roman women ranging from slaves and freedwomen to women of the elite and the imperial family both in Rome and in Italian and provincial towns They thus shed light on women who are largely overlooked by the literary sources The wide range of inscriptions and graffiti included in this book show women participating not only in their families and households but also in the social and professional life of their cities Moreover they offer us a glimpse of women s own voices Marital ideals and problems love and hate friendship birth and bereavement joy and hardship all figure in inscriptions revealing some of the richness and variety of life in the ancient world **Women's Religions in the Greco-Roman World** Ross Shepard Kraemer,2004-03-04 This is a substantially expanded and completely revised edition of a book originally published in 1988 as *Maenads Martyrs Matrons Monastics* The book is a collection of translations of primary texts relevant to women s religion in Western antiquity from the fourth century BCE to the fifth century CE The selections are taken from the plethora of ancient religions including Judaism and Christianity and are translated from the six major languages of the Greco Roman world Greek Latin Aramaic Hebrew Syriac and Coptic The texts are grouped thematically in six sections Observances Rituals and Festivals Researching Real Women Documents to from and by Women Religious Office New Religious Affiliation and Conversion Holy Pious and Exemplary Women and The Feminine Divine *Women s Religions in the Greco Roman World* provides a unique and invaluable resource for scholars of classical antiquity early Christianity and Judaism and women s religion more generally Spectacles in the Roman World Siobhán McElduff,2020 This is an anthology of primary sources on Roman games and spectacles in some of their various forms created for a second year undergraduate class on spectacles in Greece and Rome at the University of British Columbia The sources are grouped thematically although there is overlap between the sections The sources come from a wide range of periods genres and individuals and not all are equally reliable in that many report on things they haven t seen or are like some of the Christian authors deeply hostile to because they were often connected with the worship of various pagan deities But taken together along with the images and other information provided they will give some picture of the importance and complexity of spectacle for the Romans and many of the peoples they conquered or interacted with Footnotes are used to provide information and context for those that know little about either Rome or the ancient Mediterranean Associations

in the Greco-Roman World Richard S. Ascough, Philip A. Harland, John S. Kloppenborg, 2012 Associations in the Greco Roman World provides students and scholars with a clear and readable resource for greater understanding of the social cultural and religious life across the ancient Mediterranean The authors provide new translations of inscriptions and papyri from hundreds of associations alongside descriptions of more than two dozen archaeological remains of building sites Complemented by a substantial annotated bibliography and accompanying images this sourcebook fills many gaps and allows for future exploration in studies of the Greco Roman religious world particularly the nature of Judean and Christian groups at that time

Ancient Rome Matthew Dillon, Lynda Garland, 2005 Lynda Garland and Matthew Dillon present a comprehensive reference text for all students and scholars of the Roman Republic *Roman Social History* Tim Parkin, Arthur Pomeroy, 2007-10-17 This Sourcebook contains a comprehensive collection of sources on the topic of the social history of the Roman world during the late Republic and the first two centuries AD Designed to form the basis for courses in Roman social history this excellent resource covers original translations from sources such as inscriptions papyri and legal texts Topics include social inequality and class games gladiators and attitudes to violence the role of slaves in Roman society economy and taxation the Roman legal system the Roman family and gender roles Including extensive explanatory notes maps and bibliographies this Sourcebook is the ideal resource for all students and teachers embarking on a course in Roman social history

Daily Life in Ancient Rome Brian K. Harvey, 2016 This book is first and foremost about the Romans themselves who they were how they defined themselves where they lived and what they did to live their lives The current volume is a sourcebook a collection of evidence from the Roman world in the form of primary sources texts artifacts and architecture that were created by the Romans themselves

preface

Freed Persons in the Roman World Sinclair W. Bell, Dorian Borbonus, Rose MacLean, 2024-05-31 How were freed people represented in the Roman world This volume presents new research about the integration of freed persons into Roman society It addresses the challenge of studying Roman freed persons on the basis of highly fragmentary sources whose contents have been fundamentally shaped by the forces of domination Even though freed persons were defined through a common legal status and shared the experience of enslavement and manumission many different interactions could derive from these commonalities in different periods and localities across the empire Drawing on literary epigraphic and

archaeological evidence this book provides cases studies that test the various ways in which juridical categories and normative discourses shaped the social and cultural landscape in which freed people lived By approaching the literary and epigraphic representations of freed persons in new ways it nuances the impact of power asymmetries and social strategies on the cultural practices and lived experiences of freed persons *Pharmakon* Michael A. Rinella, 2010-06-05 *Pharmakon* Plato Drug Culture and Identity in Ancient Athens examines the emerging concern for controlling states of psychological ecstasy in the history of western thought focusing on ancient Greece c 750 146 BCE particularly the Classical Period c 500 336 BCE and especially the dialogues of the Athenian philosopher Plato 427 347 BCE Employing a diverse array of materials ranging from literature philosophy medicine botany pharmacology religion magic and law *Pharmakon* fundamentally reframes the conceptual context of how we read and interpret Plato's dialogues Michael A Rinella demonstrates how the power and truth claims of philosophy repeatedly likened to a *pharmakon* opposes itself to the cultural authority of a host of other occupations in ancient Greek society who derived their powers from or likened their authority to some *pharmakon* These included Dionysian and Eleusinian religion physicians and other healers magicians and other magic workers poets sophists rhetoricians as well as others Accessible to the general reader yet challenging to the specialist *Pharmakon* is a comprehensive examination of the place of drugs in ancient thought that will compel the reader to understand Plato in a new way *A History of the Quests for the Historical Jesus, Volume 1* Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources *A History of the Quests for the Historical Jesus* not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates **The Oxford Handbook of Early Christian Studies** Susan Ashbrook
