Romance And Reason:

Romance and Reason Lafcadio Hearn, 1928 The Romance of the Rose Guillaume de Lorris, Jean de Meun, 1995-07-23

Many English speaking readers of the Roman de la rose the famous dream allegory of the thirteenth century have come to rely on Charles Dahlberg's elegant and precise translation of the Old French text His line by line rendering in contemporary English is available again this time in a third edition with an updated critical apparatus Readers at all levels can continue to deepen their understanding of this rich tale about the Lover and his quest against the admonishments of Reason and the obstacles set by Jealousy and Resistance to pluck the fair Rose in the Enchanted Garden The original introduction by Dahlberg remains an excellent overview of the work covering such topics as the iconographic significance of the imagery and the use of irony in developing the central theme of love His new preface reviews selected scholarship through 1990 which examines for example the sources and influences of the work the two authors the nature of the allegorical narrative as a genre the use of first person and the poem's early reception The new bibliographic material incorporates that of the earlier editions The sixty four miniature illustrations from thirteenth and fifteenth century manuscripts are retained as are the notes keyed to the Langlois edition on which the translation is based Love, Reason and Morality Katrien Schaubroeck, Esther Kroeker, 2016-07-28 This book brings together new essays that explore the connection between love and reasons The observation that considerations of love carry significant weight in the deliberative process opens up new perspectives in the classic discussion about practical reasons and gives rise to many interesting questions about the nature of love's reasons about their source and legitimacy about their relation to moral and epistemic reasons and about the extent to which love is sensitive to reasons The contributors to this volume orient questions related to love within the broader context of the contemporary discussion on practical reasons and move forward the conversation about the normative dimensions of love Love Reason and Morality will be of interest to philosophers working on issues of normativity meta ethics and moral psychology and especially those interested in the source of practical reasons and the role of attachments in practical deliberation Love, Reason, and Will Anthony Rudd, John Davenport, 2015-10-22 Love Reason and Will Kierkegaard After Frankfurt introduces and investigates themes common to Harry G Frankfurt and Søren Kierkegaard focusing particularly on their understanding of love Several distinguished contributors argue that Kierkegaard's insights about love volition and identity can help us to evaluate aspects of Frankfurt's well known arguments about love and caring similarly Frankfurt's analyses of the higher order will valuing and self love help clarify themes in Kierkegaard's Works of Love and other books By bringing these two key thinkers into conversation with each other we may glean a new understanding of the structure of love reasons for love or deriving from loving and more broadly the central ethical questions of how to live and to develop an authentic identity and meaningful life Love Reason and Will will appeal to readers interested in the philosophy of action and emotions continental thought especially in the existential tradition the study of character in psychology and theological work

on neighbor love and virtues *The Concept of Woman* Prudence Allen, 1997 The culmination of a lifetime's scholarly work this pioneering study by Sister Prudence Allen traces the concept of woman in relation to man in Western thought from ancient times to the present Volume I uncovers four general categories of questions asked by philosophers for two thousand years These are the categories of opposites of generation of wisdom and of virtue Sister Prudence Allen traces several recurring strands of sexual and gender identity within this period Ultimately she shows the paradoxical influence of Aristotle on the question of woman and on a philosophical understanding of sexual complementarity Supplemented throughout with helpful charts diagrams and illustrations this volume will be an important resource for scholars and students in the fields of women's studies philosophy history theology literary studies and political science In Volume 2 Sister Prudence Allen explores claims about sex and gender identity in the works of over fifty philosophers both men and women in the late medieval and early Renaissance periods Touching on the thought of every philosopher who considered sex or gender identity between A.D. 1250 and 1500 *The Concept of Woman* provides the analytical categories necessary for situating contemporary discussion of women in relation to men Adding to the accessibility of this fine discussion are informative illustrations helpful summary charts and extracts of original source material some not previously available in English In her third and final volume Allen covers the years 1500-2015 continuing her chronological approach to individual authors and also offering systematic arguments to defend certain philosophical positions over against others *Shaping Romance* Matilda Tomaryn Bruckner, 2015-08-05 Examines a set of five twelfth century romance texts complete and fragmentary canonical and now neglected long and short to map out the characteristics and boundaries of the genre in its formative period *Studying Shakespeare* Laurie Maguire, 2008-04-15 This engaging book draws on all of Shakespeare's plays to show they can still be used as a guide to life Introduces beginning students and general readers to Shakespeare's plays by highlighting the connections between the issues addressed by the plays and those of our own time Focuses on the characters situations and stories in Shakespeare which are still familiar today Shows how Shakespeare's plays illustrate some of life's most familiar stories love and obsession parents and children sex and politics suffering and revenge Makes Shakespeare's plays accessible to the widest possible audience *Elliott Monographs in the Romance Languages and Literatures*, 1929 **The Greek Classics: Drama, romance**, 1909 *Educational Times*, 1914 *Romance literature pamphlets*, 1924 *Consumerism, Romance and the Wedding Experience* Sharon Boden, 2003-06-20 In this fascinating study Boden considers the changing social and cultural significance of the wedding in Britain The book focuses upon a number of issues including the commercialization of the event the dynamics of heterosexual partnerships and the influence of romance The new commercial wedding is further explored in relation to broader socio-structural transformations and the modernization of marriage law This book draws upon the experiences of marrying couples as well as media evidence **The romance of the rose, by W. Morris & J. Clopinel. English (and ed.) by F.S. Ellis** Guillaume de Morris, 1900 *The Romance of the Rose* Guillaume (de

Lorris), 1900 **The Cambridge Companion to Medieval Romance** Roberta L. Krueger, 2000-06-22 This Companion presents fifteen original and engaging essays by leading scholars on one of the most influential genres of Western literature. Chapters describe the origins of early verse romance in twelfth century French and Anglo Norman courts and analyze the evolution of verse and prose romance in France, Germany, England, Italy, and Spain throughout the Middle Ages. The volume introduces a rich array of traditions and texts and offers fresh perspectives on the manuscript context of romance, the relationship of romance to other genres, popular romance in urban contexts, romance as mirror of familiar and social tensions, and the representation of courtly love, chivalry, other worlds, and gender roles. Together, the essays demonstrate that European romances not only helped to promulgate the ideals of elite societies in formation but also held those values up for questioning. An introduction, a chronology, and a bibliography of texts and translations complete this lively, useful overview. **Love, Justice, and Autonomy** Rachel Fedock, Michael Kühler, Raja Rosenhagen, 2020-12-28 Philosophers have long been interested in love and its general role in morality. This volume focuses on and explores the complex relation between love and justice as it appears within loving relationships between lovers and their wider social context and the broader political realm. Special attention is paid to the ensuing challenge of understanding and respecting the lovers' personal autonomy in all three contexts. Accordingly, the essays in this volume are divided into three thematic sections. Section I aims at shedding further light on conceptual and practical issues concerning the compatibility or incompatibility of love and justice within relationships of love. For example, are loving relations inherently unjust? Might love require justice? Or do love and justice belong to distinct moral domains? The essays in Section II consider the relation between the lovers on the one hand and their broader societal environment on the other. Specifically, how exactly are love and impartiality related? Are they compatible or not? Is it unjust to favor one's beloved? Finally, Section III looks at the political dimensions of love and justice. How, for instance, do various accounts of love inform how we are to relate to our fellow citizens? If love is taken to play an important role in fostering or hindering the development of personal autonomy, what are the political implications that need to be addressed, and how? In addressing these questions, this book engenders a better understanding both of conceptual and practical issues regarding the relation between love, justice, and autonomy, as well as their broader societal and political implications. It will be of interest to advanced students and scholars working on the philosophy of love from ethical, political, and psychological angles. *The Tropoholic's Guide to Backstory Romance Tropes* Cindy Dees, 2024-03-06 NYT and USA Today bestselling author and screenwriter Cindy Dees brings her formidable skills as a master storyteller and master writing teacher to this encyclopedic series analyzing the major tropes used in modern commercial fiction. In this volume, Cindy explores 33 iconic backstory romance tropes, the stories made up of the lingering problems, scars, and needs from your hero's and heroine's pasts that must be overcome before they can achieve happiness and true love. Written by a working writer for working writers, this is a comprehensive reference guide and brainstorming tool to help you quickly generate ideas, create characters, and plot revise.

and edit brand and market your story You'll write faster cleaner and deliver your audience a story they'll recognize and love If you're writing a novel script play comic graphic novel video game script or any other story format this book is for you If you're writing a love story specifically or you're writing any genre of fiction in which you'd like to include a romantic relationship this book is for you Each trope entry includes a detailed definition and analysis descriptions of all obligatory scenes necessary to structure this trope correctly lists of additional key scenes important to this trope an extensive list of questions to think about when writing this trope an extensive list of traps to avoid when writing this trope reasons why audiences love this trope a list of similar tropes a list of examples of each trope in action taken from television film and novels every kind of writer in every genre of fiction is going to want these guides in their go to reference books a tour de force how to on creating stories audiences adore the books every writer has been waiting for a comprehensive walk through by an industry pro of everything to think about when building a story of pretty much any kind **Double Vision** Tzachi

Zamir, 2012-06-24 Hamlet tells Horatio that there are more things in heaven and earth than are dreamt of in his philosophy In **Double Vision** philosopher and literary critic Tzachi Zamir argues that there are more things in Hamlet than are dreamt of or at least conceded by most philosophers Making an original and persuasive case for the philosophical value of literature Zamir suggests that certain important philosophical insights can be gained only through literature But such insights cannot be reached if literature is deployed merely as an aesthetic sugaring of a conceptual pill Philosophical knowledge is not opposed to but is consonant with the literariness of literature By focusing on the experience of reading literature as literature and not philosophy Zamir sets a theoretical framework for a philosophically oriented literary criticism that will appeal both to philosophers and literary critics **Double Vision** is concerned with the philosophical understanding induced by the aesthetic experience of literature Literary works can function as credible philosophical arguments not ones in which claims are conclusively demonstrated but in which claims are made plausible Such claims Zamir argues are embedded within an experiential structure that is itself a crucial dimension of knowing Developing an account of literature's relation to knowledge morality and rhetoric and advancing philosophical literary readings of Richard III Macbeth Romeo and Juliet Othello Antony and Cleopatra Hamlet and King Lear Zamir shows how his approach can open up familiar texts in surprising and rewarding ways [The Oxford Handbook of the Philosophy of Love](#) Christopher Grau, Aaron Smuts, 2024 The Oxford

Handbook of the Philosophy of Love offers a wide array of original essays from leading philosophers on the nature and value of love **New Philosophical Essays on Love and Loving** Simon Cushing, 2021-09-20 New philosophical essays on love by a diverse group of international scholars Topics include contributions to the ongoing debate on whether love is arational or if there are reasons for love and if so what kind the kinds of love there may be between humans and artificial intelligences between non human animals and humans whether love can explain the difference between nationalism and patriotism whether love is an necessary component of truly seeing others and the world whether love like free will is fragile and may not

survive in a deterministic world and whether or not love is actually a good thing or may instead be a force opposed to morality Key philosophers discussed include Immanuel Kant Iris Murdoch Bernard Williams Harry Frankfurt J David Velleman Niko Kolodny Thomas Hurka Bennett Helm Alfred Mele and Derk Pereboom Essays also touch on the treatment of love in literature and popular culture from Graham Greene s *The End of the Affair* to Spike Jonze s movie *Her*
