PREFACE This volume deals with the prose or verse tales styled Romances as told in one of the Romance languages being mainly indeed of French origin Some of them based upon poetic legends that often seem a distortion of historical events others more consciously woven to pattern from mingled strains of fact and fancy they all come under a general definition as stories which with knights for their heroes illustrate the manners and ideas of mediaeval chivalry Many of the earliest books particularly those dating back to the 1900 s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork
