London's Lost Pubs Sam Cullen, 2025-03-30 The humble pub has played a central role in London's history across centuries. Over time many old favourites have been lost because of the ever evolving landscape of the city and changing trends and habits. For the first time in print Sam Cullen looks back at a selection of 200 London pubs which have closed in the last twenty five years. Thanks to extensive research taking in newspaper articles, historic books and even conversations with former patrons of these establishments, this book presents some of the most memorable London boozers we've lost in recent years. *London's Lost Pubs* leads readers on a borough by borough guided tour of the city, visiting everything from the old haunts of Chelsea bohemians and City workers to favourites on legendary London streets from the Old Kent Road to Fleet Street. Each featured pub's listing includes interesting facts and quirky trivia which will bring a smile to readers' faces while also reminding just how much London pubs can reveal about the city's history. Along the way readers will encounter pubs which boasted pets, pools and even pythons. The book is also illustrated throughout with both archive and current photos. *London's Lost Pubs* is an essential read for fans and scholars of local history as well as honouring and celebrating countless colourful pubs which have played a pivotal role in the city's life. A fascinating directory of the all too many pubs this city has lost. *Londonist*. Despite the sad subject matter, this story of London pubs now gone is a thoroughly absorbing read. The accounts and anecdotes are wittily told and bring to mind just how varied, diverse and wonderful London pubs are. Jane Jepchote, Chair of London Pubs Group, CAMRA.

And Harmony Abound Keith William Kinder, 2022-01-15 Morley Calvert's Suite from the Monteregian Hills is cherished by brass players worldwide and performed hundreds of times annually, making Calvert perhaps the most performed Canadian composer outside the country. Yet little is known about Calvert beyond that piece. *And Harmony Abound* is a thoughtful and in-depth study of a remarkably accomplished composer, conductor and educator. Calvert made his living teaching music, but he was no ordinary high school music teacher. He was deeply committed to composing and completed some ninety works for brass ensembles, concert bands, choirs and orchestras while engaged in music making in the communities in which he lived. Keith Kinder traces Calvert's life story from his birth in Brantford, Ontario in 1928 through his youth and career in Montreal, his musical involvement with the Salvation Army, his success with the famous Central Collegiate band of Barrie, Ontario, his retirement years and his unexpected passing in Hamilton, Ontario in 1991. Uncovering Calvert's oeuvre by analyzing representative arrangements, Kinder also documents the complete catalogue of Calvert's works, bringing to light many unpublished compositions that would otherwise be lost to performers. *And Harmony Abound* is a compelling picture of Morley Calvert's contribution to musical composition, education and the cultural fabric, preserving a vital strand of the Canadian musical tapestry.
