Romance Of The Republic:

A Romance of the Republic Lydia Maria Child, 1867 Lydia Maria Child's fourth novel and the capstone of her remarkable literary career. Written shortly after the Civil War, it offered a progressive alternative to Uncle Tom's Cabin. The novel advocates interracial marriage as an earnest attempt to foster toleration and communication between Anglo and African Americans. In constructing the tale of fair-skinned Rosa and Flora Royal, daughters of a slaveowner whose mother was also the daughter of a slaveowner, Child consciously attempted to counter two popular claims: that racial intermarriage was unnatural and that slavery was a benevolent institution. But Child's target in *A Romance of the Republic* was not merely racism. Her characters are forced both to reconsider their attitudes toward white and black and to question the very foundation of the patriarchal society in which they live.

Written shortly after the Civil War, it offered a progressive alternative to Uncle Tom's Cabin. *Writer* magazine publisher and outspoken abolitionist Child defied the norms of gender and class decorum in this novel by promoting interracial marriage as a way blacks and whites could come to view each other with sympathy and understanding. In constructing the tale of fair-skinned Rosa and Flora Royal, daughters of a slaveowner whose mother was also the daughter of a slaveowner, Child consciously attempted to counter two popular claims: that racial intermarriage was unnatural and that slavery was a benevolent institution. But Child's target was not merely racism. Her characters are forced both to reconsider their attitudes toward white and black and to question the very foundation of the patriarchal society in which they live.

Romance of the Commune Robert William Chambers, 1896 A Romance Of The Republic L Maria Child, 2025-03 A Romance of the Republic is a historical novel exploring the struggles of two young sisters grappling with race identity and societal prejudice after their father s death The story delves into the social injustices of the time particularly surrounding the

complexities of being born to a quadroon mother Through the lens of love beauty and harsh realities the narrative examines the challenges these sisters face in a world where their existence as slaves is dictated by the laws of Louisiana The novel introduces a young man from Boston who visits a merchant s home setting the stage for interactions that later reveal the sisters hidden lineage As their father s failures come to light the sisters confront the precariousness of their future caught between dreams and the brutal realities that threaten to destroy their world The exploration of personal and familial dilemmas highlights the clash between aspirations and the oppressive forces of society leaving a profound impact on the characters futures

The "tragic Mulatta" Revisited Eve Allegra Raimon, 2004 This book focuses on the mixed race female slave in literature arguing that this figure became a symbol for explorations of race and nation both of which were in crisis in the mid 19th century It suggests that the figure is a way of understanding the volatile and shifting interface of race and national identity in the antebellum period

Pilots of the Republic: The Romance of the Pioneer Promoter in the Middle West Archer Butler Hulbert, The student of European history is not surprised to find that individuals stand out prominently in every activity that occupied man s attention that even though there be under consideration great popular movements such as the Crusades or the Reformation or French Revolution attention centres around significant personalities In the day of monarchies and despotisms individual initiative very naturally led the way in outlining policies selecting lieutenants finding ways and means It is singular to what a great extent this is true in the history of democratic America pre eminently the land where the people have ruled and where the usurper of power has had comparatively no opportunity whatever And yet it is not too much to say that the history of our nation may be suggested in a skeleton way by a mere list of names as for instance the history of the fourteenth century in Europe might easily be sketched While we are proud to proclaim that America has given all men an equal opportunity that the most humble may rise to the proudest position known among us it yet remains singular that in this land where the popular voice has ruled as nowhere else almost every national movement or phase of development may be signified by the name of one man This comes with appealing force to one who has attempted to make a catalogue of the men who have in a personal sense led the Star of Empire across this continent men who have in a way pooled issues with their country in the mutual hope of personal advantage and national advance It then becomes plain to the investigator if he never realized it before that at times the nation has waited even halted in its progress for a single man or a set of men to plan what may have seemed an entirely selfish adventure and which yet has proved to be a great national advantage In certain instances there was a clear and fair understanding between such promoters and the reigning administration looking toward mutual benefit At times the movement was in direct defiance of law and order with a resulting effect of immeasurable moment for good Again there may have been no thought of national welfare or extension personal gain and success may have been the only end and the resultant may have been a powerful national stimulus Perhaps the most remarkable feature that appears on an examination of American history along these lines compared for instance

with that of European powers is that comparatively few leaders of military campaigns are to be classed among promoters who advanced national ends in conjunction with personal ambitions In the Old World numberless provinces came into the possession of military favorites after successful campaigns In the many expeditions to the westward of the Alleghenies in America what commanders turned their attention later to the regions subdued Forbes the conqueror of Fort Duquesne never saw the Ohio Valley again Bouquet the other hero with Gladwin of Pontiac's Rebellion never returned to the Muskingum nor did Gladwin come back to Detroit Lewis the victor at Point Pleasant led no colony to the Ohio again Mad Anthony Wayne never had other than military interest in the beautiful Maumee Valley where in the cyclone's path he crushed the dream of a powerful Indian confederacy lying on the flanks of the new Republic To a singular degree the leaders of the military vanguard across the continent had really little to do personally with the actual social movement that made the wilderness blossom as the rose True bounty lands were given to commanders and men in many instances as in the case of Washington and George Rogers Clark but it was the occupation of such tracts by the rank and file of the armies that actually made for advancement and national growth and in perhaps only one case was the movement appreciably accelerated by the course of action pursued in a civil way by those who had been the leaders of a former military expansion

Barriers between Us Cassandra Jackson, 2004-11-08 This provocative book examines the representation of characters of mixed African and European descent in the works of African American and European American writers of the 19th century The importance of mulatto figures as agents of ideological exchange in the American literary tradition has yet to receive sustained critical attention Going beyond Sterling Brown's melodramatic stereotype of the mulatto as tragic figure Cassandra Jackson's close study of nine works of fiction shows how the mulatto trope reveals the social cultural and political ideas of the period Jackson uncovers a vigorous discussion in 19th century fiction about the role of racial ideology in the creation of an American identity She analyzes the themes of race mixing the mulatto nation building and the social fluidity of race and its imagined biological rigidity in novels by James Fenimore Cooper Richard Hildreth Lydia Maria Child Frances E W Harper Thomas Detter George Washington Cable and Charles Chesnutt Blacks in the Diaspora Claude A Clegg III editor Darlene Clark Hine David Barry Gaspar and John McCluskey founding editors
