Learn to speak and write Romanian in 30 days, *The Romanian Revolution of December 1989* Peter Siani-Davies, 2007 The Romanian Revolution of 1989 was the most spectacularly violent and remains today the most controversial of all the East European upheavals of that year Despite or perhaps because of the media attention the revolution received it remains shrouded in mystery How did the seemingly impregnable Ceausescu regime come to be toppled so swiftly and how did Ion Iliescu and the National Salvation Front come to power Was it by coup d'etat Who were the mysterious terrorists who wreaked such havoc on the streets of Bucharest and the other major cities of Romania Were they members of the notorious securitate What was the role of the Soviet Union Blending narrative with

analysis Peter Siani Davies seeks to answer these and other questions while placing the events and their immediate aftermath within a wider context Based on fieldwork conducted in Romania and drawing heavily on Romanian sources including television and radio transcripts official documents newspaper reports and interviews this book is the most thorough study of the Romanian Revolution that has appeared in English or any other major European language Recognizing that a definitive history of these events may be impossible Siani Davies focuses on the ways in which participants interpreted the events according to particular scripts and myths of revolution rooted in the Romanian historical experience In the process the author sheds light on the ways in which history and the conflicting retellings of the 1989 events are put to political use in the transitional societies of Eastern Europe *Inside the Mechanisms of Romanian Modernization* Florin

Grancea,2006-09-05 This book analyzes in the relation with the Romanian modernity the transformations of the Romanian public sphere political system and journalism from the beginning of the 19th Century up to 2005 The argumentation starts from the idea that the Romanian Enlightenment never had the chance to reach its purpose the creation of the individual as a human category As a consequence of this historical fact the Romanian modernity was not explored in all its dimensions and was not congruent with its western model of development Only after late 90 s signs for a surpassing historical backwardness were seen in Romania and only after the integration into EU become sure From this perspective this book looks onto the change in the modernization engine of Romania in late 90 s This change is happening as a transgression from a three steps modernization model in which the role of the elite is central to a two steps modernization model in which the role of the elite is minimal Because the three steps modernization model fits the idea of an acclamatory public sphere while the two steps modernization engine fits the concept of civil public sphere this book proves that the Romanian democracy is evolving from its totalitarian background to become a participative democracy The only question unanswered yet is if the elite and the mass media are willing to let Romania and its citizens to breakup the ties with the totalitarian past **Times New Romanian**

Nigel Shakespeare,2014-07-28 In Romania anything is possible everything is impossible and nothing is ever as it seems Times New Romanian provides a picture of Romania today through the individual first person narratives of people who chose to go and make a life in this country Each chapter a voice each story in Times New Romanian provides readers with a look into the Romanian world the way things work the vitality of the people the living heritage of rural traditions ordinary life sometimes dark sometimes sublime always interesting In a land full of character and contradiction there is a strong attraction for those with the spirit to meet the challenges where the one thing you can be sure of is the unpredictable Life is not always easy These stories will tell you why If you want to know more about Romanians and their country the voices in Times New Romanian make for an enjoyable and lively read Inspired by Studs Terkel and Tony Parker Nigel used their oral history style and his own experience in Romania to guide him in recording these interviews Featured in The Bookseller **The Rough**

A Doctor's Memoir of the Romanian Holocaust Arthur Kessler, 2024

Based on detailed notes taken during a doctor's incarceration in the concentration camps and ghettos of Romanian ruled Transnistria during the Holocaust, this memoir tells a gripping story of calculated murder, resistance and survival. In the aftermath of the Romanian Holocaust, Transnistria, a little known region north of Odessa between the Dniester and Bug rivers, came to be known as the forgotten cemetery. Between 1941 and 1944, an estimated 300,000 Jews were killed or died there from starvation and disease. This memoir by Dr Arthur Kessler, based on daily notes he kept as a physician during his two-year imprisonment in Transnistria's Vapniarka concentration camp and Ilogopol ghetto, provides a unique perspective of a Jewish medical doctor who witnessed murderous death as well as brave acts of resistance and survival. Introduced and annotated by historian Leo Spitzer and translated from German by the late Margaret Robinson, Dr Kessler's memoir provides an engrossing account of his infamous discovery that Vapniarka's Romanian authorities routinely and it seems knowingly fed camp inmates a daily soup containing toxic chickling peas (*Lathyrus sativus*) that induced paralysis, kidney failure and oftentimes death. It reveals the daring by which he, together with fellow inmate medical associates, saved hundreds of lives by organizing a hunger strike that resulted in the camp's dissolution and the prisoners' relocation to ghettos throughout Transnistria. Kessler's narrative continues with an account of privileges attainable by deportees with useful skills and provides illuminating details about informal systems and practices that enabled many to survive and to provide care to fellow victims of genocidal persecution. The memoir is illustrated with moving drawings produced by prisoners in the Vapniarka concentration camp and presented to Dr Kessler in recognition of his brave work of healing.

Modern Romania Tom Gallagher, 2008-03

Since the 1989 fall of Communism in Eastern Europe, Romania, arguably the most regimented of states in the Soviet bloc, has struggled with the transition from totalitarian state to democratic nation. In this insightful examination of modern Romania, Tom Gallagher provides an overview of Romania's unique political and social history, focusing on both its national identity as well as the legacy of Soviet rule. Gallagher provides an in-depth look at Romania since 1989, focusing on the government's attempts at economic reform, engagement with democracy, problems with corruption among the ruling elite as well as the weakness of civil society and the resilience of implacable expressions of nationalism. Ultimately, Gallagher argues that thus

far democracy has essentially failed in Romania In fact he warns that Romania is on its way to becoming one of the most unequal states in Europe and quite possibly a future trouble spot unless efforts to resume much needed reforms are undertaken

Romanian Journey Andrew MacKenzie,1983 Paradigms of pilgrimage : from devotional journey to (religious) tourism = Paradigmes du pèlerinage : du voyage dévotionnel au tourisme (religieux) Monica RUSSET OANCA, Maria Yvonne BĂNCILĂ, Mădălina TOADER, 2023-01-01 The volume Paradigms of Pilgrimage From Devotional Journey to Religious Tourism endeavours to present some insights into the multi layered significance of pilgrimage starting from a theoretical approach and then addressing specific situations The first two parts deal chronologically with instances of traditional images of pilgrimage and the last two parts move towards analysing modern and post modern examples of journeys with a spiritual purpose Each chapter is independent and provides an original rendering of the concept of pilgrimage The authors use various approaches to discuss the notion of pilgrimage and the images interconnect creating an irregular but harmonious mosaic Le volume Paradigmes du pèlerinage du voyage dévotionnel au tourisme religieux vise présenter les différentes facettes du pèlerinage en partant d'une approche théorique et en proposant ensuite des situations spécifiques Les deux premières parties examinent chronologiquement les exemples d'images traditionnelles de pèlerinage tandis que les deux dernières parties s'orientent vers l'analyse d'exemples modernes et postmodernes des voyages travers la spiritualité Chaque chapitre est indépendant et montre une interprétation originale de la notion de pèlerinage Les auteurs utilisent diverses approches pour discuter de la notion de pèlerinage et les images s'interconnectent en créant une mosaïque irrégulière mais harmonieuse

Ceausescu and the Securitate Dennis Deletant, 2016-12-05 First Published in 2017 This book contains Deletant's research and view that an inescapable feature of life in Romania under Ceausescu was the ubiquity of the Securitate or the security police known officially for much of the period as the Department of State Security of the Ministry of the Interior He seeks to right the omission in Romanian literature until now of the mechanism of terror which Stalin used in Romania to enforce his will and about the organisation of the Department of State Security

Balkan Departures Wendy Bracewell, Alex Drace-Francis, 2009 In writings about travel the Balkans appear most often

as a place travelled to Western accounts of the Balkans revel in the different and the exotic the violent and the primitive traits that serve according to many commentators as a foil to self congratulatory definitions of the West as modern progressive and rational However the Balkans have also long been travelled from The region s writers have given accounts of their travels in the West and elsewhere saying something in the process about themselves and their place in the world The analyses presented here ranging from those of 16th century Greek humanists to 19th century Romanian reformers to 20th century writers socialists and men of the world suggest that travellers from the region have also created their own identities through their encounters with Europe Consequently this book challenges assumptions of Western discursive hegemony while at the same time exploring Balkan Occidentalisms

The Military And Society In The Former Eastern Bloc Constantine Danopoulos, Daniel Zirker, Constantine Danopoulos, 2019-09-30 In this book an assortment of regional specialists in military relations are gathered together to comment on the current state of the military in various Eastern bloc states The book focuses on the relationship between the military politics and society in these new and burgeoning democracies
