Burnett, 2015-03-26 The Gospel According to the Blues dares us to read Jesus's Sermon on the Mount in conversation with Robert Johnson Son House and Muddy Waters It suggests that thinking about the blues the history the artists the songs provides good stimulation for thinking about the Christian gospel Both are about a world gone wrong about injustice about the human condition and about hope for a better world In this book Gary Burnett probes both the gospel and the history of the blues to help us understand better the nature of the good news that Jesus preached and its relevance and challenge to us *The Roman Catholic Church - A Critical Appraisal* Hendrick Park, 2008-03 The Roman Catholic Church is the largest denomination with 1.1 billion adherents Recently the pope Benedict XVI reasserted that the Catholic Church is the only true church founded by Christ Today there is a pervasive indifference as to the question what is the true Christianity This is a serious situation because there are numerous false or only partly true versions of Christianity The author of this book attempts a critical appraisal of the Roman Catholic Church by the criteria of the Bible and history The conclusion he reached is that the Catholic Church is a perversion of the Christianity of the New Testament The author believes that he has substantiated the proposition that there are many unbiblical pagan elements in the Church To give one example the monarchical papacy and the authoritarian church structure developed after the model of the authoritarian government of the ancient Roman Empire No wonder that its official name is the Roman Catholic Church A theologian and a minister Received a

doctorate in systematic theology from the University of Toronto He did the ministerial work for 17 years in the United Church of Canada Took early retirement in 1990 to study and write books which is he feels the talent and his main vocation he has received from God He respects the Bible as containing the revealed word of God According to the prophets of God justice and mercy and the pure preservation of the true religion of God are God s two major concerns He believes that God s major concerns should be all Christians major concerns as well The Roman Catholic Church A Critical Appraisal was written from that perspective in order to attest to the true religion of God and to keep Christians from heading onto the wrong path

The Forgiveness Project Michael Barry, 2019. All religions value forgiveness, but only Christianity requires it. Internalizing anger is destructive to our spiritual health and can destroy families, marriages and even churches. But what about our physical health? Is there a relationship between a spirit of unforgiveness and cancer? Between forgiveness and healing? How do you really forgive? After thorough medical, theological and sociological research and clinical experience at Cancer Treatment Centers of America (CTCA), author and pastor Michael Barry has made a startling discovery: the immune system and forgiveness are very much connected. Through the inspiring stories of five cancer patients, Barry helps readers identify and overcome the barriers that prevent healing and peace. See how a breast cancer patient named Jayne experienced spiritual and physical renewal when she learned to forgive. Meet Cathy, whose story illustrates how forgiveness can positively change relationships. Be inspired by Sharon's story of spontaneous remission. With each true account comes proven strategies tested and used by CTCA that readers can implement to find peace with their past, relief from their hatefulness and hope for healing. Competing titles may talk about forgiveness, but none specifically address the connection between forgiveness and physical health or offer forgiveness as a specific step toward healing from cancer. *The Forgiveness Project* presents scientific findings in easy-to-understand, accessible language and offers practical steps to help Christians let go of past wrongs and find peace.

[The Accountable Animal: Justice, Justification, and Judgment](#) Brendan Case, 2021-04-08. *The Accountable Animal: Justice, Justification, and Judgment* offers a theological meditation on the human being as an accountable animal. Brendan Case introduces the idea of accountability not merely as a structural feature of human institutions but as a disposition to submit to rightly constituted authority, whether divine or human. He relates this conception of accountability to the key themes of justice, justification and judgment.

[Season of Ash and Fire](#) Blair Gilmer Meeks, 2010-12-01. *Season of Ash and Fire* will help pastors and worship planners prepare for Lent and Easter. The author provides corporate prayers for each Sunday and Holy Day in the Easter Cycle, including Ash Wednesday 1st through 5th Sundays in Lent, Passion, Palm Sunday, Holy Thursday, Good Friday, Easter Vigil, Easter Sunday Morning, Easter Evening, 2nd through 7th Sundays of Easter, Ascension Day and Pentecost. Additional prayers and liturgies for use during the season by small groups and families help extend and unify the congregation's celebration. Blair Meeks, gifted with an evangelical heart, an emancipated imagination and a life settled in liturgy, offers a first-rate resource as the church learns again to pray. Meeks not only guides the prayer of the church through the depth of Lent and the wonder of Easter, she also interprets and instructs along the way. Out of her long reflection on the mystery of worship, this book will serve pastors and all those in the church who live by faith that is funded through prayer. Walter Brueggemann, Professor Emeritus, Columbia Theological Seminary.
