Eugene, Oregon

Romantic Organicism

JR Anderson

Romantic Organicism:

Romantic Organicism C. Armstrong, 2003-06-24 Romantic Organicism attempts to reassess the much maligned and misunderstood notion of organic unity Following organicism from its crucial radicalisation in German Idealism it shows how both Coleridge and Wordsworth developed some of their most profound ideas and poetry on its basis Armstrong shows how the tenets and ideals of organicism despite much criticism remain an insistent if ambivalent backdrop for much of our current thought including the work of Derrida amongst others

Organic Homiletic Richard Hee-Chun Park, 2006 Organic form theory of Romanticism helps writers artists and preachers free themselves from potentially limiting norms and rules of form Organic Homiletic Samuel T Coleridge Henry G Davis and the New Homiletic will inspire preachers to express their individual voices and create their own authentic forms by offering preachers innovative methods to creatively imitate blend and mix a wide variety of sermon forms The book is a motivator for preachers to intuitively discover sermon content in the rhetorical context of a given preaching situation and to develop that content utilizing organic form in the process of sermon preparation Organic Homiletic is a must read for seminarians experienced preachers creative writers and artists all those who seek to be fresh authentic creative liberated and organic

Romantic Organicism C. Armstrong, 2003-06-24 Romantic Organicism attempts to reassess the much maligned and misunderstood notion of organic unity Following organicism from its crucial radicalisation in German Idealism it shows how both Coleridge and Wordsworth developed some of their most profound ideas and poetry on its basis Armstrong shows how the tenets and ideals of organicism despite much criticism remain an insistent if ambivalent backdrop for much of our current thought including the work of Derrida amongst others

Romantic Austen Clara Tuite, 2002-02-28 A full length scholarly monograph examining Jane Austen s writings within the traditions of Romanticism

Self, Text, and Romantic Irony Frederick Garber, 2014-07-14 Frederick Garber takes up in detail several problems of the self broached in his previous book *The Autonomy of the Self* from Richardson to Huysmans Princeton 1982 Using patterns in Byron s canon as models he focuses on the relations of self making and text making as a central Romantic issue For Byron and many of his contemporaries putting a text into the world meant putting a self there along with it and it also meant that the difficulties of establishing the one inevitably reflect the parallel difficulties in the other Professor Garber discusses some of Byron s key texts and shows how their development leads to an impasse involving both self and text Byron s way out of these dilemmas was the mode of Romantic irony of which he is one of the greatest exemplars The study then moves into broader areas of Anglo European literature its ultimate purpose being to argue not only for the efficacy of such irony but for its position as something more than a mere alternative to Romantic organicism Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of

the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Romantic Organicism C. Armstrong, 2003-06-24 Romantic Organicism attempts to reassess the much maligned and misunderstood notion of organic unity Following organicism from its crucial radicalisation in German Idealism it shows how both Coleridge and Wordsworth developed some of their most profound ideas and poetry on its basis Armstrong shows how the tenets and ideals of organicism despite much criticism remain an insistent if ambivalent backdrop for much of our current thought including the work of Derrida amongst others

Romantic Rocks, Aesthetic Geology Noah Heringman, 2011-02-23 Why are rocks and landforms so prominent in British Romantic poetry Why for example does Shelley choose a mountain as the locus of a voice to repeal large codes of fraud and woe Why does a cliff in the boat stealing episode of Wordsworth's *Prelude* chastise the young thief Why is petrification or stonifying in Blake's coinage the ultimate figure of dehumanization Noah Heringman maintains that British literary culture was fundamentally shaped by many of the same forces that created geology as a science in the period 1770-1820 He shows that landscape aesthetics the verbal and social idiom of landscape gardening natural history the scenic tour and other forms of outdoor improvement provided a shared vernacular for geology and Romanticism in their formative stages *Romantic Rocks Aesthetic Geology* reexamines a wide range of eighteenth and nineteenth century poetry to discover its relationship to a broad cultural consensus on the nature and value of rocks and landforms Equally interested in the initial surge of curiosity about the earth and the ensuing process of specialization Heringman contributes to a new understanding of literature as a key forum for the modern reorganization of knowledge

The Romantic Economist Richard Bronk, 2009-02-05 Since economies are dynamic processes driven by creativity social norms and emotions as well as rational calculation why do economists largely study them using static equilibrium models and narrow rationalistic assumptions This book argues that economists should look for new techniques in Romantic poetry and philosophy

Hegel and the English Romantic Tradition W. Deakin, 2015-12-05 Re-examining English Romanticism through Hegel's philosophy this book outlines and expands upon Hegel's theory of recognition Deakin critiques four canonical writers of the English Romantic tradition Coleridge Wordsworth P. B. Shelley and Mary Shelley arguing that they as Hegel are engaged in a struggle towards philosophical recognition

Organising Poetry David Fairer, 2009-06-11 Writing their early poetry during the 1790s a decade of European revolution Coleridge Wordsworth and their friends have always been thought of as the First Generation Romantics This book challenges that concept by viewing them from an entirely new perspective as poets who were continuing an eighteenth century organic tradition

Romantic Autopsy Arden Hegele, 2022 This book considers a moment at the turn of the nineteenth century when literature and medicine seemed embattled in rivalry to find the fields collaborating to develop interpretive analogies that saw literary texts as organic bodies and anatomical features as legible texts

Eighteenth-Century Vitalism C. Packham, 2012-01-31 This book offers an important account of the relationship

between science and culture in the eighteenth century It examines the vitalist turn in physiology and natural philosophy and its presence and effect in the burgeoning of philosophical and scientific inquiry of the Scottish Enlightenment and the radical politics and culture of the 1790s **Art of the Modern Age** Jean-Marie Schaeffer,2000 This view encouraged theorists to consider artistic geniuses the high priests of humanity creators of works that reveal the invisible essence of the world BOOK JACKET **Romanticism** Robert F. Gleckner,1975 **Romanticism and the Uses of Genre** David Duff,2009-11-12 This wide ranging book explores the generic innovations that drive the Romantic revolution in literature but also the fascination with archaic forms such as the ballad sonnet epic and romance whose revival and transformation make Romanticism a retro as well as a revolutionary movement *The Poetics of Palliation* Brittany Pladek,2019-05-24 The Poetics of Palliation argues that Romanticism developed richer literary therapies than its contemporary reception remembers By reading Romantic writers against Georgian medical ethics Poetics recovers their models of literature as comfort and sustenance challenging a health humanities tradition that sees literary therapy primarily as cure **Experimental American Poetry and the New Organic Form** João Paulo Guimarães,2025-01-09 Arguing that the 19th century concept of living form the idea that like an organism a poem develops itself from within according to an internal logic is not as some critics have argued anathema to avant garde writing this book contends that the concept survived and flourished in the work of a number of contemporary experimental poets Indebted to 19th century science the notion of a living form endured throughout the 20th century and the poetic vanguard s word games and collages mirrored the disjunctive frameworks that redefined how scientists made sense of life in the age of networks and non linear systems Featuring readings of texts from poets including Ed Dorn A M J Crawford P Inman Chris Vitiello and Christian B k this book shows how a number of vanguardist poets explores the commonalities they detected between nature s processes of creation and their own methods of composition In doing so it highlights devices like punning paragrammatic play metamorphic figuration and memetic repetition mechanisms these poets find at work in the cybernetic genetic and digital systems they investigate in their poems *The Truth about Romanticism* Tim Milnes,2010-06-03 How have our conceptions of truth been shaped by romantic literature This question lies at the heart of this examination of the concept of truth both in romantic writing and in modern criticism The romantic idea of truth has long been depicted as aesthetic imaginative and ideal Tim Milnes challenges this picture demonstrating a pragmatic strain in the writing of Keats Shelley and Coleridge in particular that bears a close resemblance to the theories of modern pragmatist thinkers such as Donald Davidson and Jürgen Habermas Romantic pragmatism Milnes argues was in turn influenced by recent developments within linguistic empiricism This book will be of interest to readers of romantic literature but also to philosophers literary theorists and intellectual historians **Jane Austen and the Romantic Poets** William Deresiewicz,2005-01-05 This elegant and thoughtful work offers an important new way of understanding Jane Austen by defining the fundamental impact and influence of British Romanticism on her later novels In comparing the earlier and later

phases of Austen's career Deresiewicz addresses an important yet neglected issue regarding her work the longstanding critical consensus that Austen's last three novels *Mansfield Park* *Emma* and *Persuasion* represent far greater artistic achievements than do her first three *Northanger Abbey* *Sense and Sensibility* and *Pride and Prejudice* Jane Austen and the Romantic Poets offers a rich account of the differences between the two phases of Austen's career In doing so it contextualizes her later novels within the British Romantic movement and the works of Wordsworth Coleridge Scott and Byron Through close readings of *Mansfield Park* *Emma* and *Persuasion* Deresiewicz reveals the importance of Romantic ideas in Austen's later work considering the ways in which the novels investigate hidden mechanisms of psychic and affective life including substitution ambiguous relationships and widowhood Deresiewicz's innovative approach and its emphasis on Romanticism opens up new perspectives on Austen's later novels by exploring their patterns of imagery narrative logics and social and historical dimensions

The Fate of Progress in British Romanticism Mark Canuel, 2022 Explores the idea of progress in British Romantic literature by analyzing converging arguments among political theorists historians and writers of poems and novels from the 1770s to the 1820s to show how these writers reshaped dominant narratives about political progress

Whispering the Techniques of Language: An Mental Journey through **Romantic Organicism**

In a digitally-driven earth where screens reign great and immediate conversation drowns out the subtleties of language, the profound techniques and mental subtleties hidden within words usually go unheard. Yet, located within the pages of **Romantic Organicism** a captivating literary treasure pulsating with fresh emotions, lies a fantastic quest waiting to be undertaken. Composed by a skilled wordsmith, this marvelous opus invites readers on an introspective trip, gently unraveling the veiled truths and profound impact resonating within ab muscles cloth of each word. Within the mental depths of this poignant evaluation, we will embark upon a honest exploration of the book is primary themes, dissect their captivating publishing design, and fail to the strong resonance it evokes deep within the recesses of readers hearts.
