Wanamaker's Temple Nicole C. Kirk, 2023-11-07 How a pioneering merchant blended religion and business to create a unique American shopping experience On Christmas Eve 1911 John Wanamaker stood in the middle of his elaborately decorated department store building in Philadelphia as shoppers milled around him picking up last minute Christmas presents On that night as for years to come the store was filled with the sound of Christmas carols sung by thousands of shoppers accompanied by the store's Great Organ Wanamaker recalled that moment in his diary I said to myself that I was in a temple a sentiment quite possibly shared by the thousands who thronged the store that night Remembered for his store's extravagant holiday decorations and displays Wanamaker built one of the largest retailing businesses in the world and helped to define the American retail shopping experience From the freedom to browse without purchase and the institution of one price for all customers to generous return policies he helped to implement retailing conventions that continue to define American retail to this day Wanamaker was also a leading Christian leader participating in the major Protestant moral reform

movements from his youth until his death in 1922 But most notably he found ways to bring his religious commitments into the life of his store He focused on the religious and moral development of his employees developing training programs and summer camps to build their character while among his clientele he sought to cultivate a Christian morality through decorum and taste Wanamaker's Temple examines how and why Wanamaker blended business and religion in his Philadelphia store offering a historical exploration of the relationships between religion commerce and urban life in the late nineteenth and early twentieth century and illuminating how they merged in unexpected and public ways Wanamaker's marriage of religion and retail had a pivotal role in the way American Protestantism was expressed and shaped in American life and opened a new door for the intertwining of personal values with public commerce *Bulletin of Recent Books Added to the Public Library of the City of Boston* Boston Public Library,1924 *Pennsylvania Politics Today and Yesterday* Paul B.
