Romantic Roots In Modern Art:

Romantic Roots in Modern Art August K. Wiedmann, 1979 **Historical Dictionary of Romantic Art and Architecture** Allison Lee Palmer, 2019-07-26 Romanticism is multifaceted and a wide range of nostalgic emotional and exotic concerns were expressed in such styles and movements as the Gothic Revival Classical Revival Orientalism and the Pre Raphaelite Brotherhood Some movements were regional and subject specific such as the Hudson River School of landscape painting in the United States and the German Nazarene movement which focused primarily on religious art in Rome The movements range across Western Europe and include the United States This dictionary will provide a fuller historical context for Romanticism and enable the reader to identify major trends and explore artists of the period This second edition of **Historical Dictionary of Romantic Art and Architecture** contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on major artists of the romantic era as well as entries on related art movements styles aesthetic philosophies and philosophers This book is an excellent resource for students researchers and anyone wanting to know more about Romantic art *David Bowie and Romanticism* James Rovira, 2022-08-22 David Bowie and Romanticism evaluates Bowie s music film drama and personae alongside eighteenth and nineteenth century poets novelists and artists These chapters expand our understanding of both the literature studied as well as Bowie s music exploring the boundaries of reason and imagination and of identity gender and genre This collection uses the conceptual apparatus and historical insights provided by the study of Romanticism to provide insight into identity formation drawing from Romantic theories of self to understand Bowie s oeuvre and periods of his career The chapters discuss key themes in Bowie s work and analyze what Bowie has to teach us about Romantic art and literature as well **German Romantic Painting** William Vaughan, 1994-01-01 The early 19th century was a period in German art in which painting played a significant part in the cultural resurgence commonly known as the Romantic Movement This Movement and some of its chief exponents are examined against a background of German literature philosophy and music Expressionism Colin Rhodes, 2025-03-06 Expressionist artists believed in the art objects ability to communicate emotion irrespective of any representational or narrative content In this comprehensive introduction to one of the most radical artistic movements of our time writer artist curator and educator Colin Rhodes traces the thread of expressionist thought from the nineteenth century to the present day mapping its various manifestations across Europe and the USA as well as parts of Africa Asia and South America By paying particular attention to nuanced issues of gender sexuality and cultural appropriation Rhodes challenges the received art historical narrative and reassesses it in the context of broader twentieth and twenty first century artistic practice Generously illustrated the diverse selection of artists featured in this book range from Wassily Kandinsky Erma Bossi Francis Bacon and Mark Rothko to Ursula Schultze Bluhm Gillian Ayres Purvis Young and Jad Fadojutimi **Wagner and Literature** Raymond Furness, 1982 Examines the influence of Wagner on European literature and culture from Thomas Mann and Friedrich

Nietzsche to the surrealist poet Stéphane Mallarmé and the decadent illustrator Aubrey Beardsley *The Architectural Model* Matthew Mindrup, 2019-10-08 An investigation of different uses for the architectural model through history as sign souvenir funerary object didactic tool medium for design and architect's muse For more than five hundred years architects have employed three dimensional models as tools to test refine and illustrate their ideas But as Matthew Mindrup shows the uses of physical architectural models extend beyond mere representation An architectural model can also simulate instruct inspire and generate architectural designs It can be among other things sign souvenir toy funerary object didactic tool medium or muse In this book Mindrup surveys the history of architectural models by investigating their uses both theoretical and practical Tracing the architectural model's development from antiquity to the present Mindrup also offers an interpretive framework for understanding each of its applications in the context of time and place He first examines models meant to portray extant fantastic or proposed structures describing their use in ancient funerary or dedicatory practices in which models are endowed with magical power as a medium for architectural reverie and inspiration and as prototypes for twentieth century experimental designs Mindrup then considers models that exemplify certain architectural uses exploring the influence of Leon Battista Alberti's dictum that models be simple lest they distract from the architect's ideas analyzing the model as a generative tool and investigating allegorical analogical and anagogical interpretations of models Mindrup's histories show how the model can be a surrogate for the architectural structure itself or for the experience of its formal tactile and sensory complexity and beyond that that the manipulation play experimentation and dreaming enabled by models allow us to imagine architecture in new ways **Architecture in the Age of Divided Representation** Dalibor Vesely, 2004 Reclaiming the humanistic role of architecture in the age of technology an examination of architecture's indispensable role as a cultural force throughout history *Mallarmé and Debussy* Elizabeth McCombie, 2003 This book examines afresh the web of similarities and differences between music and poetry using works by Mallarmé and Debussy as case studies It challenges the easy metaphorical impressionism that has characterized much of the scholarly literature to date Analyzing Mallarmé's vision of a shared musico poetic aesthetic Elizabeth McCombie derives a set of performative structural motifs analytical tools that express our experience of the two arts and their middle ground *Years of Friendship, 1944-1956: The Correspondence of Lyonel Feininger and Mark Tobey* Achim Moeller, 2024-02-21 In 1944 Lyonel Feininger 1871-1956 wrote his first letter to fellow painter Mark Tobey 1890-1976 after seeing Tobey's first solo show at the Willard Gallery in New York It was the beginning of a close friendship that lasted until Feininger's death in **Neue Sachlichkeit and Avant-Garde** Ralf Grüttemeier, Klaus Beekman, Ben Rebel, 2013 One of the aims of the book is to shed more light on the notion Neue Sachlichkeit in its appearance in a variety of fields as painting architecture music photography and literature in order to get a clearer idea of its scope Several contributions will do so by analysing the heterogeneity in the use of the term concerning its function in the fight for recognition in the art fields around 1930 in other words Neue Sachlichkeit will be analysed as a

positioning strategy Especially its participation in the broader discourse on modernity as well as its international and intermedial dimension will be highlighted often using the historical avant garde as point of reference From this perspective the present volume wants to be read as a plea for a differentiated description of the many shared aspects and some differences between the avant garde and Neue Sachlichkeit Gothic Motifs in the Fiction of William Gibson Tatiani G. The Practical Muse Patricia Rae,1997 Patricia Rae s study while accepting Rorty s view that there is philosophical solidarity between pragmatism and modernism rejects his interpretation of both as forms of dogmatic skepticism If pragmatism and modernism coincide Rae argues the case of these three writers suggests that the intersection lies not in a rejection of truthfulness to experience but in a cautious respect for it **The Routledge Companion to Contemporary Architectural History** Duanfang Lu,2023-07-17 The Routledge Companion to Contemporary Architectural History offers a comprehensive and up to date knowledge report on recent developments in architectural production and research Divided into three parts Practices Interrogations and Innovations this book charts diversity criticality and creativity in architectural interventions to meet challenges and enact changes in different parts of the world through featured exemplars and fresh theoretical orientations The collection features 29 chapters written by leading architectural scholars and highlights the reciprocity between the historical and the contemporary research and practice and disciplinary and professional knowledge Providing an essential map for navigating the complex currents of contemporary architecture the Companion will interest students academics and practitioners who wish to bolster their understanding of built environments **The Visual Arts in Germany, 1890-1937** Shearer West,2000 This work provides an introduction to the visual arts in Germany from the early years of German unification to World War II The study is an analysis of painting sculpture graphic art design film and photography in relation to a wider set of cultural and social issues that were specific to German modernism It concentrates on the ways in which the production and reception of art interacted with and was affected by responses to unification conflict between left and right political factions gender concerns contemporary philosophical and religious ideas the growth of cities and the increasing important of mass culture *Modern Painting: A Concise History (World of Art)* Simon Morley,2023-10-17 This new concise history of modern painting offers an indispensable reference to the complexities and characteristics of this medium which now exists alongside many other contemporary practices that embrace radically expanded ideas about art While acknowledging the legacy of Herbert Read s classic 1959 study A Concise History of Modern

Painting in the World of Art series academic and artist Simon Morley places the foundation of modern art much earlier than Read at the emergence of Romanticism and the dawn of the industrial age Structured loosely chronologically by period the focus is as much on individual artists as movements with works discussed within a broader context stylistic historical geographic and gender and ethnic frames themes which recur throughout the chapters Generously illustrated the global and diverse range of artists featured include William Blake douard Manet Hilma af Klint Kazimir Malevich Willem de Kooning Amrita Sher Gil Faith Ringgold and Kehinde Wiley This guide also includes an appendix in the form of questions the reader might like to ask about the artists and ideas discussed in order to reconsider the works from a contemporary perspective

Imperfect Fit Allen Fisher, 2016-11-15 Imperfect Fit is a dynamic study of the relationships between modern art and avant garde poetry from the 1950s to the present that provides fascinating glimpses into both Allen Fisher s remarkable work as a poet painter and critic as well as the state of avant garde aesthetics as a whole **Making Sense of Children's Drawings**

John Willats, 2006-04-21 The message of this book is a simple one children learn to draw by acquiring increasingly complex and effective drawing rules In this regard learning to draw is like learning a language and as with language children use these rules creatively making infinite use of finite means Learning to draw is thus like learning a language one of the major achievements of the human mind Theories of perception developed in the second half of the 20th century enable us to construct a new theory of children s drawings that can account for their many strange features Earlier accounts contained valuable insights but recent advances in the fields of language vision philosophy and artificial intelligence now make it possible to resolve the many contradictions and confusions inherent in these early writings John Willats has written a book that is accessible to psychologists artists primary and junior schoolteachers and parents of both gifted and normal children

Cultural Identity and Postmodern Writing , 2006-01-01 Cultural Identity and Postmodern Writing seeks to ascertain the relationship obtaining between the specific form postmodernism assumes in a given culture and the national narrative in which that culture traditionally recognizes itself Theo D haen provides a general introduction to the issue of cultural identity and postmodern writing Jos Joosten and Thomas Vaessens take a look at Dutch literature and particular Dutch poetry in relation to postmodernism Robert Haak and Andrea Kunne do the same with regard to respectively German and Austrian literature while Roel Daamen turns to Scottish literature Patricia Krus discusses postmodernism in relation to Caribbean literature and Kristian van Haesendonck and Nanne Timmer turn their attention to Puerto Rican and Cuban literature while Adriana Churampi deals with Peruvian literature Finally Markha Valenta investigates the roots of the postmodernism debate in the United States This volume is of interest to all students and scholars of modern and contemporary literature and to anyone interested in issues of identity as linked to matters of culture The Palgrave Handbook of the Vampire Simon Bacon, 2024-04-16 Winner of the The Lord Ruthven Assembly Award for Non Fiction 2024 This Handbook MRW is a unique encompassing overview of the figure of the vampire Not only covering the list of usual suspects this volume provides

coverage from the very first reports of vampire like creatures in the 17th century to film and media representations in the 21st century The Palgrave Handbook of the Vampire shows that what you thought you knew about vampires is only a fraction of the real and fascinating story
