person Incorporating interviews research findings and excerpts from romantic and erotic literature lyrics and film Sexual Attraction The Psychology of Allure explores a subject that is central to the human experience and highly relevant in not only personal intimate interactions but also other relationships Although the causes and effects of sexual attraction have been studied sexual attraction itself how we experience others in terms of their sexual attractiveness remains a neglected rarely researched topic Philosopher and psychologist Dr James Giles presents jargon free information that is accessible and fascinating to the everyday reader as well as highly useful and informative to students and researchers in social psychology sexology sex and marital therapy and relationship counselling The book explores subjects and types of relationship including How sexual attraction is fundamentally different from other forms of interpersonal attraction How at the heart of sexual attraction lies the experience of allure something that makes one feel helplessly drawn toward an intimate physical joining with the sexually attractive person Cross sex friendships and whether women and men can ever be just friends Can sexual relations actually enhance and strengthen the friendship without turning it into a romantic relationship Can you be in love with someone you don't actually like Friends with benefits Romantic partnerships

Clueless Lesley Speed, 2017-07-14

Clueless American Youth in the 1990s is a timely contribution to the increasingly prominent academic field of youth film studies The book draws on the social context to the film's release a range of film industry perspectives including marketing audience reception and franchising as well as postmodern theory and feminist film theory to assert the cultural and historical significance of Amy Heckerling's film and reaffirm its reputation as one of the defining teen films of the 1990s Lesley Speed examines how the film channels aspects of Anita Loos 1925 novel Gentlemen Prefer Blondes the 1960s television series Gidget and Jane Austen's Emma to present a heightened optimistic view of contemporary American teenage life Although seemingly apolitical Speed makes the case for Clueless as a feminist exploration of relationships between gender comedy and consumer culture centring on a contemporary version of the dumb blonde type The film is also proved to embrace diversity in its depiction of African American characters and contributing to an increase in gay teenagers on screen Lesley Speed concludes her analysis by tracking the rise of the Clueless franchise and cult following Both helped to cement the film in popular consciousness inviting fans to inhabit its fantasy world through spinoff narratives on television and in print public viewing rituals revivalism and vintage fashion

Romantically Correct: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Romantically Correct : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
