Romanticism and Male Fantasy in Byron's Don Juan C. Donelan, 1999-10-11 Don Juan Byron's best poem is a sensational radical satire It uses the legend of Don Juan to expose the male fantasies behind Romanticism and nineteenth century public culture Critics feared that the poem was a manual for vice and would corrupt society Should England's best selling author have been censored This book looks at how Europe's most famous literary celebrity shows his dark side in Don Juan a canonical long poem and a pop culture masterpiece [Romanticism and Male Fantasy in Byron's Don Juan](#) Charles Donelan, 1999-12-10 Don Juan Byron's best poem is a sensational radical satire It uses the legend of Don Juan to expose the male fantasies behind Romanticism and 19th century public culture Critics feared that the poem was a manual for vice and would corrupt society Should England's best selling author have been censored This book looks at how Europe's most famous literary celebrity shows his dark side in Don Juan a canonical long poem and a pop culture masterpiece **Don Juan**

Byron, 2004-08-26 Byron's exuberant masterpiece tells of the adventures of Don Juan beginning with his illicit love affair at the age of sixteen in his native Spain and his subsequent exile to Italy Following a dramatic shipwreck his exploits take him to Greece where he is sold as a slave and to Russia where he becomes a favourite of the Empress Catherine who sends him on to England Written entirely in ottava rima stanza form Byron's Don Juan blends high drama with earthy humour outrageous satire of his contemporaries in particular Wordsworth and Southey and sharp mockery of Western societies with England coming under particular attack **Byron's Don Juan** Richard Cronin, 2023-06-29 In this first full length study of Byron's masterpiece in over thirty years Richard Cronin boldly presents Don Juan as the epic poem of its age Impressively illuminating the whole literary nineteenth century through a single work he asks what kind of epic can be said to represent an era more readily defined by newspapers and magazines than by competitors such as Wordsworth's Excursion or Southey's Joan of Arc arose Delving into questions of form and choice of hero he also explores the controversies that informed the poem's reception its contemporary interactions and its influence on later nineteenth century literature Don Juan he argues is the epic poem demanded by an age of cant and dissembling when people's feelings and the world they lived in had become disconnected In it he finds a powerful defence of liberal thinking at a time when that kind of thinking was under threat
